THE marriage is announced of Rosalie, daughter of P. J. and Mrs. Fitzsimmons of Jamaica, Long Island, to Joseph Flynn, son of Thomas Flynn, of His Majesty's Customs in this port. The ceremony took place on the twenty-eighth of last month.

THE St. Thomas Literary and Debating Society of St. Dunstan's College was re-organized for the ensuing season on Thursday night last. There are several budding orators of St. Dunstan's this year, and interesting disputations are expected.

THE Hillsborough rink opened for the season last night, with a fair attendance considering that many other functions were taking place each evening a number of the pleasure loving portion of the community made its way to the rink.

A young lad about six years old when crossing Water street, Summerside yesterday, was run over by a horse and sleigh. A REGRETTABLE accident happened yesterday at Covehead to a son of Frank Auld. The little chap was visiting at the home of his cousin a little daughter of the late Bruce Leitch, and the latter while playing, accidentally struck the end of a hot poker in the little boy's eye. AN official organ for St. Dunstan's College, an annual publication in the magazine style, containing articles by the best writers in the college together with any that former graduates of former years may contribute, is soon to be inaugurated. At a meeting of the students recently held under the chairmanship of J. L. Carrill it was unanimously decided to issue a publication in view. Viewed from all possible points of view the students concluded that against such procedure "nihil obstat."

A REPRESENTATIVE of this paper last visited the newly-built Arena rink, which place is Charlottetown in the most modern rink accommodation is concerned. The immense size of the rink is a revelation to those who have had no opportunity heretofore of comparing its size with that of other rinks in the province and the commodious promenades and galleries promise comfort for spectators. The building is extremely neat and well finished and the ice last night glittered like a flawless sheet of crystal in the dazzling light of the new arc-lamps which have been installed. The reception and waiting rooms are improvements which will be duly appreciated, and will afford pleasurable relief and comfortable places for skaters and others who desire to escape from the ice for a period of rest. Other conveniences, such as dressing rooms, etc., and a restaurant, evidence the determination of the management to provide a pleasure resort which will fulfill the desire of the most fastidious patrons. There is no doubt but that the opening of the Arena on Christmas night will be a notable event in the history of Charlottetown.

With a firm trust in her Saviour, and surrounded by her family who created the separation, she passed peacefully away to be with Jesus which is far better. But that uncomplaining life has left its impression on the family which will last till time shall be no more.
