Inquiry Reveals Potatoes Sold At $12 To $16 A Bag

OTTAWA, May 13 — (CP) — Sharp increases in fruit and vegetable wholesalers' profits since the government's import restrictions became effective last November were revealed to the prices committee today.

Testimony and financial records of one of the largest Toronto wholesalers, Ontario Produce Co. Ltd., showed that the increases were obtained despite a heavy reduction in volume of business.

The company was represented by the general manager R. D. Wolfe, who agreed with committee counsel Fabio Monet, K.C., that since imports were restricted he had operated at a greater profit than since 1929.

"By quite a substantial margin?" Mr. Monet asked.

"Yes," the witness replied.

Mr. Wolfe estimated that the company did about one-sixth of the business handled by 22 wholesalers in Toronto. He described it is a "family company," with the three top executive posts held by his father, mother and uncle.

Earlier the committee resolved to call as witnesses two Toronto firms, Marlowe and Company, and Mac Fruit Company.

M. M. Robinson, secretary-treasurer of the Ontario Fruit and Vegetable Growers' Association, had said heavy profits were made on shipments of new potatoes from California. At the committee's request Mr. Robinson identified the two companies who, he said, had imported four carloads of potatoes at a laid down cost of $7 to $7.25 a bag and sold them at prices ranging from $12 to $16 a bag.

Queen Wilhelmina Plans To Abdicate

THE HAGUE, May 12—(AP)—Queen Wilhelmina of the Netherlands announced in an emotion-choked voice today that she will abdicate in favor of her daughter Juliana just after her golden jubilee.

The ailing 67-year-old Queen, senior of the world's monarchs and one of the thriftiest, told her subjects in Holland and abroad in a broadcast from her palace at Het Loo that fatigue and the complex problems facing the throne persuaded her to turn over royal authority to younger hands.

The abdication will be on or about Sept. 8.

Provinces To Confer On Liquor Advertising

WINNIPEG, May 12 — (CP) — An attempt will be made to bring about conformity in Canada's liquor advertising laws when representatives from eight Provinces meet May 18-19, W. R. Clubb, chairman of the Manitoba Government Liquor Control Commission, said today.

Either Liquor Control Commission officers or other provincial representatives will be in attendance from every Province except Prince Edward Island.

At present, three Provinces Nova Scotia, Saskatchewan and Prince Edward Island, prohibit liquor ads. Four others, Manitoba, Ontario, Alberta and New Brunswick, permit institutional advertising, but are not allowed to advertise the product.

Recover Bonds Worth $25,000

MONTREAL, May 12 — (CP) — Recovery of more than $25,000 in bonds, one fourth the haul of a Campbellville, Ont., bank holdup last July, was announced here today.

The bonds, wrapped in a paper bag, were found by a crew of Canadian Pacific Railway painters. The bag was tucked under a girder on the Mountain Street railway bridge.

Painter Louis Bedard said he was happy at finding the fortune in bonds but hoped it wouldn't happen every day because the excitement was almost too much.

At first, seeing the paper bag tucked in a girder-joint, he thought a pigeon must have started a nest. He was about to toss it away when a bit of green sticking out changed his mind.

With nervous fingers he took out the first loose bit of "paper." He nearly fell from his ladder. It was a $1,000 bond. He removed another. Then another. Finally he clutched $25,000.

75,000 Chrysler Workers On Strike

DETROIT, May 12 — (CP) — Chrysler's 75,000 C.I.O. employees in the United States laid down their tools today in the country's first major automobile strike since 1945.

The walkout, stemming from a demand for a third round of post-war wage increases, posed an immediate test of Michigan's new labor law.

It was estimated that the strike would cost the United Automobile Workers (C.I.O.) $800,000 a day in wages and the Corporation 5,000 cars and trucks a day.

The Union sought a raise of 30 cents an hour but cut that demand to 17 cents only 12 hours before the strike. Chrysler's best offer was six cents. The pre-strike average was bout $1.50 an hour.

Veteran Vaudeville Performer Still Spry

NEW YORK, May 12 — (AP) — "Are you feeling spry, Mr. Shean?" "Absolutely, Mr. Gallagher."

The old routine of the famous vaudeville and musical comedy team regained significance today as Al Shean, surviving member of Gallagher and Shean, celebrated his 80th birthday.

Declaring he was "absolutely" fine, the composer of the famous Mr. Gallagher-Mr. Shean said:

"I don't feel more than 50 or 60. My health and appetite are perfect....

"Maybe I haven't much money But I don't want to be a millionaire. When I had a lot of money everyone wanted to take it from me. If you don't have much, nobody bothers you."
