RED WINGS DEADLOCK SERIES WITH RANGERS

Detroit Shows Reversal Of Form Turning Back Manhattan Marvels 4-2

(C. P. By Guardian's Special Wire)
DETROIT, April 8.—The champion Detroit Red Wings skated back into the Stanley Cup hockey picture tonight, whipping New York's amazing Rangers 4-2 to even the best-of-five series at one victory apiece before 13,491 paid customers.
Again the speedy, smooth team that won the National Hockey League championship from Canadiens of Montreal, the Red Wings fired three goals in four and a half minutes past Davie Kerr, sensational New York netminder, in the first period. Kerr had been scored on but twice in 313 minutes of playoff hockey before tonight's game.
The defeat ended the Rangers' inspired winning streak that had given them straight-game victories over Toronto and the Montreal Maroons before they defeated Detroit 5 to 1 at New York in the final series opener Tuesday.

PENALTY PROVES COSTLY

A high stick penalty on Lynn Patrick midway of the first period started the Red Wings to victory. With the son of the Ranger manager in the box Johnny Sorrell got a freak goal with a hard drive from far out on left wing that bounced against Murray Murdoch and trickled into the nets as Herbie Lewis swung wildly at it.
The goal gave the Red Wings the lead for the first time in the series, and they immediately turned on the heat. Modere Bruneteau drove home Syd Howe's rebound at 12:07 and Johnny Gallagher added the third goal at 13:31, skating in for a hard 25-foot drive from left wing.

SPARKLING COMBINATION

Lewis, elminating a beautiful passing rush with Howe and Goodfellow, put Detroit four goals ahead midway of the second period with a sharp angle shot from left wing that found a far corner of the net, and the Red Wing scoring was over.
Detroit was forced to the defence as the Rangers rushed five men down the ice, but the poke-checking and body checking of the Red Wings at the blue line, combined with some brilliant work in the nets by Earl Robertson substituting for the injured Normie Smith, saved the game.
Babe Pratt finally broke the scoring ice for the Rangers at 15:06 of the second period with a 15 foot drive on passes from both Neil and Mac Colville, and Butch Keeling, standing at a corner of the nets, poked the puck between Robertson's skates at 18:18 on Art Coulter's rebound, to end the scoring.
The teams meet here again Sunday and Tuesday in the best-of-five series.

Athlete Signs Film Contract

NEW YORK, April 8.—(AP)—Glenn Morris, Olympic decathlon champion, world-record holder, and winner of the Sullivan Memorial Trophy as the outstanding United States amateur athlete of 1936, has signed a motion picture contract.
According to information from Hollywood, Calif., where Morris recently took a screen test for a "Tarzan" role, the Colorado all-around star, negotiated a two-year agreement with one of the leading producers.
Daniel J. Ferris, executive secretary of the Amateur Athletic Union, indicated that film work might be the Coloradoan from amateur ranks.

McGill Grads Win Opener Of Hoop Series

SAINT JOHN, N. B., April 8.—(CP)—Led by their chunky Italian-American star, Johnny Ferraro, McGill Grads took a toe-hold on the Eastern Canada senior basketball semi-finals with a 48-33 victory tonight over the Maritime Champions, Saint John Consols.
The second and deciding game will be played on the same floor Saturday, with the winners advancing to meet Windsor, Ont., in the Eastern final.
After a wobbly start Saint John took the lead but soon fell behind. Intercepting their opponent's passes and executing a swift, short-passing attack, Grads gained a point margin and thereafter were never headed.
Only once, in the second half, Saint John threatened to tie the count when Ferraro was replaced for three minutes. When he returned the score was 37-33 for Grads.
With only five minutes to go McGill began putting Saint John mostly on the defensive. Grads broke through beneath the locals' hoop in attacks netting the other 11 points while Consols appeared helpless against an opposing defence that bottled them up and took away the play.
Schuler and Hammond shared the spotlight with Ferraro. The latter's little forward mate collected 10 points and Schuler, lanky guard, shot 11. Ferraro's imposing total was 17 while Saint John's high man, George Andrews, had 12.
Only at times did Consols show their usual game and it was easy for them to run up their count with Ferraro off the floor. Wild passing and inaccurate shooting deprived the locals of many fine chances.
Councillor G. E. Barbour, representing Mayor D. L. MacLaren on behalf of the citizens welcomed the Grads to Saint John and tossed the first ball to officially open the series.
A crowd of 400 saw the Saint John team take the lead in the opening minutes of play, the Grads going steadily to the front and the Consols come within tieing distance only to lose out in the closing minutes.

Miss McInnis Captures City Championship

A large crowd took in the special 14-band skate at the Forum last night, special music being supplied by the Legion Band.
A special feature was the 1-2 mile race for the City Championship between Edna "Googs" McInnis and Annie Hennigar. These two girls battled it out for Island honors in the Championship Meet with Miss Hennigar winning, but last night the smooth-striding "Googs" turned the tables on her rival as she raced to victory over the half-mile course in the remarkably fast time of one minute, 35 and one-half seconds.

Sudbury Tigers Defeat Battleford Beavers 4-1 In Allan Cup Opener

BY LORNE BRUCE
Canadian Press Staff Writer
CALGARY, April 8.—Sudbury Tigers featured a baffling change of pace to trounce North Battleford Beavers 4-1 here tonight in the first game of the best-of-five Allan Cup hockey finals.
Bewildering the North Battleford defence as they mixed up blazing drives from the blue line with short-passing sorties that finished in front of the goalmouth, the classy Eastern Canada champions scored the only goal of the first period, added three more in the second and laid down a tight defence in the third to coast to victory.
Close to 5,000 fans watching the first Canadian senior final contest ever played in Calgary saw the great Sudbury machine allow only one goal to a hockey outfit noted for high scoring. That tally came at the three-quarter mark of the third period from the stick of Joe Schwab, Beaver utility man.
Speedy Jules Cholette opened the scoring with a scorching drive from the blue line in the first period. Then in the second session Tigers' drive really got going and Hill, Haslie and Cholette pumped in goals.
North Battleford sent every man up the ice but their goaler in a hectic third period, but Schwab's shot on Burke's rebound was the best they could do.

Canucks Defeat All Stars In Exhibition Game 6-4

(C. P. By Guardian's Special Wire)
SYDNEY, N. S., April 8.—Montreal Canadiens defeated All-Stars 6-4 here tonight in the opening game of a post hockey season trip to Cape Breton Island. All-Stars are built around Canadiens utility players and men drawn from New Haven Eagles of the International-American League.
Four goals in the final period enabled the Canadiens, ousted from National Hockey League playoffs by Detroit's Red Wings, to earn the victory.
The teams battled to a 1-1 score in the opening period as Gagnon and Lepine countered but All Stars jumped ahead in the second with goals by Goupille and Lepine against a single tally by Babe Siebert.
Gagnon, Haynes and Brown countered for Canadiens in the first nine minutes of the third, all on individual efforts. Mondou cut the margin to a single goal a minute later but Mantha made sure of the game with the sixth score five seconds before the bell.
There was no heavy checking but the Cape Breton fans who saw the game liked the smooth teamwork and speed of the "big time" players. It was the first time a National League team had ever played in Sydney.
Second game of the series will be played here tomorrow night. Canadiens also will play at Charlottetown, it was announced.
Lineups:—
Canadiens: Goal, Cude; defence, Siebert, Buswell; forwards, Haynes, Mantha, Gagnon, Leduc, Lorrain, Brown.
All Stars: Goal, McCormick; defence, Miller, McKenzie; forwards, Lepine, Blake, Deslites, Mondou, Goupille, Drouin.
Referees: Kenzie MacNeil of Sydney, Allie MacSween, Sydney.

Orioles Are Strengthened Team, Report

(By C. M. Gibbs The Baltimore Sun)
WINTER GARDEN, Fla., April 8.—Potentially Baltimore Orioles under the management of Guy Sturdy, are a powerful club, a team of fair defensive strength and a mound staff that sizes up nicely. It is a team that will probably go far or flop with a vengeance.
In the outfield there is Ab Wright in left, big Ed Remorenko or Woodley Abernathy in centre, and George Pucinelli in right. Three of them at least are proven hitters. Remorenko is a rookie.
For the infield, Leslie Powers at first base, hit .354 for the flock last year.
Roy Schalk is set as the Birds' regular second-baseman. He is a good defensive player and an effective hitter as his lifetime mark of .303 attests.
Little Red Hoffner and Lyle Judy have been fighting it out for the shortstop post with Hoffner apparently holding the inside track. He's not much of a hitter but his fielding is superb.
Smoney Joe Martin at third can be a front rank player, a hard fighter who hates to lose. Hal King is another of the Orioles' infield list.
Back of the plate, George Savino and Milton Gray will share the work.
The mound staff of Harold Vandenberg, Harry Matzuak, Dusty Rhodes, Leon Chagnon, Bill Lohman, Jim Bivin and Leon Pettit should be adequate.

Rangers "On The Run" Says Jack Adams

(By Allan Nickelson, Canadian Press Staff Writer)
DETROIT, April 8.—Butt of a cigar in his smiling mouth, pudgy Jack Adams called into the Detroit Red Wing dressing room at the head of his victorious team, yelled "they're down to their own level now," and plumped himself on a trunk.
"We got 'em on the run," he said to anyone and everyone. "Those red hot rookie Rangers are a bunch of green peppers now. Four goals to two and we outplayed them all the way."
Normie Smith, forced out of the Detroit nets through an aching arm, ran to Earl Robertson, his successor for this game at least, hugged him mightily and posed for pictures with his smiling face close to Robertson's perspiring head.
"You were great, kid," he said.
Goal-notchers Johnny Sorrell, Mud Bruneteau, Johnny Gallagher and Herbie Lewis, posed for pictures grouped and singly, chewing an orange and puffing cigarettes.
"Owner James Norris, Sr., with visions of a second successive Stanley Cup, bustled wide-eyed into the dressing room, made straight for the orange bowl and beamed at his warriors.
"We got 'em now," he said. "Nice going boys."
In the New York Ranger room Lester Patrick voiced fears that Heller, Kitchener defenceman, and rookie Alex Shibecky had suffered slight head concussions.
"We'll take them to hospital in the morning to make sure, anyway," he said.
Shibecky went off in a dazed condition at the start of the second period after being dropped with a terrific body check by big Bucko McDonald.
Heller fell to the ice after being struck accidentally with a stick with eight minutes of play remaining.
"They pounded hell out of us," "Butch" Keding said. "They were better than we were tonight."
"We'll get 'em," handsome Lynn Patrick yelled across to Butch. Smiling Ching Johnson, finishing up 20 years at the blue line, said nothing, but gurgled over a bottle of beer.
"They got the breaks," the silver haired Patrick said, "but we're still hot and its going to be a tough series."

Montreal Canadiens To Show Their Wares At Forum On Monday Night

Montreal Canadiens, surprise team of this year's National Hockey League schedule and runners-up for the title will show their wares in Charlottetown Monday night next. Such was the good news conveyed by Manager Archer of the Forum last night when, after days of negotiations, he made certain of the colorful French Canadian team's appearance here after a telephone conversation with Manager Cecil Hart.
Monday night it will be a treat for local fans and will furnish a bright closing to what otherwise has been a colorless local hockey season. All season the name of Canadiens have been on the tongue of all hockey followers. Their meteoric rise to the top of their section in league games increased their following more than ever and then the unexpected, sudden death of Howie Morenz added interest in the team more than ever before; an that is the squad that will be seen in action Monday night.
It won't be any poked-up band of hockeyists that will wear the Canadiens' livery. The team will be there intact. Cude, Siebert, Gagnon, Buswell, Lepine, not forgetting Deslites and Bill Miller, players whose exploits have been blasted to by means of radio all winter will be there Monday night, a person to display their wares before Island hockey followers.
The squad will be divided into
