The Summerside Fire Relief Committee have received \$150 from the Sons and Daughters of the Maritime Provinces in Oakland, Calif. The names of the contributors will be published later.

The six year old son of John Gill, Richmond, had the misfortune to break his leg at the upper third of the thigh last Sunday. The patient is doing well as a little boy can be expected to in the circumstances.

The Summerside Fire Relief Fund committee acknowledge with thanks the receipt of a further contribution of \$10.40 from the parish of Misericorde. This amount with \$30.10 contributed a few days ago, and \$3.00 contributed by the pastor, Rev. M. Monaghan, makes a handsome total of \$53.50.

What the weather lacked in attractiveness on New Years night was amply compensated for the large audience that assembled in the Market Hall to enjoy the annual treat furnished by Prof. Whitney. This year, notwithstanding such drawbacks as short time for preparation and execrable weather, the entertainment was even more enjoyable than any that preceded it, and it was an unmitigated compliment to Mr. Whitney's reputation as an entertainer, that, notwithstanding almost impassable roads and a most disagreeable night, the hall was full to the doors. The program was faultlessly carried out, each performer taking his or her part without the slightest hitch, and in a manner that thoroughly pleased the audience.

I will please the many friends of the family to know that Catherine the little daughter of Melville and Mrs. Arthur, of Tryon, who suffered such a painful accident about a month ago is now almost recovered, and was out for a short drive on Christmas Day. The parents are very much obliged to all those who came to their help and expressed their sympathy for them in their trouble.

Miss Abbie Heckbert, a capable and efficient nurse at Falmouth, recently severed her connection with that institution. While there she showed superior knowledge and unusual ability and by her gentle demeanor endeavored herself to all. On the eve of her departure she was presented with an address and handsome present as a token of the esteem and regard in which she was held by the staff of the hospital. Miss Heckbert intends to leave for Boston shortly.

### ANOTHER GREAT DISCOVERY.

A well known gentleman in Back Bay Cal., Mr. John Cowan, has discovered an absolute specific for Rheumatism, and writes: "I was afflicted with Spondilia and chronic Rheumatism which I contracted years ago. The disease had a great hold in my blood, and it was hard to make any impression on it. Reading of Ferron's I was convinced of its merit and it's certainly the best I have ever tried. Why I just drove away the Rheumatism. Even stiffened old sufferers will experience quick relief. The reason is that Ferron's acts through the blood and thereby destroys the cause of the disease. Price 50c per box at all dealers."
