## Consider these Salient Connaught Features

Here are features of the proposition offered by the Connaught Pedigreed Black Foxes, Ltd., that will appeal particularly to judicious investors.

The Company owns 15 pairs of pedigreed Island silver black foxes of the finest quality, which are capitalized at \$15,000 per pair. The Company will engage in general Fur Farming, having ranches of mink, martens, fisher and skunk. An up-to-date ranch is being built near Charlottetown, where ranching will be done at actual cost, which will mean a big saving for investors. An experienced rancher, veterinarian and fox specialist will have entire charge of the ranch and will be assisted by the Advisory Board of three renowned ranchers. Stock in the Connaught Company is selling fast—the major part is now sold. Shares \$50 each, easy terms. See the head office about it today.
