## Women Cannot be Strong and Healthy Unless the Kidneys are Well.

Weak, lame or aching backs are the first sign of Kidney Trouble. Under ordinary conditions they ought to be strong and ready to bear the burdens of life.

It is hard to do housework with a weak and aching back. Back-ache comes from sick kidneys, and what a lot of trouble sick kidneys cause.

But they can't help it. If more work is put on them than they can stand it is not to be wondered that they get out of order. Weak back is simply a warning from the kidneys and should be attended to immediately so as to avoid years of terrible suffering from kidney troubles.

Doan's Kidney Pills will cure you in the same way as they have cured thousands of others.

Miss Alberta B. Clarke, Stony Creek, Ont., writes:—"I was troubled with kidney trouble for several years; my back was weak, I had such terrible headaches, and was so restless I could not sleep at night and tried everything without any benefit. Meantime a friend advised me to try Doan's Kidney Pills, so I got four boxes and they completely cured me. I now feel as well as I ever did and would advise everyone suffering from Kidney Disease to try them."

Price 50 cents per box, or 3 for \$1.25, at all dealers or The T. Millburn Co., Limited, Toronto, Ont.

# Consider Your Value To Your Family

No, Madam, man was not made for work. Nor woman for that matter. Work, mind you, was made for man to secure certain desirable and necessary returns. So that the homemaker who works unnecessarily long and hard to secure the returns she requires, thereby robs herself and her family, don't you see. Don't do it, Madam. Conserve your abilities, your resources as much as possible. Don't sacrifice needlessly your energy and your health over mixing bowl or oven.

It's because FIVE ROSES flour husbands your time, and temper, and money; because FIVE ROSES responds immediately to your hopes.

It's because it works so easily in dough and batter. It's because it saves so much disappointment, Madam, that we ask you to try it once, just once. If you have special skill, special training, special fitness for making good things to eat, these should especially advantage yourself and your family. And FIVE ROSES gives you dollar for dollar, satisfying results, wonderful baking consequences for least labor and cost.

derful baking consequences for least labor and cost.

You simply can't be a doubter, Madam, when thousands of happy housewives raise aloft their rolling pins and cry: "All this has FIVE ROSES done for me." Try to get them to go back to the ranks of mediocrity after they have once known FIVE ROSES. Get them to cheapen voluntarily their cooking reputation, to forego their pride and value as housewives. 'Tis hard sometimes to win one from cheap flour, but FIVE ROSES makes it impossible to go back. Make yourself more valuable, Madam. Can YOU afford to be without FIVE ROSES another single day?

## The Hercules Coaster Brake

There were more "Hercules" brakes sold in Canada last year than all others combined.

AMOS PARKER WILDER, Ph. D., Editor, Wisconsin State Journal, Madison.

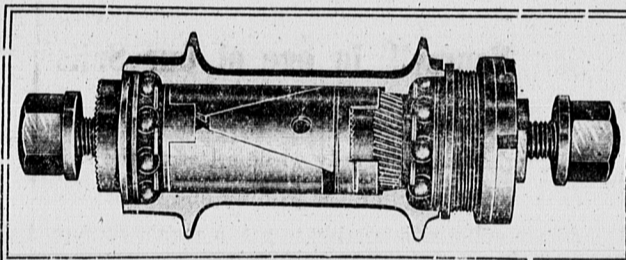

"I use a new wheel with coaster brake between my office and summer cottage. The distance can be covered in 17 minutes, but as a 25-minute ride the experience is rich and restful and unending. Not at such times does one ask, 'Is life worth living?'"

Price 50 cents per box, or 3 for \$1.25, at all dealers or The T. Millburn Co., Limited, Toronto, Ont.

In ordering specify "Doan's"

One reason for the "Hercules" popularity is that it is lighter in weight than any other. The "Hercules" is an armless brake, a great feature in any bicycle. Also it is pathetically simple. A child can take it apart and reassemble it.

## Hercules Coaster Brake

Positive in action and easy running when released. It wears well because it is solidly simple and there are no intricate

parts to get out of place or become damaged in the wear.

THE HERCULES IS AS SMALL AS THE ORDINARY HUB OF A BICYCLE.
