1847 ROGERS BROS.
This brand is known as "Silver Plate that Wears"
It is the original and genuine "Rogers" as well as the heaviest grade of plate made.
Sold by Leading Dealers

THIS WASHER MUST PAY FOR ITSELF.

A MAN tried to sell me a horse once. He said it was a fine horse and would do anything. I said, "I want a horse, but I don't know anything about horses. How do you know the man very well either?"
So I told him I wanted to try the horse for a month. He said, "All right, but I'll give you back my money if the horse isn't all right." Well, I didn't like that. I was afraid the horse was "all right" and that I might have to whistle for my money if I once parted with it. So I didn't buy the horse, although I wanted it badly. Now, this is what I think.
You see I make "Washing Machines—1000 Gravity" Washer.
And I said to myself, lots of people may think about my Washing Machine as I thought about the horse, and about the man who owned it. But I'd never know because they wouldn't write and tell me. You see I sell my Washing Machines by mail. I have sold over half a million that way. So I thought I'd make it fair enough to let people try my Washing Machines for a month, before they pay for them, just as I wanted to try the horse.
Now, I know what our "1000 Gravity" Washer will do. I know it will wash the clothes, without wearing or tearing them, in less than half the time they can be washed by hand or by any other machine.
I know it will wash a tub full of very dirty clothes in six minutes. I know no other machine ever invented can do that, without wearing the clothes. Our "1000 Gravity" Washer does that as well as a strong woman, and it doesn't wear the clothes, fray the edges, nor break buttons, the way all other machines do.
It just drives soapy water clear through the fibres of the clothes like a force pump might.
So, said I to myself, I will do with my "1000 Gravity" Washer what I wanted the man to do with the horse. Only I won't wait for people to ask me. I'll offer first, and I'll make good the offer every time.
Let me send you a "1000 Gravity" Washer on a month's free trial. I'll pay the whole cost. If you don't like it, you can return it to me. I'll take it back and pay the freight too. Sure, that is fair enough, isn't it?
Doesn't it prove that the "1000 Gravity" Washer must be all that I say it is?
And you can pay me out of what it saves for you. It will save you whole costs in a few months in wear and tear on the clothes alone. And then it will save 50 to 75 cents a week over the washwoman's wages. If you pay for it out of the month's trial, I'll let you pay for it out of what it saves you. If it saves you 50 cents a week, send me 50 cents a week. If it saves you 75 cents, send me 75 cents. If it saves you 1 dollar, send me 1 dollar. I'll let you pay for it out of what it saves you. I'll let you pay for it out of what it saves you. I'll let you pay for it out of what it saves you.
Drop me a line today, and let me send you a book about the "1000 Gravity" Washer that washes clothes in six minutes.
Address me personally, V.I.
Morris, Manager, 1900 Washer Co.,
275 Young St., Toronto, Ont.

MONDAY
A CORRECTION.—It was Mrs. John Goodwin who died in the P. E. I. Hospital on Thursday last and not Mrs. John Goodwill as went the rounds of the press.

THE FIRST LITTER OF FOXES.—The first litter of 1914 foxes is reported from the ranch of A. E. McLean Company Limited, S. W. Lot 16. They were born on the 5th and although the number has not been ascertained it is believed the whole family is in good condition. The Guardian understands, this is the earliest fox birth on record. The A. E. McLean Co., is to be congratulated on the record established.

MRS. MICHAEL HESSIAN.—The death occurred in Charlottetown on Monday morning of Mrs. Michael Hessian, formerly of Georgetown. The deceased lady, who had been ill for about a month, had attained the ripe age of eighty-nine years. The funeral takes place from the residence of Mr. Dominic Ryan, Sydney Street, Wednesday morning at 9.45 o'clock to the pro-cathedral, thence to the Catholic cemetery.

SOCIETY EVENT.—Dr. and Mrs. W. D. Brydson-Jack, says the Vancouver World, entertained Wednesday evening in honor of some of the out of town visitors here to attend the annual meeting of the Dominion Trust Company. The guests of honor were Hon. Charles Dalton and the Misses Dalton, and Mr. and Mrs. W. H. Aitken of Charlottetown, P.E.I., Mr. and Mrs. John Pitblado, of Montreal, Mr. H. P. Gamble, Mrs. Brydson-Jack, and a deep blue of chignon with beautiful net corsage, and her daughter, Mrs. Dodds wearing white satin with chiffon train and crystal studded corsage, received their guests amid the fragrance and beauty of red tulips and white, pink and crimson carnations. The lights and draperies of the rooms lent themselves most pleasingly to the color scheme of the decorations.

The death of Mrs. Jardine relict of the late John Jardine an old respected resident of Head of Hillsborough, took place on Friday morning the sixth at 1 o'clock. Mrs. Jardine, though she had passed the "three score and ten" mark (being 81 years old) had, up to about a month ago, maintained her usual vigour and activity. She will be greatly missed not only by the near relatives who are left to mourn, but also by a large circle of friends and acquaintances to whom she was ever a loyal and true friend. For many years she was a consistent and devoted member of the Presbyterian Church at Mount Stewart. The following members of the family are left to mourn the loss of a loving mother—Henry now residing in Stellarton, N. S., Frank residing at Bradabane, Frederick at home, Mrs. H. D. Coffin, Mt. Stewart, Mrs. P. W. McLeod, Mt. Stewart, and Miss Emmeline, Seattle, Wash., to all of whom we extend sincerest sympathy.—L.

A CLOSE CALL.—A well known Charlottetown family now residing in Calgary, Mr. and Mrs. Henry Jenkins and their little child, recently had a narrow escape from poisoning by coal gas. The gas escaped from a stove during the night, while the family were asleep. Indeed the probability is that they would all have been asphyxiated in their beds by the poisonous fumes, had not the baby awakened Mr. and Mrs. Jenkins, thus saving them all doubtless from a horrible death. As it was, all were so affected that the doctor had to be summoned immediately, and the entire family were confined to their beds for a couple of days. Mr. and Mrs. Jenkins were so weak from the effects of the gas that they could hardly sit up. However, it is pleasing to learn that they are all now progressing very favorably towards complete recovery. While hearing with regret of the incident, the many

A Message To Thin, Weak, Scrawny Folks
AN EASY WAY TO GAIN 10 to 30 LBS. OF SOLID, HEALTHY, PERMANENT FLESH
Thin, nervous, undeveloped men and women everywhere are heard to say, "I can't understand why I do not get fat, I eat plenty of good, nourishing food." The reason is just this: You cannot get fat, no matter how much you eat, unless your digestive organs assimilate the fat-making elements of your food instead of passing them out through the body as waste.
What is needed is a means of gently urging the assimilative functions of the stomach and intestines to absorb the oils and fats and hand them over to the blood, where they may reach the starved, shrunken, run-down tissues and build them up. The thin person's body is like a dry sponge—eager and hungry for the fatty materials of which it is being deprived by the failure of the alimentary canal to take them from the food. The best way to overcome this sinful waste of flesh building elements and to stop the leakage of fats is to use Sargol, the recently discovered regenerative force that is recommended so highly by physicians here and abroad. Take a little Sargol tablet with every meal and notice how quickly your cheeks fill out and rolls of firm, healthy flesh are deposited over your body, covering each bony angle and projecting point. Your druggist has Sargol, and will refund your money if you are not satisfied with the gain in weight it produces as stated on the guarantee in each package. It is inexpensive, easy to take and highly efficient.
Caution.—While Sargol has produced remarkable results in overcoming nervous dyspepsia and general stomach troubles, it should not be taken unless you are willing to gain ten pounds or more, for it is a wonderful flesh-builder.

The Double Work of the Blood
The circulation of the blood is one of the most perfect pieces of mechanism in the universe. Besides carrying nourishment to every part of the body, the blood collects the waste products and passes through the kidneys in order that these poisons may be eliminated.
Hence you see the tremendous importance of keeping the kidneys in healthful working order so that they free the blood of these impurities before they find lodgment in some weak spot and set up serious disease.
Troubles with digestion, aching head, aches in the back, constipation, deposits in the urine, a distention and biliousness—such are the symptoms which indicate the need of Dr. Chase's Kidney-Liver Pills. The liver is awakened to action, the bowels regulated, and the kidneys made vigorous in their work of purifying the blood.
In the great majority of homes Dr. Chase's Kidney-Liver Pills are kept on hand for use in just such cases. They save many doctor bills, and by keeping the digestive and excretive systems in health do much to prolong life and bring comfort in old age.

Useful New Invention

Enable Anyone to Play Piano or Organ Without Lessons

A Detroit musician has invented a wonderful new system which enables any person or little child to learn to play the piano or organ in one evening. Even though you know absolutely nothing about music or have never touched a piano or organ, you can now learn to play in an hour or two. People who do not know one note from another are able to play their favorite music with this method without any assistance whatever from anyone.

This new system which is called the Numerical Method, is sold in Canada by the Numerical Method Music Co., of Canada, and as they are desirous of at once making it known in every locality, they are making the following special free trial and half-price offer to our readers.

You are not asked to send any money until you have tried and are satisfied with the new method. The Numerical Method is willing to send it to you on one week's free trial, and you will not have to pay them one cent unless you desire to keep it. There are no express charges to be paid, as everything will be sent by mail. Simply write a letter or post card to the Numerical Method Music Co., of Canada, 169B Curry Hall, Windsor, Ontario, saying "Please send me the Numerical Method on seven days' free trial." If you are satisfied after trying it, the Method will cost you only \$5, although the regular prices of these are \$10. You should not delay writing, as the Numerical Method will not continue this special half-price offer indefinitely. Later on the Method and fifty pieces of music will be sold at the regular price.

friends of Mr. and Mrs. Jenkins are glad that it had no worse a consequence.

BAD ACCIDENT.—A middle aged man named McRae who was returning to his home in Mitchell River by the Earl Grey, Friday, had the misfortune to fall among some of the chains connected with the steering gear of the steamer. His head was badly cut up and he was otherwise somewhat injured. Dr. Stewart was called on arrival of the steamer and Mr. McRae was taken to the home of a relative in Georgetown. At latest accounts he was progressing favorably and no serious consequences are anticipated.

TUESDAY SPECIAL LECTURES.—A St. John exchange says that the Rev. George Millar of Alberton, P. E. I., recently delivered to the students of the Halifax Presbyterian College two special lectures on evangelism and prayer which were of considerable worth, being highly spoken of.

AN EARLY START.—The Dominion Department of Public Works has made an early start with the construction of the new wharf for the Cardigan ferry. The work is being pushed in the laying down of the piers, advantage being taken of the facilities afforded in this direction by the ice on the river.

WEDDING.—The home of Mr. and Mrs. Frederick Newsom Kingston, was the scene of an interesting event on Wednesday, March 4th, when their daughter, Alta and Mr. Benjamin T. Rodd, Brackley Point Road, were wedded. The ceremony was performed by Rev. C. S. McLearn. The bride was charmingly attired in chiffon or white silk, with shawl lace and pearl trimmings. The two monster wedding cakes which held the place of honor on the richly laden banquet table bore evidence to the large circle of relatives and friends who are to be remembered. Mrs. Rodd is the second person to be married of the second generation of a family which now numbers on her father's side alone, ninety-five members. Notwithstanding the almost impassable condition of the roads the charavari was not neglected. A large number of the young people of the community dressed in fantastic costume observed this good old neighborly custom with proper order and decorum. The groom's present to the bride was a beautiful marmot mink coat.

FRIDAY
Dr. S. R. Jenkins, M.L.A., who was not present at the opening of the House on Wednesday took a seat yesterday afternoon when the Legislature reopened. The Doctor looks bronzed and in excellent health, from his recent trip to Montreal, from which he returned on Wednesday after a fortnight's absence. Dr. Jenkins' visit to this city in Quebec was occasioned by the illness of Mrs. Jenkins, whose condition, The Guardian is pleased to state is now considerably improved.

WEDNESDAY
IN HOSPITAL.—The many friends of Miss K. Cayen, Prince Street, will regret to learn that she became very ill on Monday and had to be removed to the Charlottetown Hospital.

YOUNG SON DEAD.—The Guardian with a wide circle of friends extends sincere sympathy to Dr. and Mrs. C. H. Beer on the death of their winsome little two year old son, Franklin, which occurred yesterday morning after a short illness.

RESIDENCE PURCHASED.—Hon. J. A. Matheson, Premier, has purchased the beautiful residence on the Corner of Grafton and West Streets, erected and owned by Frank R. Hertz, and for some years occupied by his mother, Mrs. Beatrice Hertz. The residence was built at a cost of \$7,500.

THURSDAY
ONLY ONE PASSED.—In the recent semi-annual Pharmaceutical examinations held in Charlottetown Mr. Charles R. McAllan, Summerside, was the only candidate to secure a pass in all subjects.

OUTWARD PASSENGERS.—Among those leaving by the special for Georgetown last evening were: Mrs. Campbell, Miss Etta McDonald, Boston; Miss Hilda Megher for Turro; and Mr. J. A. S. Bayer for Halifax.

TUBERCULOSIS SANATORIUM.—The plans and specifications of the Dalton Sanatorium have been received and show a very expensive and elaborate building. The delay in the completion of the specifications and Mr. McRae was taken to the home of a relative in Georgetown. At latest accounts he was progressing favorably and no serious consequences are anticipated.

MARRIAGE.—The marriage took place March 5, by the Rev. Mr. Sinclair of St. Andrew's Church, at the home of the bride's sister, Mrs. Robert Hardy 110 Mt. Esch, daughter of Mr. Angus McDougall, Eldon to Mr. John McLean, formerly of Orwell Cove but now of Lumburg, Sask. The bride, who was unattended, looked very pretty, wearing tan silk, and carrying a bouquet of pink carnations and maiden hair fern, the parlor also being specially trimmed with carnations and other flowers. The groom's present to the bride was a beautiful seal coat. The popularity of the young couple was shown by the many valuable presents received. After the wedding supper had been partaken of, the happy couple left for their new home. The Guardian joins with their many friends in wishing Mr. and Mrs. McLean a happy wedded life.—Com.

FUNERAL YESTERDAY.—The funeral of the late Mrs. Hessian took place from the residence of Mr. and Mrs. D. D. Ryan, Sydney Street, at 9.45 a. m. yesterday. The services were held at the Pro-Cathedral where High Mass was celebrated by Rev. Father McQuaid. Miss Genie Banchard presided at the organ and Mr. W. J. Brown was choir leader. Rev. Dr. McAllan accompanied the funeral from the Pro-Cathedral and conducted the service at the R. C. Cemetery, where the interment took place. The following gentlemen were pall bearers: Ex-Mayor Lyons, Dr. Conroy, F. Loughran, F. C. Batt, J. McCarey, Dr. Blake. Mrs. Hessian had approached the age of ninety years, and up to the last of her life retained all her mental faculties. She will be remembered by the older members of the community and by residents of her old home in Georgetown as a most charitable and hospitable lady. In the busy shipping days of this province when the merchants and shippers were frequent visitors to Georgetown Mrs. Hessian was an intelligent hostess whose home was known to offer an equal welcome to rich and poor alike.

MR. WILSON ENGAGED.—At a meeting of the Provincial Temperance Alliance, held in the Y. M. C. A. yesterday afternoon, Rev. W. D. Wilson was engaged as Field Secretary for another year. There was a good attendance of the Executive and Rev. Thomas Marshall, the President presided.

GRAND ORANGE LODGE.—The 53rd session of the Grand Orange Lodge of P. E. Island met in the Kindergarten Hall, Wednesday at 3.30 p. m. and did not close until 5.30 the next morning, having been sitting all that time with the exception of two intervals at 6 p. m. and midnight for lunch. About three hundred delegates from all over the Island were present and a large amount of business was transacted. Grand Master Mr. George F. Walsh presided. The following are the principal officers elected—Grand Master George F. Walsh, Ellerslie; (re-elected.) Grand Treasurer, Mr. H. C. Craswell, Charlottetown; (re-elected.) Grand Secretary, Mr. George H. Tanton, Charlottetown; Director of Ceremonies, Mr. J. Robertson; Deputy Grand Master, Mr. James McPhee, Charlottetown. It was decided to hold the annual Twelfth of July celebration in Charlottetown again this year.

A Real Lever Simulation
GOLD WATCH FREE.

Genie Alberts, send us your name and address with the watch, which will be given to you. These watches are guaranteed for one year. Should you like to advance of our watch, we will send you a sample. Don't think this offer too good to be true. Write now. WILLIAM A. FLOYD, Watchmaker, London, N.S.

THE NEW FIGURE.
That easy, graceful, almost costless effect, is attained by wearing the new models of D & A corsets.
Specially commended for rather plump women, corset is No. 799 D & A illustrated herewith and retails at \$2.75.
Ask your dealer to show it. The price is about one half less than imported corsets approaching it in quality. Made by the DOMINION CORSET CO., QUEBEC.
Makers also of the celebrated LA DIVA Corsets. 4-14

Beauty and Charm with Economy
The first impression on entering a room decorated with "Alabastine" tints is one of Beauty. But—while the effects are charming in the highest degree, yet "Alabastine" is the most economical wall finish.
You can make every room in your home glow cheerily by using "Alabastine"—
"Alabastine" tints impart that soothing, restful effect so much desired by people of good taste.
Anyone can apply "Alabastine". Mix with cold water and apply with flat bristle brush. With the numerous tints and white, any color scheme can be easily produced.
"Alabastine" is just the famed Alabaster rock ground into a fine cement—hence its bewitching and permanent colors. It won't rub off. You can re-decorate at any time—one coat makes an excellent foundation for another.
Free Stencils—Our staff of trained decorators will draw up any color scheme for you free of charge.
We also supply free stencils suitable for your purpose. "Alabastine" is sold by all Hardware and Paint Dealers. Write for full particulars and free booklet.
The Alabastine Co., Limited
60 Willow St., Paris, Canada.

CHURCH'S COLD WATER Alabastine

You Can Make Better Foods For The Children With "Beaver" Flour Than You Can Buy
Next to a returning Arctic Explorer, the hungriest mortal on earth is a growing boy. He is always ravenous. "He will eat anything." But why should he?
Right now is the time when his parent should be most particular about his food—to prevent injudicious eating and to protect him against unsuitable food.
Good, home-made bread, made of "Beaver" Flour—light, flaky biscuits made of "Beaver" Flour—these are real foods for growing children. "Beaver" Flour is a blended flour. That is, it is made of exact proportions of nutritious, beautifully flavored Ontario Fall Wheat and a smaller proportion of the stronger Western Spring Wheat.
It is both a bread flour and a pastry flour—and makes the real nutty flavored home-made bread and delicious pastry such as cannot be made with any purely Western Wheat Flour.
Just try "Beaver" Flour—and see for yourself how thoroughly satisfactory and dependable it is for all kinds of baking. Your grocer sells "Beaver" Flour or can get it for you. Dealers—Write us for prices on Feed, Coarse Grains and Cereals.

12 Tumors Removed Without An Operation
Dear Mrs. Currah—I am enjoying better health than I have for eight years, and I think I am entirely cured. I have none of the old symptoms. I am very grateful for my present health, and think Orange Lily is the greatest treatment use in my case. Some were as large as a hen's egg, and some were as large as a hen's egg, and some were as large as a hen's egg. I cannot describe all the good it has done for me. Mrs. Louise E. Bolteridge.
This letter gives an indication of the positive benefits that always follow the use of Orange Lily. It is an applied treatment and comes in direct contact with the suffering organs. It produces results from the start in all cases of women's disorders, including painful periods, falling of womb, irregularities, leucorrhoea, etc.
I will send a sample box containing 10 days' treatment absolutely free to any suffering woman who has not tried it if she will send me her address. Enclose 5 stamps and address MRS. FRANCES E. CURRAH, Windsor, Ont.
For sale by leading druggists everywhere
