A quiet home wedding took place on Wednesday morning, Nov. 23rd, at 19 Liberty Avenue, when Miss Emma Eugenie Stetson, well known in musical circles, and daughter of Mrs. Lizzie F. Stetson, was united in marriage to George Sterling Waddell of 17 Medford Street. The marriage ceremony, with the ring service, was performed at 10.30 o'clock, when the bride and groom, unattended, entered the parlor to the strains of the bridal chorus from Lohengrin, played by Miss Estelle F. Stetson, sister of the bride. Rev. John Wild, pastor of the Union Congregational Church, officiated. Only relatives of the two families were present. The bride wore a becoming princess gown of white with richly embroidered panels, yoke and sleeves of dainty all-over lace, and she carried a bouquet of bride's roses. Among the numerous bridal gifts received was a handsome cut glass dish from the parents of a class of piano pupils in Maplewood; other presents included silver, china, linen and gold coin. Following hearty congratulations to the young couple a wedding breakfast was served in the dining room. The noon train from the North Station, Boston, was taken for a brief wedding trip. On their return Mr. and Mrs. Waddell will reside at 37 Madison Street, Somerville—Medford Mercury, Medford, Mass. (Mr. Waddell referred to, formerly belonged to Kelly's Cross, and has many friends in this Province, who tender their best wishes for a long and happy journey through the pathway of life.)

The Best Gift for any Man—the Howard Watch

A gift of a Howard watch is a compliment that every man will appreciate. --A gift that cannot be beaten for real value and which also teaches a lesson in honesty, punctuality and accuracy which guides all Howard owners.

No other watch on earth can surpass in the slightest degree the Howard—it is the watch that is now supreme—a masterpiece that takes over a year to construct. Every Howard is thoroughly tested in its own case and the price affixed to the outside case when leaving the factory. No matter what price you pay for a Howard you are sure of getting your money's worth in a watch that is accurate always—and that is the most beautiful daintly and artistic of all timepieces.

Howards are priced from \$40.00 up.

BUT 15 Shopping Days 15 To Christmas!

Do you realize this? Do you also know that if everyone leaves their holiday shopping until the last week we will be unable to give proper attention to our customers. It's easier to make a good selection now while stocks are complete than it will be later on when they are broken.

Don't forget that from 9 to 12 in the morning is the best shopping time during December on account of the poor light of the afternoon.
