**SUCCESSFUL AFFAIR.**—The supper and entertainment held in Long Creek Hall on Tuesday evening 19th Sept. under the auspices of the Long Creek W. P.A. was from all standpoints a decided success. Mr. T. A. Stewart ably performed his duties as chairman, opening the entertainment with a few appropriate remarks. The programme was as follows:—Chorus by choir; Address, Rev. Mr. Grant; Reading, Mrs. Norman McLean; Solo, Miss Elsie MacKenzie; Recitation, Norman Stretch; Solo, Mrs. Doull. A sale of candy then took place, during which gramophone selections were rendered by Mr. W. S. McNeill, the remainder of the programme following: Reading, Mr. Chadwick Stretch; Solo, Walter Shaw; Reading, Lucy MacNeill; Solo, Wilfrid Stretch; Speech, John MacLean. Chorus, choir. The company repaired to the supper room below, where needless to say, they did ample justice to the good things prepared for them by the ladies of Long Creek and surrounding districts. After the supper several cakes were auctioned by Messrs. John McLean and Neil McEachern, bringing in a considerable sum. The net amount realized was about \$70, which will be used by the society in continuing its good work of providing comforts for our soldier boys at the front. (Patriot please copy.)

**GR. MURNAGHAN REMEMBERED.**—Gunner Patrick Murnaghan of No. 5 Siege Battery, was the guest of honor at a largely attended meeting of the Benevolent Irish Society in their hall on Friday night. At their meeting Gunner Murnaghan, who is one of the most highly esteemed members of both the Battery and the B. I. S., was fittingly remembered by the Society, being presented with a valuable military wrist watch. No formal address accompanied the presentation but short and eloquent speeches were given all testifying to the splendid character and high regard in which Mr. Murnaghan is held. All were unanimous in the opinion that he would do his part nobly and the sincere hope of all was that he would return home safely, and be a sharer in the glory of victory for the Allies. The presentation was made by the President, Sergeant Bradley, in a neat speech. The other speakers were: Councillor Smith, ex-President Maddigan, Robert Kelly, Edward Smith, Peter McCourt, J. J. Duffy, Patrick Clarkin and Martin Welsh. The remarks of the different speakers were endorsed with hearty applause. Gunner Murnaghan acknowledged the gift in fitting terms, after which the meeting adjourned.

## A Model Drug Store

Ours is a distinctive and attractive store and the service is just as distinctive. It is a store designed to do best all that drug stores do, and do it at no greater cost than the cheapest store will ask. The picture below is the exterior of this famous store and it's staff. The store is on corner of Queen and Grafton Sts. in Rogers Hardware Co. building Charlottetown.

### Where Quality Counts

There's no place where quality counts as it does in drug business. One cannot be too careful in buying drugs, etc.

We conduct our store in a manner sure to please particular people. Every thing here is first class.

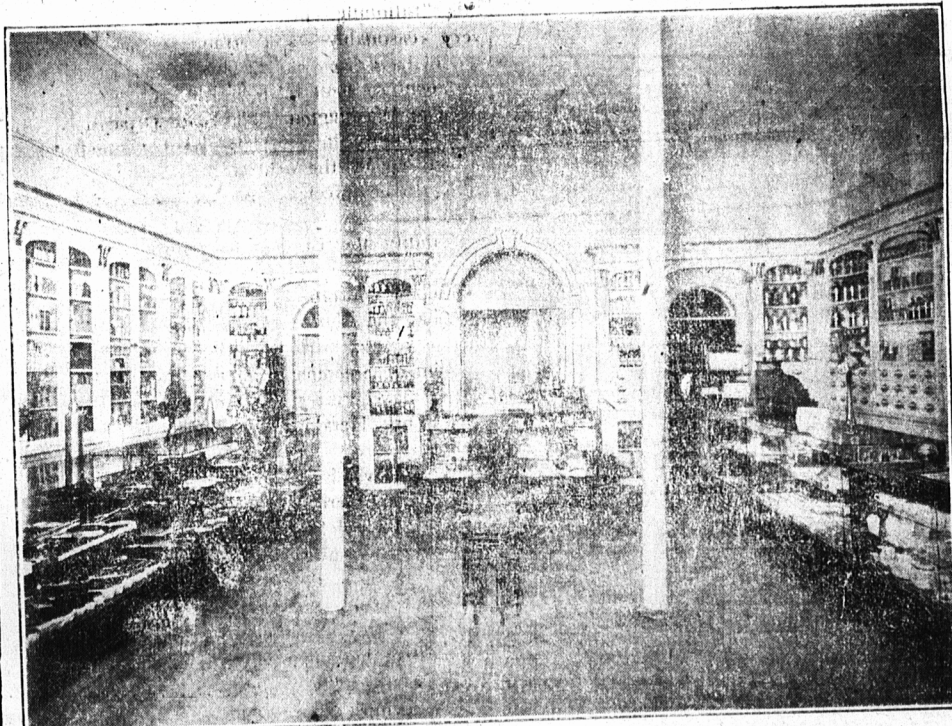

Our service is prompt and courteous and competent pharmacists do all dispensing of medicines. Our prices are as low as first class goods can be sold for anywhere.

### Bargain Hunting Doesn't Pay

When It Comes to Buying Drugs

For health's sake don't buy cheap medicine. If you believe in bargain buying don't carry the system to the extent of buying drugs that way. We buy the best drugs and sell them at a reasonable profit—a profit which is consistent with good business and good service.

### PLAY SAFE

Let Us Compound Your Prescriptions

Any one who has a prescription to be filled should, as a matter of pure self-interest, insist upon the best drugs, and best service.

A little difference in the quality of drugs, or in the way drugs are compounded, often makes a big difference in results.

A complete stock of fresh, pure drugs, scientific equipment, and ample experience enable us to give ideal service in our prescription department.

We further safeguard our prescription customers by using a double check system, which prevents all chance of error.
