LOCAL BRIEFS

THE cruisers Acadia and La Canadienne are at present in Picton harbor.

THE steamer Jacques Cartier did not return from Orwell until late yesterday afternoon, owing to the high wind and heavy sea.

THE S.S. Princess arrived in port at 6.30 yesterday evening. She had a rough passage going over but arrived in Picton on time.

O. Y. B.—The new annual will arrive shortly. All in arrears will please pay up at to-night's meeting. Every member wishing to receive the annual will please be present to-night at Mechanics' Hall.

AFTER the unpleasant weather this week there is every prospect of pleasant weather next and every one should attend the races at the Charlottetown Driving Park with his sister and his cousin and his aunt, on Thursday next.

THE steamer Brant got as far as De Sable Wednesday afternoon. The weather being very rough Captain McKinnon decided to go to Picton, where he arrived at eleven o'clock Wednesday night. They report a rough time. Mr. A. Lord is aboard.

A LADY arrived by the Princess last night who expected to get a steamer sailing to Cheticamp. When she arrived on the pier she was not able to make her wants known, owing to the fact that she could not speak English. A gentleman standing near by who could speak French told her that she had made a mistake. She said that a hotel keeper in Picton informed her that the S. S. Princess was the boat to take her to her destination. She will return this morning to Picton.

THE S. S. Halifax Capt. Pye, arrived in port at 8 o'clock last night. The following was her passenger list: C. S. Grant wife and son, Miss Bowers, Miss Bowers, Miss Marvin, Roger J. Scannel, Stanford McEwan, H. K. Hickey, B. F. Sargent, Miss W. A. Dickerson, Miss E. P. Dennis, S. S. Gould, J. B. Bailey, A. S. French, A. Withworth, H. K. Gates, Mrs. A. E. Todd, Miss A. E. THE following amounts have been received for Building Fund of New Hospital:—

J. S. Hinton, Summerside.	10.00
Mrs. Judge Fitzgerald, net proceeds of Concert in Kindergarten Hall	5 9 66

THE arrival of the S. S. Halifax in port at 8 o'clock last night was a surprise to many of our citizens as she was reported several hours late. Capt. Pye says that the sea was running mountains high when he came around Cape George. Strange to say only even of the passengers "were under the weather."

ON Wednesday, Aug. 30th, a bottle was picked up on the beach at Grand Entry, Magdalen Islands. The bottle was corked and in it was enclosed a slip of paper containing the following information:—Pearl Reef, Aug 20, '99. The schooner Peter Mitchell is sinking—water gaining fast, no hope—blowing a gale, southwest, made Grand Entry—had to haul off—This vessel was fishing at M. I. She is owned at Port Mulgrave, Capt. Power, master, and had a crew of four men.

THE regular monthly meeting of the Hillsboro Boating Club was held last night. It was decided to tear down the old boat house and erect a new and larger building on the old site.—The club consists of some thirty five members and they deserve a lot of credit for the undertaking.—It is a pity that more rest is not taken in boating. This town can send a team of athletes away and beat other towns like St. John and Halifax in all athletic events as was done at Moncton last Saturday and we think that with a little training and the facilities there are for aquatic sports here that there are men in this town who can go up against men of the older provinces and beat them too.

A PARTY of 28 excursionists under the management of Thos. H. Durning, of Lowell, Mass., arrived in the city last night by the S. S. Halifax. The following is the party:—Chas. A. Grant, Mrs. Watson A. Dickenson, Mr. B. F. Sargent, Jam's P. Roberts, Miss Mary D. Strobel, Henry K. Gates, of Lowell; Mrs. Chas. H. Andrews, Mrs. Geo. F. Wood, Miss Anna E. Watson, Mr and Mrs. John B. Bailey, of Andover; Mrs. E. P. Dennis, Mr. A. F. French and wife, E. W. Boutwell, Andover, Mass.; Mrs. E. A. Ladd, Proprietor Ladd, Hotel Lowell; Geo. E. Pierce, A. G. Boynton, Hugh Cameron, Geo. E. Bennett, Tewksbury, Mass.; Sumner S. Gould, Manager Lowell Card Co., Mrs. S. S. Gould, Miss Roberta, Kent Sharp, of the Lowell General Hospital. The party will take breakfast at the Davies this morning.

PERSONAL MENTION.

Mr. W. G. Tait returned to Picton yesterday.

Mr. E. T. Higgs returned from Halifax yesterday evening.

Miss Maud Crawford leaves by the S. S. Halifax today for Boston.

Dr. and Mrs. Barret left yesterday morning on return to Yarmouth, N. S.

Mr. James P. Roberts Chief Engineer of the Appleton Manufacturing Co., Lowell, is in the city.

Rev. William Dobson has been invited to Grafton St church for a fifth year, and has accepted—Wesleyan.

Mr. Chas. A. Grant, Lowell, Treasurer of the Erie Telephone Co. of New England is in the city. He is accompanied by his wife and child.

Mr. H. K. Gates, General manager and treasurer of the William Kittredge Coal Co. Lowell, Mass., arrived in the city last night by the Halifax.

Miss Russell left yesterday morning by the Princess en route to Annapolis, N. S. where she will visit Dr. and Mrs. Bayfield. From Annapolis she proceeds to Ottawa where she will remain.

Mr. Howard K. Dutcher is not returning to McGill this year but intends to remain over in England through the winter to take a course in Science at Queens College, Manchester.

Mr. C. Blenkhorn returned to Charlottetown yesterday from the Magdalen Islands. Mr. Blenkhorn left Picton on the S. S. Lunenburg Wednesday afternoon for the Magdalen's and reports a very rough passage.

Mr. Thos. H. Durning of the Lowell Mail arrived in the city last night by the S. S. Halifax. Mr. Durning is manager for a party of twenty eight. He reports a very pleasant passage to Hawkesbury but considered it rather rough after leaving Hawkesbury.

Avon Saxon's Concert.

A delightful evening despite the keen disappointment caused by Mr. Saxon's inability on account of extreme hoarseness to carry out his share of the program. Early in the concert Mr. Saxon expressed his regret that he would be unable to give the numbers announced for him and the sympathy of the audience was in evidence. It was obviously difficult for him to speak and it must have been an effort to sing the two songs and the ensemble numbers.

His method is above criticism, his enunciation perfectly clear, the mobility of his features enhances the dramatic effect of his singing. He is ably seconded by his wife who has a fine soprano voice, rich in quality and of good compass.

The Cavatina from Les Huguenots was a magnificent effect and was rapturously encored. Mrs. Saxon kindly responded to her numerous encores. More finished ensemble singing than in the numbers with Mr. Saxon it would be hard to find.

Prof. Vainocombe contributed two very tasteful violin solos accompanied by his daughter, both of which were encored.

Mrs. Kearney played her piano solo and accompanied excellently. The audience not large in number, was large in enthusiasm.

We Manufacture

A Baking Powder that is equal in every respect to any Baking Powder made any place, or sold at any price.

This is a pretty big claim, but experience proves it.

If you use the purest ingredients mixed thoroughly in the proper proportions, it doesn't make it any better to call it by a fancy name, and charge 50c. or 38c. a pound for it.

Our Baking Powder has all the above with the exception of the fancy name and the high price.

25c. a pound gives us a living profit, and we are satisfied.

Colored Shirts for Boys

Not a little wee chap—nor a young man—just for a boy. These are just in fresh from the factory.

They're made in the same way as the shirts the boy's particular big brother wears.

They're soft, buttoned fronts. They have cuffs attached to sleeves. They have a starched neck band. They're of a fine grade of washing cotton, in very pretty plaids, not loud, just stylish and correct. They're 80c each. And they're worth it.
