THE QUEEN'S COUNTY GUARDIAN

Head Offices in New Prowse Block—Charlottetown.

The latest news, first of all.
 Miss Ada McPherson, City, arrived here Saturday from Boston.
 Mrs. Robert Hogg, City, returned Saturday from a visit to the mainland.
 J. J. McKinnon, City, was among the passengers arriving Saturday by the Earl Grey.

At the police court in this city on Saturday the prohibition case against A. W. Reddin was dismissed.
 Any young lady, who desires a position as stenographer, typist and general office helper should write B. P. O. Box, 99, at once.
 Before J. A. Macdonald, Stipendiary Magistrate for Queen's County, on Saturday, a case against S. C. Clark, Mr. Stewart, for infraction of the prohibition law, was adjourned for one week.

The fire alarm rang for the second time this year at six forty-five on Saturday evening and quite a crowd gathered around the Arena Rink. It appears that parties near the rink were fumigating their house and a false alarm was the result.
 A. Milne Fraser of Halifax is at the Victoria. Mr Fraser has with him a sample of the new model visible writing Smith-Premier and will be glad to call on prospective purchasers of new or second-hand machines.
 The Cub Reporter at Wonderland tonight will be simply fourteen hundred feet of laugh. It brought down the house Saturday night and tonight no one should miss it who enjoys good comedy with something to it.

George Strickland, Chestnut St., has instructed Benj Carter & Co. Auctioneers to sell by public auction on Thursday next all his household furniture comprising carpet, mats, tables, side board, couch and many other articles as enumerated in the ad which appears elsewhere. The furniture is practically new and in good repair.
 A correspondent from Eldon writes that James Munroe has left for Boston. Inventor McDavid has arrived home from St. John. Miss Ruth Munroe has left for Charlottetown. Donald W. McDonald, intends building a large fish house at Pinette Bridge, this Summer. John T. Weatherbie, Ocean View paid Roseberry a flying visit recently.
 Alex. Horton, blacksmith, of Bethel, is fast proving himself a mechanic of the first water. Recently he has taken out a patent for a wire-stretcher which is claimed by many to be superior to anything of the kind in the market. He has also fitted up his gasoline engine so that it is now self-propelling. This is proving very satisfactory to his many customers for which he does, threshing, as it saves the usually heavy pulling of the old-fashioned horse-power. It will also enlighten the farmers of the wonderful working power of the motor.

William MacLeod and family of Hartsville, would take this opportunity of sincerely thanking their many friends and neighbors in visiting them to show their sympathy, and share in their great sorrow and bereavement which came to them by the sudden and unexpected death of their much beloved son Alexander Duff MacLeod. He was killed by falling into a timber chut, in the Morning Mine, on the 18th December last, in Mullin, Idaho. They also have to thank the writers of the many letters of sympathy which came to them from Vancouver City, and other places. "Blessed are the merciful for they shall obtain mercy."

"Guaifacil Emulsion," a most reliable remedy for coughs, colds, general debility and all lung affections. Pleasant to the taste and easily digested. Sold at 40c. per bottle by A. W. Reddin, Phm. B., Sunnyside.

Besides several fine selections by the chorus choir, the following popular favorites will take part at Thursday night's Sacred Concert in Grace Church—Miss Amy Earle, Miss Nicholson, Mrs. Ritchie, Messrs. Elmer Ritchie, Parker Hooper and Berrie. A fine aggregation truly. Come.

Persons sending advertising to the Guardian will confer a favor on the management if they will state what they want it in The Morning Daily or Rural Daily, how long and how frequently they wish it inserted in each, and whether as a business local, display ad, or classified ad, bearing in mind that if for the latter it can run longer for consecutive insertions. All ordinary amounts under one dollar are accepted on a cash in advance basis and ten per cent discount given, except to those having a regular advertising account.

In the recent wrestling championships at McGill College, Montreal, a number of the Island athletes took a prominent part. In the heavy-weight class, Mark Smith, of Kinkora, gained the decision over R. B. MacBeath, of Marshfield, after a very exciting contest. In the 145 lb. class, L. W. MacNutt, of Charlottetown, put up a good defence, but, through his opponent's knowledge of the fine points of the game, lost the decision. But, in the 135 lb. class T. C. Dennis, of O'Leary, President of the Club, won from his opponent. This was a fast and well-contested game, and in the first intercollegiate game to be held at Kingston Messrs. Dennis and Smith will represent McGill. The other colleges to be represented are Toronto Varsity and Queen's University, Kingston.

Mark Wright, Newson's Block, has a splendid department for the cleaning of carpets and the repair and reupholstering of furniture. His system of carpet cleaning is the only one of the kind in this Province. It takes the germs, dust and dirt from the face, back and warp of every carpet too large or small to be cleaned perfectly. His phone No. is 79—J store Newson Block, Richmond St. See ad in this issue.
