The deceased had suffered a paralytic stroke about two years ago and had never really recovered. Mrs. McCarville was very highly esteemed by many friends which she had made during her long residence in Maple Plains and where she will be sincerely missed. THURSDAY HERRING CATCHES—Local fishermen are reported to have netted several large catches of herring yesterday in the harbour. A ready sale for the fish was found in the City. It is thought that the presence of the schools of herring here is due to the ice which is lodged in the vicinity of the north shore.

Campbell, of Lot 16, now Consulting Engineer of Toronto, Ont., will be interested to know that since January he has been traveling in Europe. Stewart was named, also table linen 117 years old. This linen is now owned by Mrs. Leigh McAssey. The wedding gifts were numerous and costly including china, silver, linen and cheques.
