KING'S COUNTY GUARDIAN

Offices in Montague, Capt. W. A. Johnstone, Manager; and in Souris, Percy G. Seaman, Manager.

Mr. COBB of Casanov arrived Saturday at Cardigan on a visit.

FIFTEEN vessels are at Montague loading product, and shipping is going briskly.

JAMES MILLER formerly a commercial traveller for Miller Bros. has returned to the Island from British Columbia.

THERE are seven vessels in Cardigan this week but produce is moving very slowly. A number of them have been in port for three weeks.

W. A. JOHNSTONE, Montague, will be glad to receive news and advertising for "The King's County Guardian," as well as new and renewal subscriptions for the "Morning Daily" and the "Rural Daily." Telephone Connection.

Owing to the enormous amount of time and expense necessary in bookkeeping and making out small accounts as well as mailing and collecting same, The Guardian has decided that in future all ordinary amounts under one dollar will be accepted on a cash in advance basis and ten per cent discount given, except to those who have a regular advertising account who will still have the privilege of monthly red.

RUSSIAN SAILORS AGAIN MUTINIED AT VLADIVOSTOK

Crews of Three Torpedo Boats Revolt. Are Finally Made to Submit.

St. PETERSBURG, Nov. 3.—At Vladivostok, the crews of three torpedo boat destroyers, recently mutinied, and shelled the port, doing considerable damage to various buildings and killing some soldiers and civilians. The fire of the rebellious torpedo boat destroyers was answered by the batteries ashore and from the gunboat Maadjour and the torpedo boat destroyers Grosvoiy, Suelny and others. They surrounded our boat and poured a raking fire into her, which battered her to pieces, exploded her two boilers and caused fire to break out on board. Nearly all the mutineers of the Skory were killed on the vessel. The three or four survivors threw themselves into the sea.

CLANRICARDE'S TENANTS ANXIOUS TO LEAVE HIM

They Petition For Farms Elsewhere—End of the Fight In Sight.

DUBLIN, Nov. 3.—All the present occupants of farms on the estates of the Marquis of Clanricarde from which previous tenants have been evicted during the past twenty years, have signed a petition to the Estates Commissioners requesting to be provided with farms elsewhere. They declare also their readiness to surrender their present holdings to the old tenant. This is regarded as a rather startling development in one of the bitterest struggles of the Irish Land War, but it promises to put definite end to the fight.

PANDORA

Owing to the fine construction of most ranges it is a rather difficult feat to cook and bake successfully at the same time.

But the arrangement of the Pandora flues differs considerably from others. They are so constructed that the draft for baking is also the best for cooking, the heat circulating around the oven twice and under every pot hole before passing up the chimney.

The Pandora bakes and cooks perfectly at the same time.

Do you know of another range that does? If your local dealer does not sell the Pandora write direct to us for **Free Booklet**.

THE BOHEMIAN

Is devoted to the brightness, the cleverness, the wit, the humor of life. The November issue proves this statement beyond all dispute. Its ten stories have each snap, grip and a teasing plot; its special articles have their own bright reason for being; its pointed anecdotes and its twenty-two pages of pure fun in Bohemiana are a shield against "that sea of troubles." Following are some of the features in the NOVEMBER BOHEMIAN.
