Miss White Now Eats Anything
FOUR YEARS OF INDIGESTION ENTIRELY RELIEVED BY TANLAC, SHE STATES.
"I have never found any medicine to equal Tanlac, and I would like everybody to know what a blessing it has been to me," said Miss Lillie White, of 114 Charlotte St., St. John, N. B.
"I simply can't tell all I've suffered on account of indigestion during the last four years. Why, I couldn't even eat the lightest of foods without having terrible pains afterwards, and for hours after every meal I was bothered so much with gas that I was in perfect misery.
"I never ate anything for breakfast, and very little at other times because of what I knew I would suffer afterwards. My sleep at night never seemed to do me any good, and I always woke up with a bad taste in my mouth. I had headaches that made me feel like I wanted to scream and at times became so dizzy I had to lie down to keep from falling.
"I shall always be grateful to the friend who advised me to try Tanlac, for today I am like a different woman entirely. My digestion has so improved that I can eat anything I want and don't know what it is to suffer from pains in my stomach or gas. The very first bottle did me a world of good and I have improved right along with every bottle I have taken since.
"I never have a touch of headache or dizziness now, sleep well at night, and get up in the morning feeling rested and refreshed. I have gained fully ten pounds in weight and just feel as strong and well as can be. My mother has also been taking Tanlac with splendid results and we both think there's nothing like it."
Tanlac is sold in Charlottetown by Reddin Bros., in Montague by H. J. Mabon, J. P. White, Murray River, H. M. Chisholm, North Tryon, R. H. Cameron & Co., Crapaud and H. P. Coohon, Murray Harbor.
