Remember When

(By The Canadian Press)

Jockey Ivan Parke established a record when he rode 10 winners in 12 starts at Churchill 16 years ago today. Beaten Parke's mark, rider, rode 12 consecutive victors Gordon Richards, the English in 1923. Parke had 718 mounts in 1923, finished first 173 times, and in the money 373 times to top the jockey list.

Second Half Offensive Gives U.N.B. 16-3 Win Over Saints Rugby Team

FREDERICTON, Oct. 16—(CP)—Unleashing a powerful scoring punch in the second half, the red and black football squad of the University of New Brunswick came from behind to defeat St. Dunstan's red and white team 16 to 3 here today in a New Brunswick-Prince Edward Island intercollegiate league fixture.

Going into the second half of the contest on the scoreless side of a 3-0 count, U. N. B., launched an organized offensive which netted them four tries and two converts for sixteen points before the final whistle had sounded.

Vince Grant, fast stepping red and white half, scored the losers' lone marker five minutes after the game started. The home team's three-quarter line accounted for all of their tries, Jerry Atyeo chalking up two while George "Beef" Andrews and Art McLennan scored one each.

Sparked by the clever playmaking of the elusive flying half, Dave Dyer, the clock-like functioning of the U. N. B. backfield featured the game. Dyer was the organizer of every successful attack on the part of the winners and this, together with his timely punting, made him the outstanding performer of the game. Vince Grant and Jack Coyle were outstanding for the Island team.

Lineups:—
U. N. B.—Forwards, Good, Mur-

ray, Brebner, Logie, Wolstenholme, Coombs and Snodgrass; halves, A. Rogers, Lockhart and Dyer; three-quarters, Andrews, Rouse, Elgee and Atyeo; fullback, M. Rogers; spares, McLennan and Conacher. St. Dunstan's: Forwards, Connelly, Mooney, McDonald, McNelis, Henessey, Gallant and McGrath; halves, Grant, Steele and St. Trainor; three-quarters, Connors, Smith, Murnaghan and J. Trainor; fullback, Coyle; spares, O'Shea and McTague.

Regains Title In Bruising Encounter

HALIFAX, Oct. 16—(CP)—Martin "Kid" Parsons, Halifax, regained the Maritime lightweight boxing championship tonight on the strength of a unanimous decision of the judges after he and Johnny Lifford, Saint John's, N. B. battled for 12 rounds. The winner weighed in at 134 and Lifford at 141.

Both drew blood in the battle, which was anybody's victory up to the final bell. Lifford was cut a- bout the mouth and nose as early as the fourth round while Parsons suffered a deep laceration under the right eye in the tenth.

Lifford's sword with a stabbing left hand, Parsons landed the heavy blows although he was consistently beaten to the punch.

Leafs Begin Practice For N.H.L. Season

ST. CATHARINES, Ont., Oct. 16—(CP)—Toronto Maple Leafs gambolled through the first session of their preparations for the National Hockey League season today—but

did not go on for long. Half-an-hour after arriving in training camp from Toronto the Leafs took to the ice at St. Catharines arena for an hour's skating.

Most of the younger hands took through the practice while the veterans started slowly.

Serious work will begin tomorrow. In just one week the Leafs will go to northern Ontario for an exhibition tour. In the meantime manager Conny Smythe and coach Dick Irvin will have much discerning to do.

The club's decision to sever its affiliations with Syracuse of the International-American League, which formerly handled surplus Leaf players, presented Smythe and Irvin with a big problem in choosing a starting lineup.

The Leafs intend to carry five or six players over the limit of 15 they can dress for each game. To pick the right playing combination, however, won't always be easy.

Dave (Sweeney) Schirner, obtained further information for the Leafs from Harvey Jackson, Doc Romnes and Buzz Boll, showed up streamlined and fit at 178 pounds—17 less than he weighed when he reported to New York Americans last fall.

Syl Apps and Gordon Drillon, one of the game's highest-scoring forwards, made plays for one another as old rivals in a face the ice was cluttered by players.

FRENCH TURF QUESTION
PARIS (CP)—Egan on French racing has led to speculation as to whether French horses may run in Spain. During the First Great War, dusty Spanish tracks were open to French competitors under the aegis of King Alfonso.

Gehrig Quits Baseball To Mend Broken Lives As Parole Commissioner

NEW YORK, Oct. 16—"Columbia Lou" Gehrig turned his alling back on baseball today and became Henry Louis Gehrig, a mender of broken lives.

At his induction as a \$6,000-a-year city parole commissioner, Gehrig was officially shorn of the name "Lou."

"Lou Gehrig," said Mayor Fiorello LaGuardia affectionately, "I am just about to minister the oath of office to you."

"Henry Louis Gehrig..." he went on.

"After giving the oath, the Mayor said:—

"Now, you have read technical works, you have read medical works, and from now on you will be bombarded with all sorts of theories. . . . The economic condition of the person before you is a factor to be considered. The main thing is to determine whether the person before you is a victim of circumstances or a vicious, cruel

criminal. That is where good common sense comes in."

Gehrig responded briefly and tears welled in his wife's eyes.

And so, in a moving ceremony, Gehrig passed from baseball where as captain-first baseman of the world champion Yankees he was one of the most proficient and the second highest salaried player—a peak \$39,000 in one season as compared to Babe Ruth's \$50,000.

Some time years hence a new generation will thumb through the record books and opposite many of the great accomplishments in baseball will find the name of Henry L. Gehrig—not Lou—for the record keepers have a certain stiffness against monikers.

And in the annals of penology may appear the name of Henry Louis Gehrig as a man who put his qualities of leadership and exemplary conduct to the correction of "dead end kids."

Clapper To Head Bruins

HERSHEY, Pa., Oct. 16—(AP)—Aubrey (Dix) Clapper, veteran right wing and defense man, was named captain of Boston Bruins today by Manager Art Ross after the Stanley Cup holders completed their first double workout in preparation for the coming season.

Arrival of Roy Conacher, brilliant freshman left wing of last season, at the Hershey training camp completed the Bruin squad. Conacher missed a train at Toronto but was on time for the afternoon session.

The squad of 24 went through their double workout enthusiastically. Sticks were banged, but will be carried in tomorrow's double workout. Ross expects to hold the first scrimmage Wednesday when he and his new assistant manager, Conroy Welland will look over their charges closely.

N.H.L. Veteran Named Coach

MONTREAL, Oct. 16—Jimmy Ward, veteran National Hockey League campaigner, was appointed today to succeed Pete Lepine as coach of the New Haven Eagles of the International-American Hockey League.

The announcement was made by business manager Jules Dugal of Montreal Canadiens in behalf of the management of their New Haven farm club. The appointment is effective immediately.

Ward's appointment was announced shortly after Canadiens and New Haven reported here for their first training session of the season.

In his prime one of the best forwards in the game, Ward had played 12 years all of them with Montreal clubs. He joined Montreal Maroons after quitting the amateur ranks and was with them until they disbanded at the end of the 1937-38 season.

Last year he played with Canadiens, enjoying only a fair season as injuries hampered his play but still one of hockey's most popular players.

The vacancy at New Haven was caused by the appointment last week of Lepine as assistant coach of Canadiens.

Ketepec Aces Win N. B. Title

SUSSEX, N. B., Oct. 16—(CP)—Ketepec Aces combined 22 hits off "Schoolboy" Melanson with spectacular relief pitching by Herman Boole to defeat Moncton Pawnees 21-15 in a slugfest today and win Saint John's first New Brunswick senior softball title.

Red Wings To Trade Or Sell Marty Barry

DETROIT, Oct. 16—(CP)—Hockey circles here tonight said that Detroit Red Wings of the National Hockey League would trade or sell the veteran centre, Marty Barry, or

send him to the minor leagues as a trainer of young players. Barry, it was said, wishes to be traded to Montreal Canadiens and Detroit is willing if a young player will be given in exchange.

James Norris Jr., of Chicago, owner of the Wings, and his son, James, Jr., will come here tomorrow to discuss the situation with Barry.

Barry came to Detroit from Boston Bruins in 1935. He was a stand-out with the Detroit teams of 1935 and 1936 on the forward line with Larry Aurie and Horis Lewis, now managers of International-American League teams.

NAZIS LOSE DIGNITY
BOSTON, Oct. 16—(AP)—Several hundred Germans held in concentration camps in Palestine objected to Jewish guards, asserting their dignity was infringed upon but received no satisfaction from British authorities. Miss Kallia Halperin said today when she arrived from the near east on the American export liner Eicker.

British officials told the prisoners they had "lost their dignity long ago," said Miss Halperin, a social worker.

ROTARY

"Community Service" was the subject of an interesting address given at the Rotary luncheon yesterday afternoon by Past President Dr. W. J. P. MacMillan.

The Rotary Club, he said, should be proud of its record. It was organized in Charlottetown in regard to the various phases of community service not only assumed its full duty and responsibility but has done even more.

The speaker then made reference to the Christmas donations to the Dispensary, to the work of the Urban-Rural Committee in developing better feeling between city and county and breaking down uncalced prejudices.

He also spoke of the assistance given to the dental clinic and dwelt upon the major activity of the club, namely the carrying on of crippled and handicapped children.

He was glad the Rotary Auction would be held as usual this year. The time given to it by the Rotarians will be time well spent, in the greatest community service any body of men can undertake. He bespoke for it the same generous and enthusiastic support as before.

The Doctor expressed his appreciation to the Red Cross campaign, which is to be launched on Nov. 13. \$25,000 is the objective for the Island. If the Rotary Auction had not been held, \$200 or so would have to be raised in some other way for these crippled and handicapped children.

A number of active Rotarians are members of the Red Cross Committees.

Dr. MacMillan lauded the speed work which was done by the Rotarians with respect to supervising playgrounds. Progress had been made and he hoped that the matter will not be allowed to lapse.

Rotarian Gordon C. Hughes was in the chair.

There was one guest D. L. Davidson of Galt, Ont.
