Lavarack-Probert Nuptials

(Buers Aires Herald, Dec. 8)

Relatives here will be interested in the pretty young bride referred to as he is a grand-daughter of the la Capt. John Murchison and Mrs. Murchison, whose summer homes at Point Prim.

A ery picturesque ceremony took plac at St. Andrew's Scots Church last evening, when Miss Mar O'Grady Probert, only daughter of Mr. and Mrs. B. W. Probert we married to Mr. Dennis Lavarack, second son of Capt. and Mrs. H. V. Lavarack of 2, Portman Mnsions, London. W. The service as conducted by the Rev. Dr. Fuce, who was assisted by Rev. ohn Kent.

Masses of lovely hydrangeas, interspersed with white lilies and carnations made a perfect setting for the ceremony. Shortly before the hour appointed for the service a large number of guests arrived and were escorted to their seats by the ushers Messrs. Leslie Smart and Boy Lee.

As the bride entered on the arm of her father, the organist, Mr. T. Bourse, a friend of the bride's family, rendered the Wedding March. The bride made a delightful picture in an early Victorian bridal gown a Lanvin model, of off white taffeta and brocaded satin, the skirt terminating into a full circular train, her veil of tulle d'illusion, which fell in soft cloud-like folds over the train, was held in position by a modern head-dress composed of lilies-of-the-valley and orange blossoms and she carried a bouquet of the same flowers.

Th bridesmaids, the Misses Marjorie Gerrard, Lucie Bell and Asta Fitz Gibbon made a delightful trio in their mauvy-pink lace frocks over matching taffeta. They wore swathed turbans of silk jersey to match their dresses and carried bouquets of pink Duchess of York roses.

Mr. Louis Feeney acted as bestman and the groomsmen were Mr. John Murchison Probert and Dr. Charles Smart.

After the ceremony a reception was held to a large number of guests at the home of the bride's grandmother, Mrs. John Murchison in calle Freyre 1762. Here the bride's mother received the guests attired in a handsome gown of black chiffon with a short train. A large straw hat completed her ensemble. Unfortunately owing to the war the bridegroom's parents were unable to leave England for the wedding.

Mr. and Mrs. Dennis Lavarack plan to spend their honeymoon in Cordoba. On going away the bride wore a smart mauve and pink patterned frock accompanied by a Bois de rose coat and hat and navy blue accessories.

The bride's gift to the bridegroom was a gold wrist watch and the groom gave the bride a jewelled wrist watch, the bridesmaids received souvenir gifts of earrings.

Daily War Survey

(By The Canadian Press)

The nucleus of an international army is assembling in Finland. When and if the Russian invaders renew their assault they may be met by men of many nations.

With Swedish and Italian volunteers already in Finland, word comes of the arrival of a Danish contingent and in Norway King Haakon announces a program of voluntary military drills will be conducted by the defence ministry for persons desirous of training.

This means that Norwegians may obtain military training without entering the army. Although the purpose is not officially disclosed it will provide a means by which Norwegians who wish to fight for the Finns may obtain military training in their own country.

From Spain also comes word that Russian tanks, guns and other equipment sent into that country for the recent Spanish Civil War may be sent to Finland. Thus the relics of one of Soviet Russia's ill-starred foreign ventures will be turned against it in another venture.

An indication came today also that Nazi Germany's support of Russia's enterprise in Finland is still subject to qualifications. The Nazi government has accepted a consul appointed by the Finnish government, thereby recognizing the continuance of that regime.

Russia has set up a puppet Communist government for Finland with headquarters at Terijorki and refused to recognize the government at Helsingfors. The Nazis will not go to the length of recognizing the Russian-created Finnish government. Although they stop the transport of military supplies from Italy to Finland they maintain normal relations with their beleaguered northern neighbor.

New York Prices Up, Stockholm Down

NEW ORK, Jan. 9—A strong rebound from recent levels in prices for silver foxes yesterday featured the first auction of these furs since the supplementary trade pact regulating Canadian imports went into effect. The sale, held by the New York Auction Company, averaged prices 10 per cent higher than the December auction.

Only the full silver section was auctioned yesterday. The top was $89 and entire section was sold. Four days will be required to sell the 25,000 skins which will go under the hammer.

The rise in prices yesterday was said to reflect much stronger confidence in the market position of silver foxes and the buying was in sharp contrast to that at previous sales. At least one important auction was cancelled because of the threat to domestic prices arising from alleged dumping of Canadian silver and black foxes.

Under the quota arrangement with Canada, that country may send in 58,300 silver and black foxes this year, less the December shipments. The quota for this month has already been exceeded.

Off 40 Per Cent at Stockholm

STOCKHOLM, Sweden, Jan. 8 (UP)—American buyers bought 5,000 silver fox skins at auction here today at prices 40 per cent lower than last year, when the average was $19.05 per silver fox.

American buyers were interested only in the silver fox although there were blue fox and mink in the 45,000 skins which were on sale on the Stockholm auction block.

Twenty thousand silver fox, 10,000 blue fox and 13,000 mink were to be sold.

TORONTO Jan. 12—(CP)—Registering the fourth decline in succession, the Toronto stock market reflected the weakness in outside markets and also the tendency of buyers to remain on the side lines till the new war loan is out of the way. Industrials tumbled 1.10 in the index and showed individual losses up to two points while the golds dropped back .87, the base metals .40 and the western oils .30. Volume at 310,000 shares was the smallest for a full session this month.

Steels were about the weakest of the individual groups. Canadian Car and Foundry pld declined 2 1-2 and the common a point on publication of the earnings statement showing a loss for the last fiscal year. Steel of Canada weakened a point, National Steel Car 3-4 and Algoma Steel a point. Foods followed the steels downward and the utilities, papers and textiles were irregularly lower. Senior oils and banks held steady.

Base metal shares traded in small volume and losses of a point for Smelters and 1-2 for Nickel were the only adjustments in the senior group. Falconbridge dropped 25 cents and Pend Oreille 4. Sherritt closed higher. Eldorado slipped off 4 cents to 1.01.

A loss of 3-4 for Lake Shore was the main change in the senior gold list. Hollinger dropped 1-8 and Dome was steady at 29.

In moderate selling losses of 3 to 5 cents were posted by Aunor, Conlaurum, Macassa, O'Brien, Pickle Crow, Powell, Uchi, Sylvanite, Sheep Creek and Toburn. Anglo-Huronian fell back 40 cents to 2.35 and among the penny golds the tone was soft for Broulan, Francoeur, God'e Lake, Madsen and Malartic. Naybob firmed a cent to 29 1-2.

Home Oil traded in considerable volume and firmed 2 cents to 2.80. The day's high was 2.86. Okalta lost 8 cents to 1.12 and Foothills 2 cents to 85. Anglo-Canadian gained 3 cents.
