Alice Brady In "Lady Tubbs" At The Capitol

Love will find a way.

And if that old proverb fails to work, one can always fall back on a rich aunt with a forceful personality — always provided, of course, that one has such a thing available. Blonde, lovesick Anita Louise was fortunate in having the aunt in the person of Alice Brady, former camp cook who had inherited half a million dollars and had determined that her niece should marry the man she loved, whether his snobbish parents desired it or not.

This is one of the amusing situations in "Lady Tubbs," the hilarious comedy playing today and Thursday —two days only—at the Capitol Theatre, with Miss Brady starred and Douglas Montgomery and Anita Louise in featured roles.

It is when Miss Brady adopts the fictitious title of "Lady Tubbs" that she is accepted with open arms by the unsuspecting and tremendously snooty Ash-Orcutts of Long Island, parents of Montgomery, the young lover in the case. All seems to be smooth sailing until, at a fashionable house party, she encounters the head of the railroad on which she has previously served as cook at a construction camp, and with whom she has continuously battled over the subject of better working conditions for the men. But "Mom" Tubbs is full of resourcefulness and fight, and her work in subduing the snobs and snubbers makes the picture one of hilarious fun.

"Lady Tubbs" was directed by Alan Crosland, and the large cast appearing in support of Miss Brady and Montgomery includes Anita Louise, June Clayworth, Alan Mowbray, Hedda Hopper and Lumsden Hare.

Indicted On Defraud Charge

(A. P. By Guardian's Special Wire)

BOSTON, August 20—The Federal Grand Jury today indicted 11 men from New York, Chicago, Springfield, Brockton, and metropolitan Boston, charging them with using and conspiring to use the mails to defraud in the sale of Polymet Manufacturing Company stock. Prosecuting officials alleged sales of the stock in two years aggregated more than $600,000.

Those indicted included Samuel L. Gaines of New York and William J. Jarvis of Boston, operators who, the Government alleges, put up the money for the Polymet sales drive.

Other principals indicted, prosecutors said, were Arthur E. Gibbs of Springfield, Mass., Joseph V. Barger of Brockton and Arthur Waldo of Winthrop. In addition, the indictment named Albert A. Crosby and Charles Vrooman of Chicago, Morris B. Shuman and Harry Flackman of New York, John L. Callaghan of Newton, Mass., and Sydney Pollak of Boston.

$185,000 LOAN FOR MANITOBA

(C.P. By Guardian's Special Wire)

OTTAWA, Aug. 20—A loan of $185,000 to the government of Manitoba to assist that province in meeting its share of direct relief costs, was announced today at the office of Finance Minister Rhodes. The loan will be secured by provincial treasury bills bearing interest at four percent.

DROWNED AT SEA

(A. P. By Guardian's Special Wire)

BALTIMORE, Aug. 20.—Baltimore mail line officials were advised today by wireless that R. Henry Peters, 46-year-old architect, of Grand Island, Neb., leaped overboard from the mail liner City of Baltimore 400 miles off the Virginia Capes and was drowned

Notes On The Horse Show

In the road hack class, judged last night in the flood-lit arena there were over 20 horses. Kitty, owned and ridden by Judge H. L. Palmer of the Charlottetown Riding Club, captured first prize, in close competition with Gloria, owned and ridden by Mrs. (Senator) W. H. Dennis, Halifax Riding Club.

• • • •

In the Gentleman's Saddle Class, competition was also exceedingly close, and the judges had a particularly difficult time deciding upon a favorite. Robin Hood, owned by Mrs. Raoul Reymond and ridden by Mr. Raoul Reymond was finally adjudged the winner.

• • • •

Lady Morrow, which captured first place in Gentleman's jumping class, is a fine equine specimen, having been brought here from Montreal by Mr. Raoul Reymond, member of Charlottetown Riding Club.

• • • •

Commander, owned and ridden by C. N. Bissett, which won second place in the Gentleman's saddle event last night, two years ago took a leading part in the jumping events at Halifax exhibition. Commander is a son of the Great Axworthy, full brother of Tony the Great, owned by Lieutenant-Colonel F. I. Andrew, who placed third in the road hack event.

• • • •

The musical ride which was a feature of the horse show proved a popular innovation to this year's fair. Some sixteen participated in this striking spectacle which will continue to be a feature in the evening's display.

Whale Cut In Two By Steamer

(C. P. by Guardian's Special Wire)

YARMOUTH, N. S., Aug. 19—Even a whale can't go to sleep when it feels like it.

One of the monsters was taking a snooze in a shipping lane and the steamship Acadia out of New York almost cut it in two, according to the story told here today by a passenger.

Although the ship was not damaged, it was some time before Captain Corning could free his bow from the carcass.

The whale was a big one—about 80 feet long.

Clearance Sale

I am authorized by Joseph Shaw, West Covehead, to sell by Public Auction on his premises, Saturday, August the 24th, at 1 o'clock sharp, the following Stock, Crop and Implements,

U.S. Adopts Watchful Attitude

(A. P. By Guardian's Special Wire)

WASHINGTON, Aug. 20. — The United States has given no consideration to invoking the Kellogg-Briand peace pact in the Italo-Ethiopian controversy.

This was disclosed authoritatively late today.

It was said definitely that the United States has not, up to now, engaged in any diplomatic discussions which would in any way involve this country in the controversy.

State department officials, however, declined any official comment on any phase of the negotiations though the League of Nations Great Britain and France are attempting to find a peaceful solution of the crisis.

Watchfulness remained the official United States attitude.

President Roosevelt's position is that the best interests of the United States lies in not becoming involved in controversies in which the United States has no direct interest.

The United States has placed itself on record as hopeful that a peaceful settlement will be achieved and that integrity of existing treaties will be preserved, but has taken no further action.

K. Of C. Open Convention In New York

(A. P. By Guardian's Special Wire)

NEW YORK, Aug. 20.—Told at its opening session that nations which deny religious liberty and individual rights should be soundly censored, the Supreme Council of Knights of Columbus tonight, signalized in a "victory dinner" its recent membership campaign, with former Governor Alfred E. Smith as principal speaker.

The dinner, attended by 300 Council members and 2,000 guests from all sections of North America, followed an address by Martin H. Carmody, Supreme Knight, of Grand Rapids, Mich., who declared that attempts by Mexican Government representatives to destroy religious freedom in the United States had spurred the organization to a campaign in defence of individual rights.

"As in our personal relations, conditions arise to make it necessary to exclude from our friendship those whose hands are raised against God and man," said Carmody, "so also should there be excluded from the privileges of friendly relations among nations those government that deny God and his laws and deprive man of his natural rights and liberties."

GOLD MINING FLOURISHES IN PHILIPPINE ISLANDS

There is somewhat of a gold mining boom going on in the Philippine Islands. Figures for the first four months of this year show the Philippines with the greatest production of gold bullion and concentrates in the history of the industry in these islands, according to the Industrial Department of the Canadian National Railways. This amounted, in value, to 9,500,000 pesos ($4,655,000. Canadian money). Reports would indicate that the estimated production of 30,000,000 pesos ($14,700,000. Canadian money) for the year will be exceeded.

"THE PARTING GUEST"

The host and his departing guest had just arrived at the station.

"Pray accept my heartiest thanks," said the guest. "I never thought you would have gone to the trouble of seeing me off."

"Don't mention it," returned the host. "I can assure you it's a great pleasure!"

FIRM STAND

(Continued from Page 1)

League against an aggressor state would prevent goods, cash and credit from going to Italy.

Smaller powers and France, it was said, would support the British Government should it urge Geneva to adopt this drastic course at the critical meeting of the League Council Sept. 4.

If the League fails to act, however, Britain must then determine upon her own attitude. It has been made clear she has no intention of playing a "lone hand," sanctions, if adopted, must be applied collectively.

Recalled From Vacations

Ministers, recalled from their vacations, will meet Thursday in a vital session to decide upon a course of action following the breakdown of the tri-power talks in Paris.

After Sir Samuel and Eden conferred in the foreign office, there yas every indication the government is still trying to postpone the fateful day when it may have to face a decision of a unilateral character in the Italo-Ethiopian dispute.

If League powers do not agree to follow the program mapped by Britain, then the whole crisis will be dumped back into London's lap.

Considerable emphasis was placed upon visits to the Foreign Secretary and League Minister this afternoon by Neville Chamberlain, Chancellor of the Exchequer; Stanley Bruce, Australia's Minister in London, and Ray Atherton, Charge d'Affaires of the United States Embassy.

Dominions Informed

As is customary, the government is keeping the Dominion governments informed of the situation, while the government is making a strong bid for United States moral support at least in its moves, and is keeping in the closest touch with the American Embassy.

Sir Samuel and Eden gave Mr. Chamberlain a full summary of the Paris negotiations and obtained his observations on some of their recommendations.

No action had been taken in regard to shifting the Mediterranean fleet to the East, it was authoritatively stated in connection with various rumors. Also, it was stated the governments does not intend to send troops to the Lake Tsana region of Ethiopia to guard Sudan's water supply.

(By John Evans, Associated Press Staff Writer)

(A. P. By Guardian's Special Wire)

PARIS, Aug. 20—Premier Pierre Laval, although foreseeing failure, refused today to abandon his efforts to prevent an Italo-Ethiopian war.

Laval told Anthony Eden of Britain and Baron Pompeo Aloisi of Italy during their recent talks that France is faithful to principles of the League of Nations because the whole European peace policy is based upon it. At the same time he assured each that France valued their friendship tremendously.

The Premier's effort henceforth, officials said, is to retain the two friends without sacrificing the League. What will happen if the League fails to avert war the French refused to contemplate. The hope is that Premier Mussolini will be able to see the advantage of peaceful penetration of Ethiopia over war and its possible consequences in Europe.

Resumes Proceedings

While diplomatic processes were slowed, the arbitration commission on the Ualual incident between Italy and Ethiopia resumed its proceedings. Ethiopia protested against the action of the League Council in eliminating the territorial question from the scope of deliberations.

Nicholas Politis of Greece was named a fifth arbitrator on the commission but will be summoned later when his services are required.

Party Leaders Volunteer

ROME, Aug. 20—Government and Fascist party leaders of all categories are going out to East Africa as volunteers in the armed forces or as administrators and executives, it was disclosed tonight.

Italy will attend the meeting of the League Council Sept. 4 to discuss the Italian-Ethiopian situation, it was said, but it was added in informed circles this was not to be taken as an indication of any change in Italian policy regarding Ethiopia.

The entire directorate of the Fascist party, including Italy's "number two" man, Achille Starace, secretary of the party, has volunteered.

It was disclosed special provision is being made for cabinet ministers and under-secretaries to go to the frontier "danger zone." Their jobs will be filled here by "regents" until they return.

An announcement from Naples said the departures of troops would be considerably speeded through the acquisition of a number of additional transport ships.

All government leaders have been ordered to attend war manoeuvres next Saturday in northern Italy.

Prepares Defensive Measures

ADDIS ABABA, Aug. 20. — Emperor Haile Selassie, thin and careworn, rapidly pressed defensive measures today against a possible Italian invasion.

He ordered foodstuffs and munitions deposited at strategic points throughout the country and told the army not to draw upon the population, which is already impoverished.

The ruler, although confident he has sufficient munitions to enable half a million warriors to repel invasion, was disturbed at a Brussels report the United States had refused licenses for export shipments of munitions. The Ethiopian government has already ordered supplies from America and paid a deposit on them.

To demonstrate the efficiency of the newly-trained Ethiopian soldiers, a sham battle will be staged tomorrow near the imperial palace under the direction of the Emperor.

At the same time reports from the interior claimed natives are becoming restive because Haile Selassie continues to work for peace instead of starting hostilities.

The National Banking Society, which is French, dispatched all its hides, skins and other stocks to Djibouti, French Somaliland, for safekeeping.

Insurance companies increased their war risk insurance rates and accepted risks only for three months. The National Bank imposed severe restrictions on money leaving the country.

CROP REPORT

Below will be found a brief synopsis of telegraphic reports received at the Head Office of the Bank of Montreal from its Branches. The Branch Managers have complete and intimate knowledge of each local situation and are in close touch with crop conditions in all sections of the districts mentioned.

General

Harvesting of grain has begun in the Prairie Provinces and will be general within from ten days to two weeks. In Manitoba and eastern Saskatchewan the severe damage done to the wheat crop by rust is becoming increasingly apparent. In most areas of Alberta crops are progressing favourably. In Quebec favourable weather has maintained the progress of the previously reported good grain and root crops, and pasturage is abundant. In western and southern Ontario harvesting of grain has been delayed by frequent rains, but throughout the province a large hay crop has been saved, despite showery weather. Most other crops are doing well. In the Maritime Provinces conditions are somewhat patchy. The hay harvest has been completed and grains are ripening fast. In British Columbia warm settled weather, following heavy rains, is benefiting crops generally, and a good yield of grain is anticipated. Details follow:

Prairie Provinces

ALBERTA — Crops are maturing satisfactorily but are late in the northern and central areas, and cutting will not be general for two weeks. Prospects continue favourable except in the south, where light returns are indicated. The best crop is an average one. SASKATCHEWAN — Crops are ripening rapidly and cutting will be well under way within a week. Rust infection continues to spread and damage to the wheat crop will be heavy in the southeast and east central areas. Drought has taken heavy toll in the western and northern areas. Coarse grains are patchy, but feed will be sufficient in most districts. MANITOBA—Wheat cutting is fairly general, but, owing to the damage from rust, the crop will be light and of poor grade. A fair yield of coarse grains is expected, although they also have been affected by rust and lodging. Hay is plentiful.

Province Of Quebec

In the lower St. Lawrence and Lake St. John districts grain and root crops continue in average to good condition. Hay is an average crop and pasturage is good. In the Eastern Townships and Ottawa Valley, with the exception of apples which promise only a fair yield, all crops show further progress and prospects are good. An above average hay crop has been safely garnered.

Province Of Ontario

Threshing returns of fall wheat indicate uneven yields of variable quality. Corn is growing rapidly and borer damage to date is unimportant. Second growth alfalfa is heavy; cutting will commence shortly. Early potatoes of good quality yielded well. Canning tomatoes are developing well and promise a large crop. Sugar beets are a good stand. Tree fruits continue to make satisfactory progress. Pasturage is in good condition. Tobacco crops in Norfolk County suffered considerable damage from wind and hail during the past week.

Maritime Provinces

In Prince Edward Island an average grain crop is maturing rapidly. A good hay crop has been safely harvested. Rain is required for roots and pastures. In New Brunswick and Nova Scotia the hay crop varies from fair to average. Grains are heading on short straw, with only average yields indicated. Roof crops are average and apples are satisfactory. Pastures are fair to good.

Province of British Columbia

Grain crops are ripening well. Harvesting of fall wheat and coarse grains is under way. On Vancouver Island rain has slightly damaged the second crop of alfalfa. Roots and vegetables are doing well and are moving to market in fair volume. Recent wet weather has retarded the ripening of tomatoes. Tree fruits are sizing well and commencing to colour. The following yields are now indicated; apples and pears, 90% of average; apricots, 40%; peaches, 30% and plums and prunes, 80%. Pasturage on the mainland is good and water for irrigation is plentiful.

DAUGHTER OF LAVAL WEDS

Famous French Families United By Marriage.

(By Adeliade Kerr Associated Press Staff Writer)

PARIS, August 20—Jose Laval, comely daughter of Premier Laval paused half a minute on the veranda of a church fronting on a quiet little square today, greeted friends, then slipped her hand under her distinguished father's arm and entered the church—to emerge 45 minutes later as the Countess de Chambrun.

This time she clung to the arm of her husband by virtue of two ceremonies (there was a civil marriage yesterday.) The husband is Count Rene de Chambrun, descendent of the Marquis de Lafayette.

The pair entered one of three waiting automobiles and rode to the Laval residence, in the Ministry for Foreign Affairs ,where a buffet luncheon was served to a small but distinguished group of guests, members of the Laval and de Chambrun families, cabinet ministers and diplomats, the latter including Hon. Philippe Roy, Canadian Minister to Paris.

After the luncheon, the Count and Countess stole away to an unannounced honeymoon destination. Members of both families refused to divulge where they will spend their time before they leave on a projected longer trip to Canada and the United States.

Military Appointment

(C. P. By Guardian's Special Wire)

QUEBEC, Aug. 20.—Appointment of Lt.-Col. J. P. B. Dunbar, engineer officer of Military District No. 5 (Quebec), to M. D. No. 6 (Halifax) as A. A. and Q. M. G., has been announced in a despatch received here from the Department of National Defence at Ottawa. The transfer will be effected during the first week of September. Lt.-Col. W. S. Lawrence, of Halifax, will replace Col. Dunbar as military engineer of this district.

Late Rally Halts Declinc On N.Y. Market

(By Frank MacMillen Associated Press Financial Writer)

NEW YORK, August 20 — The Stock Market dug its heels into a slippery price path today and managed to halt a slide which had given some indications of getting out of control.

A sharp extension of yesterday's reaction was led by the Utilities at the opening with large blocks of shares changing hands at substantial declines. Some support then arrived for the beleagured list and the trading volume dwindled. There was another later sell-off with American Telephone breaking nearly five points. But in the final hour the power company stocks came back briskly and early declines were either cancelled or replaced with moderate advances.

The Associated Press average of 60 issues, which was off .8 of a point at one o'clock ended unchanged at 48. The activity was not so pronounced toward the close, although the ticker tape got behind motor transactions in early selling. Transfers totalled 1,972,570 shares.

A sharp decline in U. S. Government securities, following agreement of the House-Senate conferees on the administration's new tax bill, unsettled the loans list with the result that corporation mortgages sagged.

Among Candadian issues St. Regis Paper Pfd. declined four points and Ford of Canada B 2 1-8 points while International Nickel Pfd. advanced one point. Other fractional losers were, McIntyre Porcupine, Lake Shore, Nipissing and Hiram Walker, Dome Mines, Noranda, Distillers Seagrams and International Hydro Electric Pfd. made slight advancements

Ceylon Emerges From Doldrums Of Depression

Down in Ceylon the depression got a bad jolt last year; they had the largest visible trade balance since 1927 and an increase of 27 per cent over 1933. The low point was in 1932. Imports increased 23 per cent and exports 32 per cent, 1934 over 1933. Among Empire countries Canada enjoyed a 53 per cent trade increase along with Australia, according to the Industrial Department of the Canadian National Railways. The United Kingdom also showed trade increase. In the case of foreign countries, the United States is Ceylon's best customer, the balance in favor of Ceylon increasing by 70 per cent last year as compared with the year previous. Increase in imports was due to larger importations of grain, curry-stuffs, gasoline, machinery, cotton goods, manures and metals. Improvement in exports is accounted for mainly by increase in prices. Values for tea increased 23 per cent, rubber 140 per cent. Other exports were cocoanut products.

THE CENTRAL GUARDIAN

THE HIGHLANDS Dance tonight. Al. Blanchard's Orchestra. L-8307-7-16-Wef-tf.

REDDIN BROS., will be the only Drug Store open Wednesday afternoon. L-9270-1i.

SUSPENDED SENTENCE — A motorist from the country who appeared before Magistrate Donald MacKinnon yesterday charged with driving an unregistered car was given a suspended sentence.

HOME FOR BURIAL—The remains of Mrs. John E. Mallard who passed away in Dorchester, Mass., arrived Monday evening and were forwarded to New Zealand for interment.

FIDDLING AND DANCING CONTEST WINNERS—The Fiddlers and Dancing Contest which was held in Cape Traverse Hall was a great success. The prize winners for dancing were No. a Arsenault, Emerald Jct, first, Mrs. George Arsenault, Emerald Jct., second, for men's dancing, Syris Perry, Albany, first, Peter Gaudet, Tignish, second, for fiddlers, James O. Campbell, Carleton, first, E. Campbell, Albany, 2nd.

EVANGELIST JOHNSTON AT FORUM—Obedience to the Will of God was emphasized as the only acceptable religious duty by Evangelist F. W. Johnston at the Forum last night, the speaker taking for his text Matthew 16: 18, 19. He also read John 8: 39-44 as proof of his position. The preached emphasized that if people accept the truth of the Word they are loosed from sin; if they reject the Word they remain bound to their sins.

INSTITUTE NEWS — A new branch of the Women's Institute was organized on Thursday, August 15, 1935, at Spring Valley. Following are the officers for the coming year: President, Mrs. W. J. Harrington; Vice-President, Mrs. George Cotton; Secretary, Miss Bernadette MacLellan, Kensington; Directors, Mrs. Campbell, Mrs. Bryanton, Mrs. James Harrington; Auditors, Mrs. Hiram Harrington, Mrs. George Lockhart. The meetings to be held on the third Tuesday of the month.

PATROL DAMAGED — While answering a call between 3 and 4 o'clock yesterday morning the new Police Patrol was considerably damaged when a car driven by a young woman crashed into the rear left side. The fender of the rear wheel was bent while the woodwork around the rear is showing through the metal. The Patrol had just turned off Richmond onto Queen when the accident occurred. Court action is to follow.

HAS HEAD CUT—Jack Taylor, Charlottetown, received a scalp wound necessitating seven stitches, when a car in which he was riding, driven by Roland Taylor, Charlottetown, collided with one driven by Charley Wood, Hunter River, yesterday afternoon. The accident occurred at the intersection of Weymouth and Fitzroy Streets. The car driven by Taylor was turning off Weymouth onto Fitzroy Street along which the other car was proceeding West.. Both cars were damaged, but not to any great extent.

WEDDING BELLS—The marriage of Ila Anne, elder daughter of Mrs. Clark and the late Alfred J. Clark of Stratford, Ontario, and James Spencer Gregor, younger son of Mr. and Mrs. Charles Gregor of of Brackley Beach, Prince Edward Island, was quietly solemnized at the home of the bride's mother on Tuesday, August 16th, the Rev. J. F. Reycroft of Central United Church officiating. The attendants were Miss Doris Chowen of Stratford, Ont., and Mr. Philip MacDonald of Burlington, Ont. Following the ceremony Mr. and Mrs. Gregor left by motor for Prince Edward Island and returning they will reside in London, Ontario.

BELFAST — A Belfast visitor writes: The congregation of the Presbyterian Church decided on an open air service last Sunday evening owing to the tropical temperature. The innovation was such a success, from all standpoints, that such a service will be held occasionally in the future, and will be welcomed by all who were privileged to be on the scene. Out of the hundreds present, many occupied chairs or benches, others sat comfortably on the grass, while still others stood on their feet throughout the whole service, and enjoyed it. The choir was arranged near the organ, and their leading of the Songs of Zion was an inspiration in itself. The pastor, Rev. Mr. Griffiths, seemed to be no novice as an open air preacher, and added most surely to his reputation as a gifted minister. Standing on the steps leading to the church entrance, his masterly and convincing discourse will be long remembered. His theme was based on the words of St. Paul's, "I bear in my body the marks of the Lord Jesus."

LAID TO REST—The funeral of the late Urban Gallant, of Charlottetown was held from St. Anthony's Church, Bloomfield yesterday morning at 9.30. Solemn High Mass was celebrated by Rev. J. P. Gaudet, D. D., assisted by Rev. J. W. Poirier of St. Dunstan's University as deacon and Rev. J. P. E. O'Hanley of Summerside, as subdeacon. The remains were received at the door of the church by Father O'Hanley who also conducted the services at the grave. Among the clergy present were Rev. Urban Gillis, Wellington, Rev. Geo. MacDonald, Brae, and Rev. Anthony Francis, Truro, N. S. The following were the pall bearers. Messrs. Fidele Gallant, Arthur Arsenault, Felix Gallant, Gabriel Arsenault, Paul Gallant and Paul Peters. The funeral was in charge of Mr. H. Moreshead of West Devon.

BLAZE AT ST. AVARDS—About 4.30 yesterday afternoon the firemen answered a call to St. Avards where a flue fire set fire to the roof. The blaze was extinguished without great difficulty. The damage was but slight.

GUESTS AT EXHIBITION—The inmates of the Provincial Infirmary were the guests of the Exhibition Association yesterday afternoon. After viewing the various exhibits and other interesting features they were given a free ride on the Merry-go-Round by Mr. William Lynch. They were greatly pleased with the afternoon's entertainment.

FRIED EGG ON DOORSTEP — Mrs. John MacAulay, Kent Street, fried an egg on the doorstep yesterday afternoon although the official temperature reading was only 92 in the shade, whereas Monday afternoon it was 98. It took an hour and a half to fry the egg, she told a Guardian representative last night. The egg appeared to be quite well cooked.

Mr. James A. Thomas and Mrs. Thomas, Brighton, Mass., formerly of the Island, are spending a few weeks here visiting their daughter, Mrs. Taylor, Winsloe, and also Mrs. James Todd, Rose Valley. After seeing the Island and observing the excellent roads they visited the Exhibition which they found very enjoyable. They expect to leave Thursday the 22nd. Mr. Thomas has been connected with the Boston Elevated Railroad for the past 40 years.

MAIL CONTRACTORS' MEETING — Mail contractors of Prince Edward Island met in convention in the Board Room of the City Building last night. The meeting was presided over by Mr. Garfield MacKinnon, Secretary of the Canadian Mail Contractors' Association. Discussion took place as to how the condition of the mail contractors might be improved. The meeting then adjourned to resume again tonight when the meeting will be addressed by the Federal members and candidates.

PERSONALS

Hon. J. A. MacDonald, Halifax, N. S., arrived in Charlottetown last night.

A visitor to Charlottetown yesterday was Mr. Allison MacLean, Scotsburg, N. S.

Councillor M. W. Reardon who has been ill for the past ten days has entered the City Hospital for treatment.

Miss Hilda Dunsford, Victoria, is spending a short holiday in the City, the guest of Mr. and Mrs. Willard Lank.

Friends of Mr. E. C. Burhoe, of Burhoe's Grocery, Meat and Fish Market, will regret to learn of his indisposition in the Prince Edward Island Hospital.

Misses Edna and Lona Duncan, Grafton Street, have returned from a ten days' motor trip through Nova Scotia. They were accompanied back by Mr. Bruce Riggs of New Glasgow who will spend Exhibition Week in the city.

Mr. Cyril B. Sherwood and his sister, Miss Muriel G. Sherwood of Norton, N. B., arrived in Charlottetown by motor yesterday. They are the guests of Miss Edna M. Clark at the Charlottetown Experimental Station.

Mr. and Mrs. Hibbert Sellar, Edmonton, Alberta, accompanied by their daughter Gwendolyn and Miss Marion Aitken, of Edmonton, were guests at Westview Lodge, North Tryon, on Wednesday afternoon.

Memorial Service

MONTREAL, Aug. 19—Prominent clergymen and laymen from most of Montreal's Protestant Churches crowded the Church of St. James the Apostle today to pay tribute to Rev. Canon A. P. Shatford, rector of St. James, whose burial took place at Conquerall Bank, N. S.

The memorial service was conducted by Rt. Rev. John C. Farthing, Bishop of Montreal, who read the closing prayers. He was assisted by Rev. H. M. Shore, assistant rector of the church, and Ven. Archdeacon J. C. Almond, who read the lesson.

Very Rev. Charles A. Jeakins, Dean of St. Paul's Cathedral, London, Ont., represented the Rt. Rev. C. A. Seager, Bishop of Huron.

DODGERS DEFEATED

(C. P. by Guardian's Special Wire)

NEW WATERFORD, N. S., Aug 19—Dominion Hawks, 1934 Colliery League Champions, defeated New Waterford Dodgers 12-6 today in the first game of a three-of-five series for the 1935 title. It was Dodger's first defeat of the season on their own diamond.

DEATHS

STEVENSON—At the Provincial Sanatorium on Tuesday, August 20, 1935, Harry Stevenson, aged 26. Funeral from the MacLean Funeral Home this, Wednesday, morning, service starting at 11 o'clock. Interment People's Cemetery.
