

CHILDREN'S COUGHS

What Every Mother Should Know.

Doctors declare that cough-cures containing opium, morphine, or paregoric should never be given to children, save under medical directions. Most cough mixtures contain those things; Veno's Lightning Cough Cure does not. Veno's is guaranteed poison-free, and the ideal children's cough remedy. All kinds of children's coughs yield to Veno's—even whooping cough, however violent.

Awarded Grand Prix and Gold Medal, International Health Exhibition, Paris, 1910.

Ask your English, Scotch, Irish, Welsh friends about Veno's Lightning Cough Cure. They know Veno's is a British remedy, made in Britain by British capital and labour, and used wherever the grand old British flag flies. Give it your children, take it yourself; it is the remedy for—

N MEMORIAM

MR. JOHN S. McMURDO.

Mr. John S. McMurdo of Kelvin passed away on April 24th at the age of 56. He was esteemed by his neighbors as a man of strictest honesty and he bore his long and trying illness with Christian patience and fortitude. His death makes the first break in the family of the late Archibald McMurdo the youngest of whom now is 54 years of age. The survivors are Albert of California, Thomas and James of Bedouque, William and David of Summerside, Mrs. Peter Sinclair and Mrs. William Walker.

MRS. JOHN McPHAIL.

A busy and useful life came to a close yesterday morning when Mrs. McPhail, widow of Mr. John McPhail, carriage builder of Kent Street, passed away at the ripe age of 83 years. The deceased, formerly Miss Sophia McNeill was a life long resident of Charlottetown and throughout her whole life was an active worker in the church and the community, where her ready helpfulness and charity were proverbial.

AGED GRANDMOTHER

SO WEAK SHE COULD HARDLY STAND—MADE STRONG BY VINOL.

Right here in Charlottetown we have seen such excellent results from Vinol that it is a pleasure to know it is doing so much good for old people in other parts of the country.

Woodbridge, N. J.—"My Grandma was recovering from the grippe and was so weak she could hardly stand, and as she keeps house for my father and myself, she could not get around at all. She had taken cod liver oil and many other medicines, but nothing seemed to do her any good. At last we heard of Vinol and tried it, and Grandma commenced to feel better right away, and got strong very soon, so she gets around as well as ever. We all praise Vinol for it is a splendid medicine." Myrtle H. Bunn.

The reason Vinol is so successful in restoring strength to the aged is because of the rare combination of tonic iron, the curative medicinal extractives of fresh cod's livers, beef peptone and mild native wine. It supplies iron to the blood, quickens the appetite, aids digestion, promotes proper assimilation of food, and enriches the blood, and brings back the strength of renewed health. E. A. Foster, Central Drugstore, Charlottetown; H. J. Mabon, druggist, Souris.

Black & Co
Sunnyside

She was for many years a member of Zion Presbyterian Church in whose activities she will be greatly missed. Death came to her after an illness of about two months, having been confined to her bed during the last three weeks. Her husband predeceased her by about eight years. Her only surviving relatives are her niece, Mrs. Cook, of West Somerville, Mass., who was with her during the last week, and four nephews, Alex. W. C. J. H., and George F. Stewart, all children of the deceased's sister, Mrs. Stewart. The funeral arrangements have not been completed awaiting word from the nephews.

VALENTINE MULLALLY

The community of Souris River was plunged in grief on Friday April 14th when Valentine Mullally one of the oldest and most highly respected farmers of that place departed this life. The deceased was born in 1841, the son of Michael Mullally, Souris River, and at an early age bought the magnificent farm which he occupied till his demise. He had always been in the best of health, till about three weeks previous to his death when he contracted grippe, which at his age proved fatal, and he succumbed to its effects. He was cheerful and conscious to the last, and resigned to the will of God. As a farmer he was highly successful, as a citizen his words, on anything pertaining to the welfare of the community were listened to with respect, and any measure which tended to the welfare of the people at large, he was a strong supporter of. In his last hours, his spiritual wants were attended to by Rev. Dr. Walker, his parish priest. The funeral was a large one and he was laid to his eternal rest in the family plot at Rollway. He leaves to mourn besides several brothers, and sisters, a widow, three sons William and Frank at home; and Melvin in the Canadian West; also four daughters Mrs. John McQuaid of Souris; Mrs. Corrigan of California; Mrs. Scully of British Columbia; and Gertrude of Boston to whom the Guardian extends his sincerest sympathy in their hour of trial. May his soul rest in peace. (Patriot and Examiner please copy.)
