Catarrhal Deafness and Head Noises

TELLS SAFE AND SIMPLE WAY TO TREAT AND RELIEVE AT HOME

If you have catarrh, catarrhal deafness or head noise caused by catarrh of the pharynx or in your throat and has caused a rise of the stomach or bowels you will be glad to know that there is a simple remedy which may be entirely overcome in many instances by the following treatment which you can easily prepare in your own home at little cost. Secure from your druggist 1 ounce of Farnint (Double Strength) Take this home and add to it 1 pint of hot water and a little granulated sugar. Stir until dissolved. Take one tablespoonful four times a day. An improvement is sometimes noted after the first day's treatment. Breathing should be easy, while the distressing head noises, headaches, dizziness, cloudy thinking, etc., should gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing, mucous droppings in the back of the throat are other symptoms which may be overcome by this catarrh and which may often be overcome by this efficacious treatment. It is said that nearly ninety per cent of ear troubles are caused by catarrh, and there must, therefore, be many people whose hearing may be restored by this simple, harmless, home treatment.

BARBARA DECIDES NOT TO BE JEALOUS OF BLANCHE ORTON

CHAPTER XX.

When Neil came home the next afternoon I asked him some questions about the business upon which he was engaged with the two men who were our guests the night before. At breakfast he had been absolutely unapproachable.

"What do you want to know? You wouldn't understand if I tried to tell you." The same answer he invariably gave me. But I had a reply for him, this time:

"Mr. Frederick didn't seem to think me so 'dum.' He talked of the oil wells to me and told me a great deal about them because he saw I was interested. If I can understand him, I think I could you, dear, when I care so much more because it is you."

"Oh, I want to sell some shares in prospective wells. That is all."

"We don't know—yet. It takes money to find out."

"And that was what Mr. Frederick meant when he talked about being 'open and above board,' wasn't it? Not to take money without the people knowing just what it was to be used for?"

"I thought Frederick was game!"

Girls! Draw a Moist Cloth Through Hair, Double its Beauty

Try this! Hair gets thick, glossy, Wavy and beautiful at once.

Immediate?—Yes! Certain?—that's the joy of it. Your hair becomes light, wavy, fluffy, abundant and appears as soft, lustrous and beautiful as a young girl's after a Danderine hair cleanse. Just try this—moistened a cloth with a little Danderine and carefully draw it through your hair, taking one small strand at a time. This will cleanse the hair of dust, dirt or excessive oil and in just a few moments you have doubled the beauty of your hair. A delightful surprise awaits those whose hair has been neglected or is scraggy, faded, dry, brittle or thin. Besides beautifying the hair, Danderine dissolves every particle of dandruff; cleanses, purifies and invigorates the scalp, forever stopping itching and falling hair, but what will please you most will be after a few weeks use, when you see new hair—fine and downy at first—yes—but really new hair growing all over the scalp. If you care for pretty, soft hair, and lots of it, surely get a small bottle of Knowlton's Danderine from any drug store or toilet counter for a few cents.

DISPERSAL SALE OF Holstein-Friesian Cattle

AT BUNBURY FARM, CHARLOTTETOWN

February 26, 1919, at 1.00 p. m., (or next day, same hour, if weather is very unfavorable.

Terms—12 months credit on bankable paper, 7 p. c. discount for cash.

STOCK FOR SALE:

- 4 pure-bred bulls.
- 4 pure-bred cows.
- 2 grade cows, 6 years.
- 1 grade cow, 4 years.
- 2 grade cows, 3 years.
- 13 grade heifers, 2 years.
- 2 grade heifers, 2 1/2 years.
- 3 grade heifers, 1 1/2 months.
- 8 grade heifers, 10 months.
- 6 grade heifers, 7 months.
- 3 grade heifers, 3 months.

Almost all the heifers are sired by Sir Fairview Korndyke, a son of Pontiac Korndyke, out of a full sister of Rag Apple Korndyke 8th, who is at the head of the world's greatest herd.

Nearly all over a year old are in calf to Sir Dekol Pontiac Jewel, a son of King Pontiac Jewel with over 70 tested daughters, who is sired by King of the Pontiacs with 235 tested daughters and 129 proven sons, twice as many as any bull of any breed. His dam's 7 nearest dams average over 28 lbs. butter in 7 days. A considerable proportion freshen in April.

The imported bull King Walker Pietertje will be sold. He is right every way and is heartily recommended to any group who purpose organizing a Holstein center. His place in the herd has been taken by the 10-months-old calf—Roycroft Pietje Echo, recently bought from W. S. Shaw, Newmarket, Ontario.

There are no worn-out cows, reactors nor 3 teasers as far as known. The Bunbury Farm herd is tested, with the temperature test, spring and autumn for tuberculosis. Last test there were no reactors whatever. All animals purchased are tested before they come in to the herd.

The only reason for selling is that our barn is overcrowded and we intend to carry only pure bred cattle hereafter. We are holding some 25 head of registered stock for a foundation.

TRAIN ARRANGEMENTS.

Bunbury Station is on the Farm. Those arriving from Southern points can get lunch at the farm house and return at 3.30 p. m. Teams will leave the Charlottetown R. R. Station at 12.30 p. m. to arrive at farm in time for the sale.
