Aces Win K. of C. Title

By virtue of a convincing 18 to 17 win over their rivals, the Braves, the Aces were crowned champions of the Knights of Columbus Softball League last evening. The hard-fighting Aces came from behind in a best three out-of-five series to take the title after being pressed hard all the way by the game Braves.

It was a jubilant bunch of Aces that walked off the field with the championship last evening but in defeat the Braves gave a good account of themselves. It was a hard-fought series from start to finish.

The Aces won the opening game but were turned back by the Braves in the second encounter. The third also went to the Braves which gave them a game lead in the series. However, the Aces came back in the fourth to tie it up and went on to win the title.

The K. of C. team, which won the regular series and drew a bye in the playdowns, withdrew from the league and this left the title for the Aces and Braves to fight for.

Scoring five runs in the first inning while holding their opponents to one, the Aces got away to a good start last night and from then on were never headed. Both teams staged a thrilling finish in the eight when the game was called because of darkness. The last minute drive netted the Braves four runs while the Aces got five.

A feature of the final game was the splendid pitching of "Mic" Richard who was a big factor in his team's win.

The umpire was Bob Bradley and the base judges were W. Whalen and Joe Pineau.

Lineups

Braves— W. Shephard, L. Martin, F. Gormley, M. Hennessey, M. Connolly, B. Hennessey, C White, B MacDonald, H. Trainor.

Aces— J. Zakem, E. Nicholson, J. Haughey, S. Martin, M. Richard, R. Whelan, A. Burke, N. Wilson, E. Corbett and S. Praught.

Airmen 26, Sailors 20

An airforce team defeated the Navy by the score of 26-20 in an interesting exhibition game of softball on Victoria Park diamond yesterday afternoon. A large crowd of fans were on hand to witness the encounter.

The airmen got away to a good start garnering four runs in the initial inning. The sailors, on the other hand, were unable to score in this frame.

From there on the game was a see-saw affair with both teams putting on a great display of the game. The airmen, however, proved their superiority by scoring heavily in the final two innings to walk off the field with a victory.

LONDON— (CP)— Among gifts of the King and Queen to the Red Cross was a solid gold Louis XV snuff box.

Dodgers edge Reds 3-2 in 12 innings

NEW YORK, Sept. 2—(AP)—Brooklyn Dodgers had to go through a 12-inning wringer operated by Bucky Walters to beat the Reds at Cincinnati today, but they came out unscathed with a 3-2 victory.

It was a tense struggle for the Dodgers their second extra-inning battle in three days, and Manager Leo Durocher used five of his best pitchers with Whitlow Wyatt eventually making his first relief appearance of the year, finishing the game and getting credit for his 17th victory.

Walters, who himself made three hits, batting in one of the Reds' runs and scoring the other, held forth alone till the 12th when he walked Reese and Wyatt sacrificed. Then Lefty Clyde Shoun was summoned to the mound.

Giants Overpower Cards

At St. Louis, New York Giants, who have no interest in helping Brooklyn Dodgers, nevertheless put in an important lick for their cross town rivals by overpowering St. Louis Cardinals 8-2.

The hard-hitting Giants pummelled four St. Louis hurlers for 14 hits and took charge of the game in the third inning when Babe Young doubled with the bases loaded—and unloaded them.

Braves Edge Cubs

At Chicago, Lon Warneke shut out Boston until the eighth inning and then the Braves tied the score and went on to win in 10 innings, 2-1. It was Warneke's fifth loss since returning to the Cubs.

Yankees sweep Doubleheader With Browns

NEW YORK, Sept. 2—(AP)—New York Yankees provided two big thrills for a mid-week crowd of 26,872 today while sweeping a doubleheader from St. Louis Browns—but at the end the spectators learned one of the sensations was simply an illusion.

Charley Keller brought the fans to their feet with his 25th home run after two were out in the 10th inning of the first game and gave the world champions a 3-2 decision.

Then rookie Hank Borowy mowed down the Browns 6-0 in the second game while many in the crowd thought they were seeing a no-hitter.

Actually a smash by Harlond Clift that glanced off second baseman Joe Gordon's glove in the first inning was scored as a single. But the scoreboard at Yankee Stadium does not show whether plays are hits or errors, and as the Brownies fell back one by one through the remainder of the contest the fans felt certain they were sitting in on an historic event.

After the final out they poured onto the field shouting jubilantly only to turn their cheers to boos when the St. Louis total 0-1-2 were posted on the big scoreboard.

Williams Paces Red Sox

At Boston, Ted Williams' thumping bat kept Boston Red Sox firmly on the victory path as they swept a doubleheader from Detroit, 3-2, and 4-2, stretching their month long spurt to 22 victories in 26 games.

Williams blasted across four runs in the twin bill—all of them important—and raised his runs batted-in to 121, far ahead of the rest of the field.

White Sox Wallop Senators

At Washington, Chicago White Sox raied base blows all over the lot and capitalized on Washington errors to sweep a doubleheader with the Senators, 8-2 and 7-6.

Indians Crush Athletics

At Philadelphia, Cleveland Indians crushed the hapless Athletics 12-3 in their final meeting of the season at Shibe Park. It gave the Indians 16 victories against five for the Mackmen in their season's series with one game left to play at Cleveland.

Remember When

(By The Canadian Press

Sir Malcolm Campbell, famous British racing driver, set a new world's speed record at Wendover, Uta, seven years ago today. Piloting his powerful racer over the hard salt course, Sir Malcolm hit 301.13 miles an hour—becoming the first man to pass the 300-mile-an-hour mark on land.

GOERING SHAKES

(Continued from page 1)

soldiers led the Dieppe raid.

The Reuters' story listed these factors as worrying the Nazi high command:—

The ability of a Canadian-British landing force to approach Dieppe without interception and to remain for nine hours;

Poor co-ordination between the German army and the air force, resulting in a "terrific" loss of planes, and most important of all, the landing of tanks by the Allies.

Nazi Air Ports Damaged

A fighting French source here said word had reached London that Goering is trying to find new fields for his bombers and fighters to operate from along the invasion coast. This was described as an apparent result of heavy damage caused by precision daylight bombing by American Fortresses on present airdromes.

It was reliably stated that the German air force was unable to offer serious challenge to the Allies over Dieppe until three hours after the raid started. Then the Germans called up all available reserves, including night fighters and obsolete planes, to try to break the allied cover.

Goering now is reported to be changing commands of the air force in the west and bringing up more planes and reorganizing plane concentrations.

WELL KNOWN

(Continued from page 1)

of the C.N.R. as a machinist and devoted 32 years to this work. He was highly esteemed by his fellow workers as well as by a host of other citizens who had the pleasure of his acquaintance. He entered whole-heartedly into the work of looking after the interest of the troops in this present war and won the popular approval of the many boys whom he met in the course of his duties.

The deceased had been an active member of St. James Presbyterian church and for many years was a valued member of the choir. He was a member of St. John's Masonic Lodge for a number of years.

In addition to his other activities he was a prominent member of the Charlottetown Male Choir for several years and had the honor to be a Past President of the Canadian Legion, B.E.S.L., Charlottetown Branch.

Besides a sorrowing wife, he is survived by his mother, Mrs. D. A. Bruce, Boston, Mass.; four sisters, Mrs. T. H. Westwood and Mrs. Ray Gates, both of Boston, Mrs. Norman McPherson, Providence, R.I., and Mrs Lionel Moriarity, San Francisco; and one brother, Sgt. Maj. W. P. Bruce of the Veteran's Guard of Canada, Ottawa, and formerly of Charlottetown.

HEIRLOOM JEWELRY

Because many of the materials previously used in costume jewelry are now employed by the government in war industries, ornaments of genuine jewels assume new importance. Among those which do not fall into the exhorbitant price class is amber., and jewellers say there is a plentiful supply of crude amber in the United States. No longer the old-fashioned, dull, yellow beads of Grandmother's day, you will find new amber in a wide range of colors from pale yellow to antique brown with a full brilliancy achieved by skillful faceting and polishing.
