

THURSDAY

ACKNOWLEDGED WITH THANKS.—Mrs. (Dr.) Bagnall received a letter yesterday from Capt. Stanley Bagnall of the 8th Siege Battery acknowledging receipt of four parcels of socks, about eighty pairs recently forwarded for the members of the Battery by the 8th Canadian Siege Battery Auxiliary. Many of the mothers of the boys outside of Charlottetown are members of the Auxiliary and helped very generously in providing these comforts.

FUNERAL SERVICE.—The funeral of the late Mr. Albert Gaudet was held on Monday from his late residence on Water Street, West to the R. C. Cemetery. A large concourse of sorrowing friends followed the remains to their last resting place. The funeral services being conducted by the Rev. J. C. McLean. The pall bearers were Messrs. Clovis Richard, Stephen Gaudet, Joseph Gillis, Joseph LeClair, Henry Perry and Joseph McDonald.—11.

FUNERAL OF MRS. WALKER.—The funeral of the late Mrs. Alex. Walker took place on Saturday the 5th of May. Mrs. Walker was the daughter of Mr. James Maher of Montague and was married to Alex. Walker son of the late Capt. Walker of Georgetown. She leaves a husband and five small children to mourn her loss. There was a large attendance at the funeral. The service was conducted by the Rev. David Wright assisted by the Presbyterian Choir. The interment was in Georgetown.—B.

ACCIDENT TO MR. REID.—There was nearly a serious accident last Thursday at Victoria Cross. It seems that Mr. David Reid had out his magnificent stud horse in the yard. There was no other present save Mr. Wm. McDonald, with his mare from Panmure Island. Mr. Reid twice jerked the chain by which he was leading the stallion. This seemed to irritate the animal and he suddenly turned upon Mr. Reid and succeeded in forcing him into a corner, where Mr. Reid fell. The horse was at the time standing on his leg and striving to bite him. Had it not been for the coolness and presence of mind of Mr. McDonald it would have gone ill with Mr. Reid. The horse probably would have killed him. As it was Mr. McDonald succeeded in beating the horse back and Mr. Reid arose to his feet and led the horse to his stall, where he tied him. Mr. Reid sustained a good many bruises. So far as is known his wounds were all surface wounds. He was up and dressed and going about the house on Saturday. It is thought that a few days will see him as well as ever.—B.

EASTERN ROUTE.—Passengers from Pictou and other eastern Nova Scotia ports are now availing themselves of the services of the steamer Enterprise which plies three times a week between Pictou and Georgetown, Murray Harbour and Montague. A number of commercial men came across by that route yesterday arriving in Charlottetown by the regular train.

SUCCESSFUL BRIDE AND DANCE.—The bride and dance given by the Devonshire Club in aid of the Belgian Relief Fund in Prince of Wales College Hall on Tuesday night was a decided success both socially and financially and reflected much credit on the Committee in charge. The floor of the large hall was ideal for dancing and beautiful music was furnished by Miss Blanchard. The bride which preceded the dancing was heartily enjoyed, the prizes being awarded as follows:—Ladies, Mrs. Bethick, Mrs. Harry Miller and Mrs. Jamieson; Gentlemen, Mr. C. D. McCullum, Mr. John McPhee and Dr. Dewar. Plain but delectable refreshments were served.

SUDDEN DEATH OF YOUNG LADY.—The remains of Miss Mary E. McMasters, who died very suddenly in Fredericton, N. B., of meningitis, arrived in Charlottetown by the express on Tuesday night and was conveyed by the afternoon train to her former home in Montague, for interment. The Rev. Mr. Hubley and St. Andrew's Church Choir assisted the Minister, Mrs. Johnstone. She was born in Orwell 86 years ago, she was married in 1854 to David B. S. Johnstone of Cumberland Hill, Dundas. Mrs. Johnstone's father-in-law was a Sergeant in the 6th Highland Regiment the 42nd or "forty-two." He fought at Waterloo and his sword is in possession of his grandson, Wellington Johnstone of Montague. Mrs. Johnstone and her husband, who predeceased her by about 20 years, came to Montague about 50 years ago and located at the end of Montague Street. Her family has a notable mark for nearly half a century. There were ten children Mrs. Dr. Ellis, deceased; Mrs. John Melish of Montague; William J. of Salem, Oregon; Dr. Barclay Johnstone, deceased, Minn. W. F. deceased; Mrs. B. F. Steyer, Charlottetown; Wellington and a girl who died in infancy. She was twice in the Yukon. There are three grandsons at the front. One has given his life and now sleeps in a little cemetery in Belgium. She was the oldest in business in Montague. Her dear and kindly face will be greatly missed. Hers was a beautiful and consistent Christian life. Her presence was a blessing from the Church, for white she she was always there.—B.

SERVICES APPRECIATED.—A pleasant event took place at the home of Mr. and Mrs. Pearly Drake on Wednesday evening the 2nd inst. when a number of the ladies of the Red Cross Society of Vernon assembled there, upon invitation of Mrs. Drake a worthy member of the Red Cross Society, the object being to give expression of their gratitude and hearty appreciation of the services so cheerfully rendered by Miss Lottie Jackson as musical instructor of the school children previous to and on the evening of the entertainment held in Vernon Hall. A suitable address was read by the Pres. Mrs. W. G. MacDonald and the presentation of a beautiful gold mounted pin was made by Miss Lena Drake. Miss Jackson thought it a surprise and expressed her appreciation of the kindness of the ladies of the Red Cross Society. The guests then repaired to the dining room where a dainty lunch was served in Mrs. Drake's inimitable style. The company retired about midnight but not before tendering a hearty vote of thanks to their amiable hostess and resolving to continue the worthy cause of helping our boys in France.

FRIDAY

NOT DEAD BUT VERY ILL.—As has been previously reported in the "Examiner," Mr. Claude Arsenault received a few days ago a telegram, which as it was understood, informed him of the death of his son Hermie in an Hospital. But as the words "was not clear," Mr. Arsenault thought it advisable to write for further details. Shortly after he received a telegram telling him that his son Hermie was gravely ill in the hospital.—M.

SERIOUSLY WOUNDED.—Mr. Leon J. Arsenault received a few days ago the unpleasant tidings, that his son Aubin was in the hospital seriously wounded. The wound is in the left arm and leg and will keep him laid up for weeks, according to a doctor who visited this brave soldier. The doctor seems to have taken a great liking to this young man and manifested great interest in his behalf. He informed his parents that he would soon write to them again about the condition of their son. Though seriously wounded, Mr. Arsenault has been able to write several short letters home himself. His many friends will await with anxiety further news.—M.

DENNIS-FLETCHER WEDDING.—An interesting ceremony took place in St. John Monday evening, when Charles Cuthbert Dennis, of Halifax, son of Rev. John W. Dennis, of Chambly in Victoria, P. E. I., was united in marriage to Miss Faustina Lissac, daughter of the late Charles Pope Fletcher, of Charlottetown (P. E. I.). Owing to the recent death of the bride's father and the fact that her brothers are at the front, the ceremony, which was performed by Rev. W. H. Barraclough, pastor of Centenary church, was a quiet one. Mr. and Mrs. Dennis will leave in a few days for St. Stephen, where they will make their home in future. While in St. John they are at the Dufferin hotel.

SHE SAW JOFFRE.—A young Charlottetown lady, at present in Montreal, in a letter to a friend in this city, gives some idea of the enthusiasm with which General Joffre was received in that city last Sunday. She says, in part: "This is a big day in Montreal. We thought we had a big time at the celebration of the Battle of Ypres, but it was nothing to the reception they gave General Joffre. He came in on the 11 o'clock train and Peel Street and the squares were packed solidly with people. We got as far down as the Windsor Hotel, and could hear the cheering and see the tops of the helmets of the guards as they came along. Then we 'shinned' through the crowd up to Sherbrooke Street and stayed there till they passed by. We were determined to see him, and we did, too, twice, right up close. He is certainly great. One man had a large bouquet of red roses and he ran right on under the noses of the Guards' horses, gave them to the General and came back shouting 'I touched him anyway.' After they had passed an old truckman said to me, 'Did you see Joffre?' and when I said yes and asked him if he had seen him, the tears actually rolled down his cheeks, as he said sadly, 'No, I was too far away,' and the poor old soul was not more than three feet from him. A major, one of the original Princess Pals, was taken from the Royal Victoria Hospital in an ambulance to see the General. The great Joffre went over and saluted him. It was fine."

Baby's Own Tablets Of Great Value Mrs. J. A. Lagace, Ste. Perpetue, Que., writes:—"Baby's Own Tablets have been of great value to me and I would strongly recommend them to other mothers." Thousands of other mothers say the same thing. They have become convinced through actual use of the Tablets that nothing can equal them in regulating the bowels and stomach; driving out constipation and indigestion; breaking up colds and simple fevers; expelling worms and curing colic. The Tablets are sold by medicine dealers or by mail at 25 cents a box from Dr. Williams' Medicine Co., Brockville, Ont.

holders," said Mr. Muzzy, "it would mean that the industry would be looked on by outsiders in a better light than it is today." This is but one example of what can be done if the business is properly handled.

CAPT. REID IN COMMAND.—Captain John Reid has resumed command of the C. S. Stanley. Since he was last at the helm of the Stanley, Captain Reid has done some travelling, making a trip around the world three, and delivering each time a Canadian ice-breaker to the Russian Government. First he took the Earl Gray across to Archangel, then the Minto and later the J. D. Ingham, returning home he always travelled by rail across Siberia. Via Vladivostok, then by steamer to Vancouver and home by the C. P. R.

FUNERAL SERVICES.—The funeral of the late Mrs. David B. S. Johnstone took place on Monday, May 7th at 10 o'clock. The attendance was large for Mrs. Johnstone was perhaps the oldest resident in Montague and all felt that it was the passing away of one who had been in the village before most of them were born. The service was conducted by the Rev. David Wright, Minister of St. Andrew's Church of which Mrs. Johnstone was a devoted member and a regular attendant. The Rev. Mr. Hubley and St. Andrew's Church Choir assisted the Minister, Mrs. Johnstone. She was born in Orwell 86 years ago, she was married in 1854 to David B. S. Johnstone of Cumberland Hill, Dundas. Mrs. Johnstone's father-in-law was a Sergeant in the 6th Highland Regiment the 42nd or "forty-two." He fought at Waterloo and his sword is in possession of his grandson, Wellington Johnstone of Montague. Mrs. Johnstone and her husband, who predeceased her by about 20 years, came to Montague about 50 years ago and located at the end of Montague Street. Her family has a notable mark for nearly half a century. There were ten children Mrs. Dr. Ellis, deceased; Mrs. John Melish of Montague; William J. of Salem, Oregon; Dr. Barclay Johnstone, deceased, Minn. W. F. deceased; Mrs. B. F. Hers was a beautiful and consistent Christian life. Her presence was a blessing from the Church, for white she she was always there.—B.

NAME CHANGED.—The many friends here of Mr. and Mrs. M. A. Kaizer, of Halifax, N. S., will be interested to learn that they have changed their name to Kindred. Mr. Kaizer claims that he has not even one German ancestor to justify the name. Mr. and Mrs. Kindred are being congratulated on the change.

THE LATEST RECRUIT.—Mr. Walter Brady, youngest son of the late Sergeant Benjamin P. Brady has enlisted for overseas in the 105th Battalion Draft. His family has a notable military record, two of Private Brady's brothers being at present on overseas service, while another, the late William Brady gave his life for his country.

HOTEL CHANGE.—Mr. Charles C. Dennis, who has been a member of the staff of the Queen hotel, Halifax is in St. John on his way to St. Stephen, where he will assume the management of the Queen hotel there. Mr. W. M. Monbouquette, who has been managing the hotel to which Mr. Dennis goes, has gone to Halifax to become manager of the Queen hotel in that city.

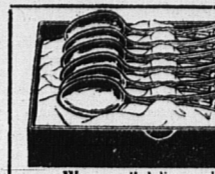

RECEIVED COMMISSION.—Mr. E. H. Dewar, of Fortune Cove, is in receipt of the notice of the appointment of his son, Robert, as Lieutenant. Lieut. Dewar enlisted as a private at the outbreak of the war and saw fifteen months active service in France and Belgium, winning his sergeant stripes on the field. While acting in this capacity he was severely wounded, and has since been convalescing in England. On his return to duty he qualified as Lieutenant and when last heard from was on leave preparatory to returning to France.

INTERESTING VISITOR.—Private Charles Hebert, of Dorchester, N.B., returned soldier, who was wounded in the Third Battle of Ypres, on June 13th, 1916, has arrived in the city on a visit to his aunt, Mrs. Frank Longbrun, King Street. Private Hebert enlisted in the 55th Battalion and was afterwards drafted into the 58th. At Ypres he was blown up by a shell, and his leg broken above the ankle. He went the usual round of the hospitals and arrived at his home in Dorchester on January 23rd. He spent three months altogether at the front before he was put out of commission.

CONGRATULATIONS.—The Guardian in common with many friends throughout the Province heartily congratulated its evening contemporary the Examiner which, yesterday entered upon its forty-first year as a daily newspaper. It may be noted that the Examiner was the first Prince Edward Island newspaper to undertake daily publication, it having during the previous thirty years been issued once a week. Like all other new ventures the "extravagance" of a daily issue was looked upon by the wise men of the day as a certain precursor to ruin and the prophets gave the new daily three months to live. It has lived, as already stated, forty years and enters upon its forty-first year with no symptoms of senility or decadence. Few newspapers have a better history and although not so large as many that are larger, its record as an advocate of those things that are of good repute is clean and praiseworthy.

LETTER FROM WOUNDED SOLDIER.—Mr. Joseph Gaudet, City received a letter yesterday from his brother Corporal Lawrence S. Gaudet who it will be remembered was reported wounded about two weeks ago. Corporal Gaudet says he was wounded in the finger of the left hand at the Battle of Arras on April 24th and is now in an English Hospital, getting along fine and being splendidly treated by the nurses who, he says, are exceedingly kind to him. He expects to return to the front in the course of six weeks or two months.

Mr. Arsenault invited his friends to his home to enjoy in a manner appropriate to the occasion. Music, instrumental and vocal, formed the principal feature of the evening's enjoyment, selections on the organ being played by the Misses Josephine Gallant, Rosella Arsenault and Marie Richard. Scenics were furnished by Messrs. Guillemme Arsenault and Joseph J. Arsenault, besides those given by the ladies. Candy and other refreshments were passed around at intervals. Lunch was served in all its delicacies, during the evening, after which the guests dispersed wishing Mr. Arsenault a happy and joyful journey across.—R.

Yesterday the members of the Charlottetown Labor Union again "went on strike," refusing to load cargo on the S. S. Aramure. They were to have started work at 7 a. m. The only reason given is that they object to working with Mr. W. B. Monteith, shed foreman and time-keeper, and they ask for his removal, as they claim he is "an enemy." They positively refused to work under his direction. The President of the Union and two other members, along with Messrs. E. Alken, S. H. Buntain and H. V. Buntain, members of the Board of Trade were in consultation with Superintendent Grady of the P.E.I.R. yesterday in order to arrive at the cause of the trouble. The Union men were asked by Mr. Grady to name a definite charge that could be brought against Mr. Monteith but failed to do so. They declared that at a largely attended meeting of the Union they had decided not to work at any Government boat while he held his present position and that they intended to stand by a resolution to that effect which they had passed at the said meeting.

As he could not see his way to comply with such a request, his way of stronger ground than this, Mr. Monteith being regarded by the railway management as a very efficient man in his position, Mr. Grady says he would send the boats to Georgetown, or leave them tied up at the wharf. The result was that yesterday afternoon a train with twenty cars, loaded with freight for the Mainland was despatched to Georgetown and the Car ferry steamer, leaving Pictou at 4 p. m., instead of heading for Charlottetown proceeded to the King's County capital. The steamer arrived at Georgetown about 7 o'clock and the train which went there in the afternoon returned to Charlottetown last night with passengers who came over with the steamer. Another special train to connect with the steam-
