Numerous are the remedies, but the one standing pre-eminently above all others is Catarrhona. It cures these diseases because it is a cure to reach them. Catarrhona is inhaled into the lungs through throat and nasal passages, and bathes every part of the diseased membrane with its germ killing, healing vapor. You simply breathe the Catarrhona and it cures. Prices 25c and \$1 at druggists, or Polson & Co., Kingston, Ont.
