—A large and representative meeting of the farmers of Grand River and vicinity was held in the Maple Leaf Hall on the evening of April 15th to discuss the automobile question. Jas. E. Brown was appointed chairman and Rev. J. A. McDonald acted as secretary. The chairman in opening the meeting called attention to the importance of the question and hoped that each one would do his best to throw as much light as possible on the subject. He then called on Frank Gillis to open the discussion, which he did in a very eloquent manner showing the advantages and disadvantages of allowing autos to run. He was followed by P. J. Gillis who pointed out in a very forceful way what dire results would follow the introduction of the auto. The discussion was then taken up by James McIntyre, Rev. S. McDonald, Pius McKinnon, Rev. J. A. McDonald, W. J. Dennis, J. D. McLehlan, N. J. McDonald and others. It was decided by a two-thirds vote that this meeting should not oppose any act passed by the Government allowing autos to run under prudent regulations. On motion the meeting adjourned to meet again on Friday, April 19th, to discuss the leasing of the oyster beds.
