

DENTISTRY BY SPECIALISTS. As Viewed by Some of Ch'town's Prominent Visitors.

Proud of the fact that in addition to our extensive practice among the people of Prince Edward Island, the quality of our dental work brings to us many patients from outside places, we submit the following letters from men who are well known to the people of this Province.

Mr. W. H. Tetlow, representative of Rylands & Sons, Manchester, England, one of the largest firms in England. Mr. Tetlow visits Canada twice each year, and is one of the best known of English travellers who come to Charlottetown.

Mr. Frank B. Street of Montreal, representative of the well known firm of Williams, Green & Rome Co. No commercial man in all Canada is more favorably known than Mr. Street.

The Portland Packing Company is known to all P. E. I., the head of this large firm Mr. Clinton L. Baxter is an annual and popular visitor to this Province.

THE WILLIAMS GREEN & ROME CO. OF BERLIN (Limited) Montreal, Quebec

Dr. Maloney & Kennedy, Charlottetown P. E. I., Gentlemen:—It is a pleasure for me to testify to your ability and the scientific work done at your office.

After a consultation I sat in your chair with confidence, and the results are so eminently satisfactory, I feel I ought to let you know of my appreciation.

The replacing of teeth by Bridge Work was a revelation, and the fitting of a tooth which had previously been condemned by an English dentist a work of art.

Yours sincerely, FRANK B. STREET

RYLANDS & SONS Shipping Department, Manchester, England.

Dr. Maloney & Kennedy, Charlottetown, P. E. I., Canada. Gentlemen:—During a previous visit to Charlottetown I had occasion to require dental service.

After a consultation I sat in your chair with confidence, and the results are so eminently satisfactory, I feel I ought to let you know of my appreciation.

Dear Sirs:—It is now over five years since I first called at your office to get relief from a troublesome tooth.

That you may ascertain for yourself the difference between our practice and all others, and not rely on our statement simply is one reason for furnishing the above letters.

We shall be glad to see you personally and talk with you face to face.

MANY WOMEN ARE NERVOUS.

Suffering from Severe Headaches, Dizzy Spells and Bodily Weakness.

Dr. Chase's Nerve Food

Is Especially Valuable to Women.

Woman's system demands a plentiful supply of blood—of pure, rich, life-sustaining, tissue-building blood.

Then comes headache, dizzy spells, weakness and fainting derangements of the digestive system, sleeplessness, discouragement and despondency.

Dr. Chase's Nerve Food cures such ailments thoroughly and well by increasing the quantity and quality of the blood.

Mrs. J. McLeod, Chestnut Street, Charlottetown, P. E. I. states: "For some time I have been troubled with attacks of nervous sick headache, accompanied by indigestion."

Mrs. N. S. Ward, Douglas street Charlottetown, P. E. I. and whose husband is a carpenter, states: "I was all run down in health this spring, and felt I needed a tonic."

British Troop Oil Liniment is without exception the most effective remedy for Cuts, Wounds, Ulcers, Open Sores, Rheumatism, Bites, Stings of Insects, etc.

"All the older people seemed to like George so much at the children's party." "Any particular reason for it?"

"No," said Mr. Cumrox, reflectively, "we had Jesse James and the Biddle boys, but 'we're a little behind Paris in some respects, we haven't as yet equalled the Humberts."

The breath of the pines is the breath of life to the consumptive. Norway Pine Syrup contains the pine virtues and cures coughs, colds, bronchitis, hoarseness, etc.

"But really you are getting seedy," persisted Mrs. Naggit. "Just look at your hair. How long is it since you've had it cut?"

"I don't know," he answered, "I haven't measured it." Minard's Liniment Cures LaGrippe.

"What's the use of that?" said Chollie Freebe; you know I'd prefer to kiss you, and, besides, your father might object to me kissing the old lady."

Without regular action of the bowels, Laxa-Liver Pills regulate the bowels, cure constipation, dyspepsia, biliousness, sick headache and all affections of the organs of digestion.

They were talking about the various methods of celebrating the passing of the old year and the coming of the new.

"Yes, indeed, scores of times," she replied. Worms affect a child's health too seriously to neglect.

Mrs. Urjohn—"What beautiful floors! How do you keep them so nicely polished?" Mrs. Gaswell (giving her the icy glare)

Used internally Haggard's Yellow Oil cures Sore Throat, Hoarseness, Quinsy Pain in the Chest, Croup, etc.

THE CANADIAN STEEL AND COAL COMPANY Limited, was organized to mine and manufacture iron and coal, coke and steel in Canada, at Atlantic tide water.

The raw materials for these manufacturers are: 1. COAL. 2. IRON. 3. LIMESTONE. All these materials we have at hand.

The Company has acquired by purchase, immense iron deposits on the North Shore of the Gulf of St. Lawrence, about 350 miles from Sydney. The deposits are estimated to contain 20,000,000 tons of ore above sea level.

When in full operation the output is expected to be about as follows: 1. IRON.—200,000 tons iron ore shipped direct from property, showing net profit of \$2.00 per ton.

2. COAL.—600,000 tons coal, showing net profit, at least, \$1.00 per ton, total 3. AIDS.—Government bounties (averaged) added to above per year for 6 years

Total net annual profits LESS FIXED CHARGES: 5 per cent int. rest on bonds 7 " " on preferred stock Sinking Fund Incidentals

Equivalent to yearly dividends of 30 per cent., or 15 per cent, half-yearly on total capitalization. If the capitalization was increased to this estimate would still show a dividend-earning capacity of 10 per cent. per annum.

The capitalization of the Dominion Coal Co., is earning fully 12 percent., and is paying 8 per cent, guaranteed dividends on this enormous sum.

The capitalization of the Dominion Iron and Steel Company is on which it is believed 6 per cent dividends will be earned.

The capitalization of the Canadian Steel and Coal Company is only controlling. It is believed, equally valuable properties, and it is reasonable to expect much larger dividends.

Within the last few months Dominion Coal shares common rose in market value from \$40 to \$144 per share, and Dominion Iron and Steel Company's shares common rose over \$30 per share in market value.

With such low capitalization The Canadian Steel and Coal Co's shares would show tremendous profits; and it is confidently believed they will.
