Air Port For Summerside

A delegation from the Board of Trade addressed the members of the Summerside Town Council at their regular monthly meeting on Monday evening, in regard to the purchase by the town of the present landing field for aeroplanes.

In the absence of Mayor Manson Councillor Maynard Schurman occupied the chair. Other councillors present were Morley M. Bell, D. F. McNeill and Wilfred Kelly.

Mr. L. R. Allen, chairman of the Mails Committee of the Board of Trade laid before the Council the reasons why it was desired for the town to become owners of the landing field.

He stated that certain new regulations had been made by the Canadian Airways and that only these landing fields complying with these regulations would be recognized by the Canadian Airways and be placed on the air route.

It was very desirable that the town should own the land as no doubt grants could be obtained from the Dominion Government to bring the field up to standard and this could hardly be expected if it were privately owned.

Mr. Graham, inspector of the Eastern Division of the Canadian Airways inspected the field last week and has since approved of the field as it is, in spite of the fact that it is a little below the regulation size for landing fields.

The regulation width is 500 feet and the length 1800 feet. The runways of the landing field here are, east and west 450 feet wide and north and south 392 feet wide. The length of both is over the required 1800 feet.

It was pointed out by Mr. Allen that although the runways had been approved as they are, if the town decided to purchase the field it would be desirable to purchase sufficient land to bring the field up to the standard size, especially as the land was available.

The present owner of the property is in sympathy with the movement and would sell the land at a reasonable figure; this was another point in favour of the town acquiring the property at the present time, as it was pointed out that should the property change hands the next owner might ask a much higher price.

Mr. Allen further pointed out that very little money would have to be expended on the property to bring it up to the requirements. Most towns have had to spend large sums of money for an airport and it was felt that the town of Summerside should not lose this wonderful opportunity to be placed on the air route of Eastern Canada at such a small outlay.

Mr. H. T. Holman endorsed Mr. Allen's remarks and stressed the point that flying had passed the experimental stage and was being used by up-to-date business men for travel and if Summerside wished to keep up to the forefront she would have to have an airport that would be recognized by the Canadian Airways.

Mr. W. E. McDonald also spoke along the same lines and pointed out the many advantages of the present field as an airport.

Councillor Schurman thanked Mr. Allen and the other members of the Committee for placing the matter before them, but said that although the Councillors were in favour of the movement, as there was such a small representation of the Council present the matter would have to be laid over until their next meeting, which would be the following Monday.

Other matters taken up at the meeting were the passing of the following bills. Town paid bills \$8,702.03. Unpaid bills \$973.18. Electric light paid bills \$763.27. Unpaid bills \$1,023.12.

The purchase of coal for the civic building was laid over.

The reports of the committees were received and passed. Police report showed 28 convictions for drunkenness, three for stealing, one assault, an insane person was sent to the asylum at Charlottetown. Several citizens were put in jail for not paying their taxes. Some were placed in the paupers' list. Fines collected were \$233.75.

Reports from the Finance Committee, Street Committee and Property Committee were all encouraging and showed that the town affairs were very satisfactory. Meeting adjourned until Monday, November 21st.—S

Impressive Service At Montague

The fourteenth anniversary of the signing of the Armistice on November 11, 1918 was wholeheartedly observed at Montague Friday last. Over four hundred of Montague's citizens turned out to pay their tribute to the memory of the fallen.

Under leaden skies which at times threatened showers, an impressive ceremony was carried out before the marble tablet in front of the school, participated in by citizens, Boy Scouts, Girl Guides, school children and ex-service men. In the opinion of those who arranged the program, the success which attended the service this year indicated that such a service is desired by the people as a whole on Remembrance Day.

About one hundred ex-service men in civilian clothes and displaying medals, twelve men in military uniforms forming the Guard of Honour, Boy Scouts and Girl Guides made up the parade which formed up at the Montague Rink at 10.15 o'clock and marched to the Memorial School in the following order: Pipe and Drum Band, under command of Sgt. Hughie McPherson, Guard of Honour, under command of Major H. W. Poole, ex-service men, under command of Sgt. W. A. McLagan, Boy Scouts, under command of Scoutmaster Ken Beer, Girl Guides under command of Mrs. H. W. Poole.

The parade marched down Main St. as far as the Presbyterian Church, thence via School Street to the Montague Memorial School where the following program was carried out: O Canada, school children and others; address by Major H. W. Poole; Scripture readings by Rev. Gordon C. Pringle and Rev. D. M. Sinclair; prayer, Rev. Mr. MacDonald; hymn, O God Our Help in Ages Past; addresses by Rev. Mr. Pyke, Rev. Mr. Armstrong, Rev. O. Kiggins and Rev. Mr. Waterworth. Two minutes silence; reading by Miss Frances Coffin. The wreath donated by the returned men was then placed on the memorial tablet by Mr. Heath Stewart; Last Post, Arch Hume; God Save the King.

After the service the returned men held a meeting in the Community Welfare League Rooms where it was decided that a branch of the Canadian Legion be organized at Montague. At twelve o'clock Cook House Door was sounded and all ex-service men taking part in the parade were invited to a dinner in the I. O. O. F. Hall given by the ladies of Montague. After dinner the tables were cleared and most of the afternoon was spent in music and cards. At the conclusion a hearty vote of thanks was tendered to the ladies of Montague, and especially to Mrs. Neville Cumming for the excellent dinner which was greatly appreciated by all of the ex-service men.—H

Mrs. Hugh Steele The residents of McAskill River and vicinity were called upon recently to mourn the passing of one of its venerable and respected residents in the person of Mrs. Hugh Steele, at the advanced age of 88 years. Of a cheerful disposition and rugged constitution she enjoyed good health up till a short time before her death. During her last illness she was visited by her pastor Rev. A. McAulay and died fortified by the last sad rites of the Catholic Church. The late Mrs. Steele, who before her marriage, was Miss Effie McIntyre, when very young, came with her father and other members of the family, from Scotland on the good ship Polly, in 1848 and settled in Pictou, N. S., remaining there for one year, coming finally to St. Peters Bay, P. E. I. Afterwards she married Hugh Steele of McAskill River and resided there until her death. She leaves to mourn one sister, Mrs. Henry Peters, Sacred Heart Home, Charlottetown, one son, Joseph, with whom she resided, two grandsons, Ambrose, who tenderly nursed his grandmother during her last illness and Lauchie, to those two boys she gave a mother's care and devotion, their mother having died when they were infants, and another grandson, George Palmer, of Goose River. Her only daughter Maisie, predeceased her last March. Her funeral which took place on Oct. 26 to St. Peters Bay, was largely attended. High Mass of Requiem was sung by Rev. A. McAulay who also officiated at the grave. The pall bearers were Messrs. John J. McKinnon, Wilfred McKinnon, James J. McKinnon, Sylvester McNinis, George Palmer and Temple O'Hanley. May her soul rest in peace.

New Glasgow

Ms Irene Wyand, teacher at Cavendish is spending the week end with friends in Charlottetown. Mr. Preston Campbell has recently installed an up to date crusher and is now busily engaged in crushing for the public. Miss Blanche Wyand, Mayfield, is at present visiting her sister, Mrs. Fred Moyle, Beadeque. Mr. and Mrs. Malcolm McSwain and family, Kingston, were visitors to New Glasgow Sunday last. Among those who attended the Sacred concert in the Fairview Baptist Church on Tuesday evening were Mr. Roy Smallman, Miss Edna Jenkins, Miss Mina Ling, Miss Agnes Williams and Mr. and Mrs. Holden McLure, Charlottetown. Miss Dorothy McKenzie and Mr. Robert Ross of the staff of the Bank of Nova Scotia, Kensington, were visitors to Mr. Ross's home in Wheatley River last week. Over one hundred relatives and friends of Mr. and Mrs. Allan McKay tendered them a miscellaneous shower at the home of Mr. and Mrs. Everett Haslam, Springfield. The newly-weds were given the seats of honor while Miss Alice McLeary untied the ribbons and Mrs. LeRoy Carter read the humorous verses and Mrs. Hyatt Haslam presented the gifts. The presents received were many and beautiful which goes to show the high esteem in which the popular young couple are held. The remainder of the evening was spent in music and dancing and a dainty lunch passed by the hostess assisted by Mrs. Leslie Weeks, Mrs. Harry Weeks, Mrs. Haslam, and Mrs. John McKay. Mr. and Mrs. McKay will make their home at Bradalbane. Quite a large number of neighbours and friends assembled at the home of Mr. and Mrs. James Hill, Bradalbane on Halloween night to celebrate with Mr. Hill his thirtieth birthday. Complimentary speeches were heard from the different ones present and a programme of musical numbers were carried out. At a late hour friends left for their respective homes wishing Mr. Hill many more happy birthdays. A concert and social under the auspices of the Women's Missionary Society of the Kingston Baptist Church, was held in the Kingston Hall on Monday evening Nov. 1st. The Hall was crowded to capacity and a good programme enjoyed. Mention may be made of the humorous dialogues which caused much merriment in the audience, and the

Memorial Service

On Sunday November 13th fifty returned men paraded from the Montague Rink to the United Church, where a special memorial service was held in Remembrance of those who died on the battle fields of France and Flanders. The service opened by the singing of "O Canada", prayer, hymn—Faith of our Fathers, Scripture Reading, Hymn—O God our Help in Ages Past, Offering, Solo, Miss Vivian Armstrong, Let us have peace, Quartette, That will be Glory for me. Address by Rev. G. C. Pringle which was as follows: "I take great pleasure, on behalf of this congregation, in welcoming the returned men to our midst. I feel that their presence at Church is a step in the right direction and hope that this step may become a custom in our community upon this day in the years to come. It used to be that in the parade the splendour of the uniforms, the movement, had something of "The pomp of heraldry, the pomp of power" but during these few years many changes have been wrought. The faces of the men before me are not those of inexperienced youth; they are faces lined with care. To gaze upon your countenances this morning does not cause the blood to tingle as in the days of the War; rather one is filled with sadness at the thought of that through which you have come. But we do feel that by your presence we have communion with thousands who laid down their lives and that you are holding the torch before us which they threw to you with falling hands; a torch which if our eyes could clearly see, would lighten our pathway through these dark and treacherous days, into the Kingdom of Peace. Yesterday afternoon, I was talking with two returned men and one of them said to me: "What is your text for tomorrow? You may as well tell us because we know what you are going to say anyway." I began to think: "What can I tell these men: men who have gone through an experience that we cannot begin to comprehend? This morning I will not tell you that war is a dastardly business; you know it is. I will not tell you that there can ever be war to end war; you have tried it and failed you know that what ends war is Peace! I need not try to assure you that there is a Hell; you have been through it. I cannot tell you that the fight unto death established the cause of righteousness; crime is on the increase; morality is at a very low ebb. I cannot tell you that the fight unto death made the world safe for democracy; not when there are street riots in the City of London at this stage of civilization; not when thousands of men are unemployed. I cannot tell you that the fight unto death procured us our liberty; not when it gave us a debt, a portion of which, perhaps, every child, born within the next hundred years or more, will have to pay. I will tell you that you fulfilled only a temporary purpose; you only postponed the evil day; you fought, and your comrades died—in vain—IF WE FORGET. God forbid that we should forget; that "Twenty-five millions shed their blood or perished in the greatest of all human contentions less than twenty years ago." God forbid that it should be that: "Merciful oblivion draws its veils," and makes it seem "as if the tale were all a dream." It may be that someone would say: "War is not our will; no one wants to fight; war is in the nature of things." But what makes the "nature of things" unless it be the individuals that constitute mankind? Can we not change their hearts? Someone may say that changing men's hearts is only a

Your Family's Income Doubled!

Until the youngest child becomes of age

There is a remarkable plan of Life Insurance for the man with young children—that of providing a sufficient income for the growing family until they are self-supporting. Policy provides in the event of the policy-holder's death, while his children are young, that there will be paid to the family until the youngest child reaches a self-supporting age an income equal to 12% of the face value of the policy. The usual income from a good investment, of course, does not exceed 6%.

A \$10,000 Policy on this Plan would provide \$100 per month (\$1,200 a year) during the income period and then pay \$10,000 in cash to your beneficiary—perhaps your widow—as a nest egg for her old age.

You see how unusual this is—twice as much income is guaranteed as a similar amount of money could provide under any other plan—and the principal sum is left intact.

Here is a real family protection. SEND THE COUPON TODAY FOR COMPLETE INFORMATION The Imperial Life Assurance Co. Head Office, Toronto, Ont. Please send me by mail particulars of the Imperial Double Income Policy without obligation to me.
