Ruffing Sent To Showers As Chisox Defeat Yankees; Cubs Upset Giants 4-2

NEW YORK, June 7.—(CP)—Charley Ruffing's seven-game winning streak was halted today as Chicago White Sox belted the big Yankee right-hander out of the box to win the opener of a four-game American League baseball series 8-5.

Thornton Lee went the route for Chicago to gain his second victory. At Washington, St. Louis Browns beat a 15-hit tattoo on four Washington pitchers winning 11-8.

Little Harland Clift, St. Louis third sacker, belted out four hits and drove in five runs. The Senators contributed four errors, three by third baseman Buddy Lewis.

Bob Johnson's bid for his 11th home run of the season fell a yard short, so Detroit Tigers made off with a 5-4 victory over the Athletics in the opener of a three-game stand at Philadelphia.

The tying and winning runs were based and two were in the ninth when Johnson hoisted one of Rozie Lawson's pitches toward the left field pavilion. Chet Laabs backed against the wall, reached high and brought it down for the last out.

At Boston, the top-place Cleveland Indians blasted out a two-run rally in the ninth to down the Imperials 10-5.

It should mark a new deal for both boxers and boxing promoters. We do not think for a minute that it will be infallible by any means but it will certainly go a long way in ironing out numerous situations that may and will arise.

Great Britain's shotmakers provided the golf world with something of an almost startling nature to talk about when they won the Walker Cup Saturday. It marked the Old Country's first victory in the competition, inaugurated sixteen years ago, and it should provide a splendid stimulus for the sport in Britain.

Throughout the series sportsmanship was very much in evidence, starting with the home forces' refusal to enforce a penalty on a hole which might have meant vicarious foursomes Friday. Further evidence of the spirit which prevailed is to be found in the remarks of Francis Oulmet, non-playing captain of the Oulmet team, who said: "We did our best but we weren't good enough. If you have liked us we feel our business among you has been well worth the time."

Of silver mounted on mahogany bases they are well worth striving for and the winners will be well rewarded for their winning efforts.

Gene Tunney Turns To Role Of Promoter

(By Alan Randall, Canadian Press Staff Writer) NEW YORK, June 7.—Gene Tunney, now sports editor of the Connecticut Nutmeg, is getting to be quite a wag. At Speculator, N. Y., today he talked with Joe Gould, Max Schmeling's manager, regarding a bout between Tony Galento and the Gargantua the Great, the circus gorilla.

Galento has said he can lick any gorilla there is. Tunney is said to be willing to back the thirsty Newark bopper \$10,000 worth against Gargantua. The word is that Tunney and Jacobs agreed on everything but the gorilla's cut of the gate. Jacobs, through sheer force of habit, insisted 30 per cent was too much for Gargy.

Jimmy Braddock celebrated his 33rd (?) birthday by visiting Joe Louis' training camp at Pompton Lakes, N. J. Along with him were Henry Armstrong and Lester Patrick, head of New York Rangers hockey club.

Jack Doyle, the Broadway betting commissioner, quotes defending champion Ralph Guldahl, Sam Sneed and Henry Picard as 8 to 1 favorites to win the United States open golf championship, starting Thursday at Denver.

Glen Cunningham, world's premier miler, and Bill Bonthron, his greatest rival a few years back, will receive degrees from New York University tomorrow. Cunningham gets his Ph. D., Bonthron gets his master's in business administration.

Pee Wee Wanninger, the player whose place Lou Gehrig took as pinch hitter when he started his iron man jaunt 13 years ago with New York Yankees has been found. Pee Wee is doing a smart job at second base for Augusta in the South Atlantic League.

War Admiral's win in the Suburban Handicap leaves him only \$13,000 short of the earnings of his famous daddy, Dan Patch. Not counting his exhibition tour, moving picture rights and other incidentals, Max Schmeling has earned about \$900,000 in the United States with his fists.

made the first shot a carom but with the balls still laying up missed. It was the best of the game. The winner from this point on continually made the ivories roll his way and with Redmond being left continually in difficult positions the winner continuing the brilliant play that had marked the first 100 points of the match ran out with the above mentioned brilliant shot.

Nicholson now meets Ernie McGeary in the final round of the 500-point match to meet Redmond for the championship.

Making a beautiful follow-up, in-off shot off his opponent's ball as it lay frozen to the cushion Bill Nicholson last night won his way into the final of the second round of the Provincial billiard championship being played at the Sunnyside Parlors by defeating the winner of the first round, Harry Redmond, 300 to 228.

Nicholson displaying flashes of the form that carried him to championships more than ten years ago was off to a big lead and just past the first hundred mark tied 110 to 81. But the game changed here. Redmond, the some of steadiness began getting the ivories rolling for him, steadily cut into his opponent's big lead and as Nicholson's score read 172 the loser passed him with a run of 14.

The biggest crowd of the tournament took the match in and for the next 50 points as the lead changed hands continually one could almost hear a pin drop so tense was the feeling in the parlors. Nicholson opened up an eight point lead, leading 229 to 221 but missing an easy shot left the balls in great scoring position. Redmond

Canadiens Defeated In Junior League Opener

In as fine a pitching performance as a local hurler has ever turned in "Lefty" McAleer, brilliant young junior moundsman last night limited the Canadiens to four hits, faced only 28 men in nine innings to lead his Junior Esquire teammates to a 3-0 victory in the opening game of the City Junior Baseball League.

Accorded brilliant support by his mates McAleer didn't allow a single opponent to touch second base. The players garnering the hits were wise off the paths by the brilliant throwing of Art Perry behind the plate on three occasions and the other came on the end of a smart double play. In fact runners had a hard time stealing bases on both sides. Charlie Ryan Canadiens catcher catching three going to second while nipping another at first as a batter was striking out.

The game was a really well played one that gave the fans plenty to enthuse over. For the first four innings there wasn't the semblance of a score but in the fifth two successive doubles by Perry and Finnigan combined with an error gave the Esquires the winning runs the only other counter of the game coming in the eighth with the winners this time bunching two singles to send a runner across the plate.

McAleer's brilliant work was the highlight but his opponent on the

Canadiens' mound, Alkie McCormack, making his first start in an organized league was not far behind. He was nicked for eight hits but in only the fifth and eighth could they bunch them of his deliveries and while being the losing pitcher nevertheless had the satisfaction of sending 10 enemy batters back to the bench via the strikeout route while McAleer was accounting for seven.

NEW YORK, June 7.—Gus Greenlee, manager of John Henry Lewis, announced today the light heavyweight champion had signed to defend his title against Al Gainer in Pittsburgh the middle of August. The winner, according to Greenlee, will travel to Germany to defend the crown against Adolph Heuser in Berlin about Sept. 10.

Maxie's Right Four Team In Top Shape Softball Loop Organized

SPECULATOR, N. Y., June 7.—Gene Tunney put his royal stamp of approval on Max Schmeling today and scoffed politely at a suggestion that the German might go state before his coming battle with Joe Louis.

"Not a chance in the world for that," he said. "Max is far too smart. He's in nearly perfect condition now and he's taking it easy. Like he should. He's the most deliberate fighter I ever saw."

Gene sat at the ringside and murmured rapturously as Schmeling popped three sparring partners with his lusty right.

"There's no doubt it's the finest right in the world today," Tunney said. "It's not as hard a punch as Louis' right, but he can shoot it from any angle and with greater accuracy."

He hedged adroitly on picking the probable winner, using lots of words but still liking both men.

Indifferent Mood JOE LOUIS LAKES, N. J., June 7.—POEMTS, apparently feeling the suddenly-warm weather, was in an

A meeting of the Summerside Softball League was held last night in the Town Hall, when Lorne H. Read, local sportsman, was appointed president for the coming season. Other officers named were vice-president Dr. R. L. Noonan, secy-treas., Everett Beagan.

Four teams signified their intention of placing a team in the town league, namely, Arthur Johnston's Independents, Herb Schurman's Olympians, Holman's Plunkies, and Harry Perry's Fencebusters. The schedule will be drawn up and get under way the first of next week. An exhibition game will be played this afternoon at the school diamond when the Olympians and the Plunkies will clash.

It is understood that Noonan's field will be used for softball this season.

Indifferent mood today as he resumed boxing after a brief lay-off in his preparation for the June 22 bout against Max Schmeling.

Joe just loafed through six listless rounds with three sparring mates.
