McCarthy Figures Detroit And Cleveland Big Threat To Yanks For 1937 Pennant

Dull Week For Maritimers In Can-Am Loop

(By The Canadian Press)

Maritime hockey in the International-American League during the week ending Jan. 25, was a dull one. The only game of note was the one between the St. John's Capitals and the Montreal Hawks, played on Jan. 24.

The St. John's Capitals, who had been in the lead since the start of the season, were defeated by the Montreal Hawks, 4-2.

The Capitals, who had a record of 10-10-1, were defeated by the Hawks, who had a record of 11-10-1.

The Capitals' record was 10-10-1, and the Hawks' record was 11-10-1.

Currie Playing Great Hockey For Hershey

The following clipping from the column "This Sporting Life" by G. O. Gorman, speaks volumes for youthful Harry Currie of Charlottetown at present competing with Hershey Bears in U.S. Eastern Amateur League.

That Hershey victory over the Pittsburgh Yellow Jackets on Saturday night in the Stanley Sports Arena brought some real results to Currie's hockey career. It again brought out another thought: That is that Harry Currie is the Bears' dandy center. He has stepped into the shoes of the late Lloyd Bussis, who was one of the most valuable members of the year's crew of puck-chasers in Charlotte Town. Aggressive to such an extent that he worries the opposing defense men continuously by the time they have had a chance to get down the ice.

Defensively he has developed to such an extent that he repeatedly clears the puck from opposing defense men and sends it safely and quickly. He is an excellent skater and a good passer. He has a good shot and is a good goal-keeper. He is a good player in all respects.

Bill Cowley Holds Place As Top Maritime Marksman; Drillon In Scoring Splurge

(C.P. by Guardian's Special Wire) MONTREAL, Jan. 25.—George Drillon, sensational young Maritimer who has been stepping high for Toronto Maple Leafs this season, added five points to his scoring total last week and tonight was tied for first place at 17 with New York Americans Eddie Wiseman among former Maritimers in the National Hockey League.

But the black haired rookie got the call for position over Wiseman with name to the Newmarket, N. B. player's agent, Wiseman with a goal, and Joe Lamont, captain of St. John's, N. B., with an assist were the only other Maritimers in the Canadian section to get points during the week.

In the American division Bill Cowley held his place as top marksman of Boston Bruins with two assists for a 21-point total. Once a Halifax Wolverine "Cow-

Manero Proves He Wasn't Just Plain Lucky

(Associated Press Sports Editor) NEW YORK, Jan. 25.—(AP)—Tony Manero has become the biggest money-winning United States open golf champion since Gene Sarazen was last on top of the heap, the dapper little pro has demonstrated conclusively he wasn't just having a lucky streak when he shot down Harry Cooper in a record-making finish at Baltusrol. Tony has cleared \$16,000 in cash from sundry sources, including his winter job at the Miami Biltmore, and moves this summer from Greensboro, N.C., to a much higher-salaried pro job at Salem, Mass.

For several reasons, including the fact it hardly would be "cricket" if the United States Tennis Association won't suggest the prospective North American zone Davis Cup finals with Australia be played on hard courts, instead of the traditional grass, the two chief bidders for the United States-Australia matches, Germantown and Forest Hills, are turf-court centres, moreover, the interzone and challenge round matches will be before Wimbledon's turf, not before or since France ruled the tennis roost has the Davis Cup title round been played on hard courts.

United States chances against Australia might be enhanced on Jan. 26 when Atlanta's Billy Grant, current singles sensation, is rated at his best, but the answer is that if we can't beat 'em on grass we don't deserve to win under any conditions.

Eddie Riebel, Associated Press sports columnist, is battling a serious attack of pneumonia with his characteristic determination, while a host of friends pull for him.

Don't sell Glenn Cunningham short in the mile-running derby, which starts in Boston Saturday. The iron horse, facing some fresh challenges from up-and-coming lads like Archie San Romani and Charney Fenske, is getting himself into top shape for the merry-go-round on boards.

Jim Braddock has been photographed so often for ballyhoo purposes, as a visitor to the various fighting training camps since he won the heavyweight crown that he's about fed up with the business of being on the outside looking in, especially as it's still no lead-pipe cinch his match with Max Schmeling this June will go through.

Fight writers, jittery ever since they plunged for Louis to K. O. Schmeling, are leaving plenty of "ifs" by which to haul themselves back in the event the Brown Bomber fails to pop over Bob Pastor Friday. Jack Doyle, the Broadway commissioner, reports little wagering on the outcome, even with the odds chopped to 5 to 1 on Pastor.

Black Hawks' Owner Plans "All American" Hockey Team For N. H. L. Next Year

(A.P. by Guardian's Special Wire) COLLEGE PARK, Md., Jan. 25.—Before a capacity crowd of 4,000 at the University of Maryland College Gym, Elmer Vines, newly United States tennis ace, whipped the former British amateur champion Fred Perry, in straight games 6-4, 6-2, tonight to deadlock their exhibition tour competition at five victories each.

Vines appeared back at his peak and swept through Perry as easily as he did Saturday night in Baltimore.

After a fairly close opening set, that saw Perry at his best, even as a lover, Vines cut loose in the final set with all the power and speed at his command. Eimer's cannonball service was too much for the Englishman or his placements were so quickly dropped as to catch Perry out of position.

Two of Vines' games in the closing set were at love, including the finale, where he scored three aces and saw Perry net the other which he barely reached.

Major McLaughlin realizes he has taken on a huge task. Canada, birthplace of the game, has supplied practically all of the talent for National League and minor league teams. But he believes United States boys' athletic ability, exemplified in football, baseball and basketball, can also be developed into hockey greatness.

"If men can be developed in star football and baseball players, why can't they be made into hockey players?" he asked. "If they are equipped with the necessary physique and are willing to submit themselves to the teaching of a qualified instructor, I think there is a place in hockey for our own boys."

"Where Canadian clubs have their amateur ranks and natural farm clubs from which to obtain reinforcements," he added, "we'll go ahead and develop our own sources."

Vines Evens Series With Fred Perry

(Associated Press Sports Editor) POMPTON LAKES, N. J., Jan. 25.—Apparently near the fighting peak, Joe Louis traveled four rounds against three sparring partners today in preparation for his 10 round match with Bob Pastor in Madison Square Garden Friday night.

The Detroit boxer passed up roadwork for the day. After a round of shadow boxing, Joe worked one round with Eddie Malcom whom he had drapped over the ropes at the finish. Carl Lachner was next and Joe knocked him cold in one minute with a left hook high to the head.

Louis polished up his left hand in a final two-round drill with Tom Ponce.

Joe weighed 202 pounds.

Louis Works Out For Bout With Bob Pastor

(Associated Press Sports Editor) NEW YORK, Jan. 25.—(AP)—Roy York's New York Americans' veteran goal tender who was forced out of N.H.L. action several weeks ago, underwent an operation for hernia at St. Luke's Hospital today. The operation was performed by Dr. Alexander Ada and Dr. Vincent Nardiello, club physician.

Americans were further crippled today when Leighton Emms, veteran forward, was called home by the death of his father at Barrie, Ont.

In place of Emms, Manager Red Dutton plans to team Harold Cotton with Nels Stewart and Joe Lamb.

Benefit Skate This Evening

A bumper crowd is expected to attend the Prince Edward Island Hospital benefit skate at the Forum this evening. Besides enjoying two hours of fun and gaiety with congenial companions to the music of the Legion Band, patrons will be aiding a worthy cause.

Mr. C. F. Archer, general manager of the Forum, has made provision for a perfect sheet of ice.

First Year's Win Hockey Encounter

1ST YEARS 5 — 2ND YEARS 1

Yesterday afternoon at the Holy Redeemer rink a first year team from P.W.C. turned back Division C of second year by a score of 5-1.

Outkicking their opponents the winners after having a two goal lead in the opening period, shot to the front in a fast second period adding another goal to their total to take a 3-0 lead. In a turn-of-events final session featuring the unending attacks of the losers, the winners outscored their opponents by a 2-1 margin.

Second years although beaten by a defensive account, were not outplayed as badly as the score would indicate, and playing without the services of their stars put up a stiff opposition that gave the winners plenty of trouble.

Steele, Vessey and Raynor were the pick of the winners, while Donahue, Langille, MacLeod turned in a fine game for the losers.

First Year—Goal, Nicolle; defence Vessey, R. Steele, Shrean; forwards, Raynor, B. Steele, Donnelly, Farrell.

Second Year—Goal, MacLeod; defence, Johnston, Langille; forwards, Brown, Douce, Donahue, Dooley, Thompson.

Referee—Jack MacLennan.

L. P. U. Team Turned Back By Montague

Montague Primroses scored a 3-2 win over the L. P. U. team. City League leaders, in an exhibition hockey game at Montague last night. Both teams left the ice at the end of the first period on even terms, on scores by MacDonald for Primroses and D. Gillis for L.P.U.

L. P. U. took the lead in the second period when Gillis again scored, but the Primroses garnered two counters in the final session with Poole and Grant registering.

A large crowd was on hand for the encounter which was one of the best to date.

Acadia Hoop Team Defeats Dal. Tigers

WOLFVILLE N. S. Jan. 25.—Acadia University Acesmen handed Dalhousie University Tigers their second straight setback in the Halifax City Senior Basketball League here tonight, 34-30.

The win sent the Wolfville team into a tie with the Wanderers and University Grads, all with one win and no losses.

Acadia is the only entry from outside Halifax in the only senior loop in Nova Scotia. The Halifax Y. M. C. A. is the fifth team in the league.

Americans Trade Shields To Bruins For Joe Jerwa

NEW YORK, Jan. 25.—New York Americans and Boston Bruins of the National Hockey League today completed a deal which sends Allan Shields to Boston Bruins in trade for Joe Jerwa. Both are defencemen.

Jerwa was on loan to Americans last year but at the start of the current season was returned to Bruins. Americans purchased Shields, bumptious blond Ottawa, from Montreal Maroons at the close of the 1935-36 season.

WANTS BIGGER TARGET

SYDNEY, Australia.—In an effort to brighten cricket, Lt.-Col. D. C. Robinson, Essex and Gloucestershire player, suggests higher and thicker stumps. He said he did not agree with limitless test matches.

Leslie K.O'd In Fifth Round

(Associated Press Sports Editor) OSTEON, Jan. 25.—Big George Leslie, 210-pound boxing giant from Prince Edward Island, met his Waterloo here tonight when he was defeated by Roy Kelley, 176-pound Brookline, Mass., scrapper, making his debut in professional ranks.

The one-time Reconstruction candidate for King's County, P. E. I., was knocked out in the fifth round. The fight was scheduled for six rounds, as a preliminary to the McCoy-Marek scrap.

Aurie Paced By Schriener In Scoring

(C.P. by Guardian's Special Wire) MONTREAL, Jan. 25.—Detroit's Larry Aurie is undisputed top mark of the National Hockey League arena. Official league statistics credit him with 25 points, 15 goals and 10 assists.

Up on Dave Hunter of New York Americans, who has moved up from fourth place to second.

Sweeney's six-point surge during the last week was led by Marty Barry, another Red Wing, who had been tied with Barry for first at the last count.

Barrera's point-getting was helped only by Toronto's Harvey Jackson, whose seven points sent him up into fifth place.

Outkicking leader in Aurie, with 17 first up on Jackson, Johnny Gagnon of Montreal Canadiens and Cecil Dillon of New York Rangers. Barry's 15 assists give him top spot in this division, up a couple on Art Chapman of the Americans.

Barry, Aurie and Herb Lewis, Red Wing first line, are 1-2-3 at the top of the point-getters in the United States division. Lewis with 22 in the Canadian section, is Schriener, Gagnon and Jackson in that order.

Penalty "honors" still go to burlly Allan Stinson of the Americans. He 79 minutes on the bench, leave him 15 up on Red Horner of Toronto, who has been punning ahead lately in this department.
