SAD NEWS RECEIVED—Mrs. A.
Lord yesterday received a telegram
from Montreal conveying the sad
news of the death of her brother-
in-law, Mr. William Abbot, who
passed away early yesterday morn-
ing. Mrs. Abbot, nee Miss Mary
Grey, daughter of the late Col. Grey,
has many friends in the city.

BABY AUSTIN PARADE—A pa-
rade of Baby Austins through the
streets of the city yesterday after-
noon attracted much attention. The
midget cars carry two passengers,
and will travel fifty-one miles on a
gallon of gas, and one thousand
miles on a quart of oil. The capacity
of the gas tank is four gallons, Mr.
T. G. Ives has the agency for the
province. Mr. Lloyd Proud is the
first owner of a Baby Austin in the
city.

Then came "Shel" in his good old
cheery manner. He stated that his
victory could not be credited to any
individual, but to all, both Liberals
and Conservatives. The splendid Or-
ganization Committee, headed by
Royden M. Ings, and assisted by P.
M. MacCaull, Walter Newcombe, H.
D. McPhee did splendid work.

The conveners of the several polls
throughout the district, also con-
tributed their share. The
Conservative Press, also assisted ma-
terially. The many outsiders from
Tignish to Charlottetown who gave
the use of their cars also deserved
much credit.

After Mr. Sharp finished there was
a sing song and a general merry-
making headed by Chas. McInn's and
Neil McLeod, who rendered some
good old Scottish pieces. French
songs were also sung. Mr. John J.
Sark rendered a song in the Micmac
tongue, which was very much enjoy-
ed by all.

The meeting was brought to a
"Grand Finale" by the singing of
Auld Lang Syne, which was followed
by God Save the King.

Colds Are Cured
By New Serum
LONDON, Oct. 23.—It is stated
that the research work of Dr. S. G.
Billington with a preventive serum
against the common cold has been
carried further by Dr. Frank Coke
of Harley street, and Dr. N. Horn-
brook, specialists, and has resulted
in a new and apparently successful
treatment. The treatment consists
of an injection of a protective substance
certain to act as a natural barrier
against cold which substance has
been extracted from a normal serum.

Prichard, fast Summerside half,
scored the first try of the game, a
few minutes after the opening whis-
tle. The score was made after a long
run from near centre field.
Fitzgerald, star West Kent quarter,
evened the score a little later in the
half, after receiving a pass near the
Summerside touch line.
In the second half Fitzgerald scored
the winning try which was con-
verted by Higgins, leaving the final
score 8-3.

The usual mirth-provoking musical
comedy and vaudeville kept the au-
dience in a state of laughter through-
out the entire entertainment. Al Lem-
ons, Cliff Blanchard, Herman Miller,
Muriel Rogers, Eddie Soper, Earl
Franklyn were in top form in their
respective roles.

The picture, combining the ele-
ments of comedy and drama, was, as
usual shown at the beginning and end

some Samuel Goldwyn star whose
serious love-making has made him a
national figure has lost none of his
sense of romantic appeal; but to it
he has added a genuine feeling for
comedy which results in there being
just the right mixture of thrills and
laughter in the picture.
From its great success, both in
book form and on the stage, many
people may already know the story
of the demobilized officer who gets
so bored with "after the war quiet"
that he writes a letter to the London
Times offering his service in any
kind of hair-raising adventure, so
long as it is dangerous. This business
like procedure immediately involves
him in the troubles of a beautiful
girl whose uncle is being tortured by
a gang of criminals headed by two
men and a woman. There is plenty
of hand-to-hand fighting and gun-
play; but it is by outguessing his an-
tagonists that Drummond finally
breaks up the criminals' nest in the
fake sanitarium and wins the girl.
"Papa Is Pupa" Our Gang Comedy
is one of the best those youngsters
have appeared in for some time. It
is filled with laughs galore. Do not
miss today's showings.
