STANTON'S PAIN RELIEF,
A FAMILY REMEDY FOR INTERNAL AND EXTERNAL USE

INFORMATION ON CANADA'S FISHERIES

Compiled From the Annual Report of the Dept. of Fisheries--The Yield in the Maritime Provinces--The Dogfish Nuisance--The Amount Received in Bounties.

OTTAWA, April 2.—The annual report of the Fisheries Department for 1905 has been presented to Parliament. A glance at the brief reports from the different parts of the Dominion shows that the fishing season just closed in December last, will even surpass the previous one. The aggregate value of the fisheries for the season of 1905 will probably be the highest ever published in the fisheries reports.

In the Maritime Provinces while the yield of the cod family might not attain that of 1904, the high prices now received, especially for cod, will more than compensate for the shortage in the mid-summer catch of that staple fish. Mackerel was late in coming to our coasts, and few were captured. The Bay of Fundy herring were as abundant as in 1904. The lobster pack will be an average one.

The dogfish nuisance is now being transformed into a source of revenue. Reduction works have been established on the coast to convert this pest into saleable products.

The Lunenburg County Fishing Fleet (The Gloucester of Canada) numbering about 150 vessels did not fare as well as last year, on the Grand Banks, showing a shortage of over two million pounds of deep sea fish.

Manitoba and other Western districts will maintain as good catches as last year. British Columbia, especially the Fraser River Districts, will show one of the largest salmon packs in record. The halibut industry was also very profitable. One may judge of its extent, when over \$300,000 was paid for its railway transportation alone.

During 1905 the sea fishermen of the Maritime Provinces received the sum of \$157,228 in bounties. The owners and crews of the 854 fishing vessels received \$70,113, or nearly half of the above total

amount, while the balance \$87,114 was distributed amongst 20,078 boat shore fishermen. To cover these amounts necessitated the payment of no less than 12,971 claims. Eighty claims were refused payment as being fraudulent. For the past season the Province of Nova Scotia received nearly double the amount of bounty paid to all the other Provinces viz \$99,238; Quebec \$33,651, New Brunswick; \$15,110, and Prince Edward Island, \$9,170. Since its inception (1882) the sum of \$3,632,138 has been distributed amongst the fishermen of the above named Provinces.

PREMIER WITTE HAS RESIGNED

St. PETERSBURG, April 2.—Since the sitting of the Council of the Empire, March 19, at which Premier Witte made an enigmatical statement, which was interpreted by many members of the council as a virtual declaration that his career as premier was ended and that he would be succeeded by Privy Councillor Kokovoff former minister of finance, the premier has not attended the sessions of the council and his continued absence adds color to the rumors of his retirement at an early date. The Associated Press is positively informed that the premier's resignation, based on the grounds of ill health, is before the emperor.

S. Eggleston of Maple Landing, Iowa. "Knees and joints aching, muscles sore, head stopped; up, eyes and nose running, with alternate spells of chills and fever. We began using Chamberlain's Cough Remedy, aiding the same with a double dose of Chamberlain's Stomach and Liver Tablets, and by its liberal use soon completely knocked out the grip." A LORD WHO LOVED A J. KE

LONDON, April 2.—Lord Carrington, who is a bright speaker, tells a good story on himself. When after his appointment as governor of New South Wales, in 1881, he made his first official appearance at a dinner in Sydney, he made an exceptionally good little speech in reply to the toast of his health. It was a short, witty speech, but it was not to the liking of some nobody near him, and a very audible "aside" found its way to the governor's ears: "Thank goodness, he can't speak!"

A SPRING TONIC.

Weak, Tired and Depressed People Need a Tonic at This Season to Put the Blood Right.

Spring blood is bad blood. Indoor life during the winter months is responsible for weak, watery, impure blood. You need a tonic to build up the blood in the spring just as much as a tree needs new sap to give it vitality for the summer. In the spring the bad blood shows itself in many ways. In some it breeds pimples and eruptions. In others it may be through occasional headaches, a variable appetite, perhaps twinges of neuralgia, or rheumatism, or a lazy feeling in the morning and a desire to avoid exertion. For these spring ailments it is a tonic you need, and the greatest blood-making, health-giving tonic in all the world is Dr. Williams' Pink Pills. Every dose helps to make new, rich, red, health-giving blood, which reaches every nerve and every organ in the body bringing health, strength and energy to weak, despondent, ailing men and women. Here is proof, Mrs. C. Blackburn, Aylesford Station, N. S. says: "For the past ten years Dr. Williams' Pink Pills is the only medicine I have taken when I found I needed a medicine. Last spring I was feeling poorly, was weak, easily tired and depressed. I got three boxes and they made me feel like a new person. These pills are the best medicine I know of when the blood is out of order. Thousands of people not actually sick need a tonic in the spring, and to all these a box or two of Dr. Williams' Pink Pills will bring new energy and new strength. To those who may be more seriously ailing, who are suffering from any of the ailments due to bad blood—a fair treatment with these pills will bring new health and vitality. You can get these Pills from any medicine dealer or by mail from Dr. Williams' Medicine Co., Brockville, Ont., at 50 cents a box or six boxes for \$2.50.

DON'T BE LATE.

"Friends in this world of trouble And work, and sudden end; If a thought comes quickly of doing A kindness to a friend, Do it this very minute, Don't put it off—Don't wait—What's the good of doing a kindness If you do it a day too late?"

Caught Cold While Hunting A Burglar.

Mr. Wm. Thos. Lanorgan, provincial Constable at Chapleau, Ontario, says: "I caught a severe cold while hunting a burglar in the forest swamp last fall. Hearing of Chamberlain's Cough Remedy, I tried it, and after using two small bottles, I was completely cured." This remedy is intended especially for coughs and colds. It will loosen and relieve a severe cold in less time than by any other treatment and is a favorite wherever its superior excellence has become known. For sale by all druggists.
