On May 16th a very pleasant evening was spent at the home of Mr. and Mrs. Donald A. MacLean when their friends of DeSable and adjoining districts celebrated with them their silver wedding, Mr. Chester Shaw was chosen as chairman and called on Mr. Ernest Holm to read an address and the presentation of a beautiful set of silver was made by Mrs. Wilfred Ferguson and Mrs. Chester Shaw. Mr. and Mrs. MacLean expressed their appreciation of the gift and also the spirit that prompted their friends to join with them in celebrating the twenty-fifth anniversary of their marriage.

The evening was very pleasantly spent in music, dancing and social conversation. Music was furnished by Messrs Dave Ferguson and Geo. Villet and was enjoyed by all. After singing for "He's a jolly good fellow" and the National Anthem all left for their homes after wishing Mr. and Mrs. MacLean continued health and prosperity.

The following is the address:

To Mr. and Mrs. Donald A. MacLean on the twenty-fifth anniversary of their wedding day.

Dear Mr. and Mrs. MacLean:

We would ask you to accept this gift as a tangible expression of your thoughts and feelings and as you enter on another term of years of your married life we would sincerely wish that they may be long and even happier if that can be possible than the years that have passed, and would express the hope that the things of this world may be given to you in full measure and also the things that count in the world to come.

Signed on behalf of your friends and neighbors.

Another of those valued links that bind the present days with those of fond remembrance, was severed by the hand of death, when at Souris West, on the morning of Saturday June 25th, Mrs. John Mullally one of the most highly esteemed residents passed to her eternal reward.

The deceased was a daughter of the late John Sinnott and Jane McAulay. She was born in Rexton, New Brunswick, coming to P. E. I. as a child with her parents, later locating on the historic Stookley farm, St. Peters Harbor. She received her education at Notre Dame Academy, Charlottetown.

About six weeks before her death Mrs. Mallally contracted "flu" but it was not till a few days before demise that her condition became alarming. Her devoted family tried by every means to stay the dread summons but God willed to take His faithful servant home. Mrs. Mullally was an ideal type of true Catholic womanhood. The "valiant woman" spoken of in Holy Scripture, "whose children shall rise up and call her blessed." She had a wide circle of friends, who will miss her cheery greeting and kindly assistance. A devoted and loving mother she will be especially missed in the home circle where her thoughts were always for others.

Th funeral which took place on June 27th to St. Alexis Church, Rollo Bay was a loving tribute to the deceased and was attended by a large concourse of relatives and friends, bearing silent testimony to the respect and esteem, in which she was held by all who knew her. A Solemn Requiem High Mass was celebrated by her son, Rev. John H. Mullally, assisted by her nephew, Rev. F. L. Mullally, Deacon and her cousin, Rev. A. L. Sinnott, Sub-deacon. Rev. F. Murray being Master of Ceremonies. A number of priests occupied seats in the Sanctuary. The final absolution was given by His Excellency Bishop O'Sullivan. Service at the grave was conducted by Rev. J. H. Mullally. The active pall bearers were six nephews of the deceased. The honorary pall bearers were Hon. Senator Hughes, Dr. F. S. MacDonald, Bernard Creamer, D. F. Campbell, James Kickham and Joseph A. MacDonald.

There are left to mourn their irreparable loss three sons and three daughters, Rev. J. H. Mullally, Deloraine, Manitoba, Dr. A. A. Mullally, Milton, Mass., and George at home; Mrs. F. Cairns, Souris West, Ella graduate nurse of New York, who tenderly cared for her mother during her last illness and Evelyn of Deloraine, Man. All of whom were at her bedside when the end came. Her husband, the late John Mullally and two daughters, Sr. St. Helen of the Congregation De Notre Dame and Sr. Mary Alfred of the Sisters of St. Martha predeceased her.

The following brothers and sisters survive, His Grace Archbishop Sinnott of Winnipeg, who was attending the Eucharistic Congress in Ireland at the time of her death and was unable to be present for her funeral, and Edward of Pincher Creek, Alberta; Mrs. Joseph MacDonald, Blackie, Alberta, Mrs. T. D. Scully, Portland, Maine, Mrs. Alice McInerney and Miss Hannah of Winnipeg, Manitoba.

The sympathy of the whole community is extended to the family in their recent sad bereavement.

"Requiem aeternam dona ei, Domine et lux perpetua luceat ei."

HERE FROM NEW CARLISLE—Mr. J. Roy Hughes, of New Carlisle, Que., and his wife and daughter are at present visiting his parents, Mr. and Mrs. G. A. Hughes, Prince street. Mr. Hughes, who is manager of the branch of the Bank of Nova Scotia there, is enthusiastic over the tourist prospects of that part of Quebec, due to the opening of the Perron Boulevard, which is a finely gravelled road, surrounding the Gaspe Peninsula, and has already attracted thousands of Americans in their automobiles. The principal industries of the district are lumbering, fishing and farming. Unfortunately the two former are suffering from lack of markets, and the heavy adverse tariff in the United States, but great faith is being pinned in the Conference at Ottawa to provide new outlets.

After a lingering illness of the last three months there passed peacefully away at his home, 6 Hawthorne Street, Dartmouth, July 13th, Allan C. McDonald of the McDonald Construction Company, well known firm of contractors of Halifax. The late Mr. McDonald was a ntaive of East Bay, Cape Breton, where he was born fifty-four years ago.

When quite a young man he established a painting and decorating business in Sydney, C. B., in which he continued till the spring of 1917, when he and his family removed to Dartmouth, Nova Scotia. He leaves to mourn his loss, his loving wife, who was formerly Martha E. Connick of Kensington, P. E. NOVENA CLOSED—The solemn closing of the Novena to St. Ann, which has been so successfully conducted in St. Dunstan's Basilica by Rev. Louis A. Dougan, took place last evening, with a special sermon and Solemn Benediction. The ladies' choir rendered the hymns. His Excellency Bishop O'Sullivan was present at the 7.30 mass yesterday morning and also at the evening devotions.

A jinx that has hovered over the farm of Edwin Lord, Bedeque, for three days tonight gloated over two wrecked automobiles, eight casualties, and the ruins of a house and barn. Three of the victims are in hospital.

The series of mishaps opened on Sunday when Lord's residence was destroyed by fire. Rushing to the scene to assist the fire-fighters Col. Hugh. Dawson drove his car over a pole on the Lord property and one end of it flew up and struck him on the head.

The ruins of the house smouldered today and sparks from them settled on two barns, which caught fire and burned to the ground about 3 o'clock yesterday.

Overcome by smoke and excitement while trying to save implements from the barn, Mr. Lord collapsed and was sent to hospital.

On the highway below the farm two cars collided head-on as their occupants, including the drivers, watched the fire. Joe McMahon and Miss Cassie McNeil, of Summerside, in one car, were seriously injured and now are in hospital at Summerside. Mr. and Mrs. William Cook and Mr. and Mrs. Harry Crossman, of Cape Traverse, in the other car, were bruised and cut by glass. The approximate loss is estimated at between four and five thousand dollars.

Bad Accident

A bad accident occurred yesterday afternoon outside the scene of the fire at Mr. Edwin Lord's premises at Bedeque Several cars were parked in front of the spot. Mr and Mrs. Cook and Mr. and Mrs. Harry Crossman all of Cape Traverser were in Mr. Cook's car and the driver was about to turn into Mr. Lord's yard when he was run into by Mr. Joseph McMahon who was driving a truck belonging to W. B McNeill of Summerside, Miss Tessie McNeill was in the truck. The truck after striking the car ran into the bank and was made a total wreck. The occupants of the truck were badly hurt and taken to the Prince County Hospital. Miss McNeill has several bad cuts mostly to the lower parts of her body. She was thrown from the car some distance. Mr. McMahon has several severe cuts about the head and is in a serious condition. The occupants of the other car all escaped serious injury although Mrs. Cook had to receive medical attention as her arm was badly lacerated Their car was crushed in one side. Mr. McMahon will have an X-ray examination this morning.

Fourth Conflagration

Fire visited the premises of Mr. Edwin Lord of Bedeque for the fourth time yesterday afternoon and burned his cold storage plant, large barn, several outbuildings and a number of pigs. The fire was discovered about 3.30 by Capt. Peters of Summerside. Flames were coming from the roof of the cold storage plant Mr. Lord was away at the time. Neighbors gathered quickly but a heavy gale had sprung up and nothing could be done to save the buildings. Only the machinery shed and the foxes were saved.

CORRECTION. — The Guardian has been informed by the Secretary of the Organization that in the report of the Acadien Congress held at Egmont Bay, credit was given to this district as being the oldest French settlement. This is hardly correct as the same distinction might be claimed by either Miscouche or Rustico as both these places were settled about the same time. It was also stated, in the report, that next year's convention was to be held at Hope River, this is not so as both place and date of the convention are left in the hands of the executive committee. The Acadien Society at Tignish is known under the name of the "Societe Acadienne Mutuelle."

CHOICE OF TWO COMPANIES —At a meeting of a sub-committee last evening the tenders for the construction of the new Prince Edward Island Hospital were discussed, and the number of possibilities was narrowed down to two—the Stewart Construction Company, Sherbrooke, Que., and A. F. Byers & Co., Montreal. At a meeting on the previous evening, the Building Committee met with Mr. J. T. Govan, architect, Mr. Keefe, engineer, Montreal, Mr. James Harris, associate architect and Mr. Baker. The tenders thirteen in number, were opened, and the sub-committee was appointed to go into the matter more fully. The contract will be definitely awarded very shortly.

THURSDAY

ARRIVE BY PLANE — Mr. and Mrs. Errol Lanquadoc and daughter, Montreal, arrived in the City yesterday by plane from Moncton. They are staying at the Beach Grove Inn. FUNERAL YESTERDAY — The funeral of the late Mr. Duncan Smith took place yesterday afternoon at 2.30 from his late residence, 33 Upper Hillsboro Street to the People's Cemetery. The services at the house and at the grave were conducted by Rev. R. M. Legate. The pall bearers were Messrs. James Carter, T. W. L. Prowse, W. H. Stevenson, Patrick McTague, L. B. Miller, Capt. Ernest Kemp.

Friends and relatives throughout the province will regret to learn of the death of Melbourne S. Wright on June 9 at his home in New York City. Mr. Wright was 70 years of age. He had been in failing health for some time but the end came very suddenly.

He was a son of the late Jesse and Mrs. Wright of Middleton, P. E. Island. He left the province when quite a young man and made his home in New York City where he was connected with the Fulton Fish Market for many years.

He leaves to mourn a sorrowing widow and one brother, Artemas of Summerside.

Mr. Robinson Warren, Cornwall, and his daughter, Mrs. William Dockendorff, Los Angeles, were badly bruised and shaken up when their horse, and the carriage in which they were driving were sideswiped by a car on the road at Cornwall about 9 o'clock last evening. Both were thrown to the road by the impact. Neither were seriously injured although they received bad bruises and suffered considerable pain.

It appears that immediately before the accident the carriage had met a car which raised a large cloud of dust. The occupants of the wagon claim that they were driving to the right side of the road. Hidden as the wagon was by the cloud of dust, Mr. Emmet Corish, the driver of the second car, claims that he was unable to see the horse or the vehicle, which carried no light. In any case the car struck the horse cutting its hind leg, and side-swiped the carriage smashing one wheel of that vehicle and doing other damage. The carriage overturned throwing both occupants to the earth. The car sustained a damaged headlight.

The accident occurred about a quarter of a mile from Mr. Warren's home toward which the victims were proceeding. A doctor and an ambulance rushed to the scene at once, but it was found that the services of the latter were not required. Both patients are reported resting comfortably although the full extent of the injuries sustained has not as yet been ascertained.

The R. C. M. P. are investigating the case.

ATTEMPTED BURGLARY — What looks like an attempted burglary occurred some time during Wednesday night when putty was removed from the glass in the window of a store on the east end of Dorchester Street. The little store is conducted by Mrs. Abram Moses, whose husband passed away in Amherst some time ago, and the widow is now making an attempt to support her little family by means of this small store. The two culprits were seen, and evidently frightened off before gaining access. It is understood a description has been given the police, and it is to be hoped the parties will be apprehended.
