Joseph Hennessey who was arrested on giving a flask of whiskey to the prisoner Wm. McEachern in the cell, was discharged. On Saturday a search warrant was issued and George O'Brien's premises were searched with the result of the finding of forty-eight bottles beer hidden under the floor of the kitchen.

H. Wilmot Young's Company presented the Silver King at the Opera House last evening to a good attendance notwithstanding other strong attractions in the city. The cast included over twenty names, with Mr. Young as Wilfrid Denver, the Silver King, and Marjorie Adams Young as his wife, Nellie Denver. The play is somewhat familiar to theatre goers; a tale of wedded love, sorely tried by loss, failure and despair with a black background of crime. Many dramatic, stirring or pathetic and emotional scenes gave fair scope for the capable and versatile players in the leading roles. The support was good, and the special scenery was a feature while many clever specialties, including song and dance, illustrated songs and comic sketch work between acts, called for repeated encores. Judged by their first night's performance the company promises well. Tonight The Gold King in four acts, and Wednesday night Dumas' great play Monte Cristo will be put on.

Howard Boulders and his brother, returned to Windsor, N. S., today.

Among the visitors in this City are Mrs. W. J. McDuff, Providence, R. I.; H. P. and Mrs. Woodbury, Boston, who are the guests of J. T. and Mrs. Mellish.

Guessing was lively at New Wenderland last evening for the picture program was a good one any many persons were present to see it and hear Miss McDonald sing.

The steamer Northumberland arrived from Picton last evening at 9.30 having waited to connect with the train from Halifax having on board a large number of Oddfellows.

The steamer Trinidad arrived in port here yesterday morning about five o'clock on her way back from Quebec. She sailed for New York about half past eleven having had fourteen passengers for this port.

Mrs. Woodbury of Boston, Mass., contributed a sacred solo during the offertory at the First Methodist Church Sunday evening. After service selections. One of these, "Crossing the Bar," is a composition of her own. Like the writer the song is full of charming melody. The audience expressed great pleasure at the musical treat, as at the P. E. I. Hospital in the afternoon where Mrs. Woodbury was assisted by Miss Hazel Bremner and J. O. Davies.

"ST. GEORGES WINS FIRST PRIZE." During the annual meeting of the Associated Bill Posters and Distributors of the United States and Canada at Detroit in July, a committee was appointed to judge as to the best poster exhibited by Canadian advertisers. After remarking that they had never seen posters which excelled those submitted, the committee awarded first prize to the 16 sheet poster of St. George's Baking Powder, for simplicity, strength and clever handling of the subject for efficient outdoor advertising. It is only proper that a high class product should be advertised in a high class manner. And St. George's Baking Powder is generally recognized as a leader of purity and high quality.
