SIGN OF THE SEVEN DEVILS.

A distinguished doctor some time ago wrote to a professional friend saying: "I would rather see a patient with almost any other disease enter my consulting room, than one afflicted with the seven devils of Indigestion and Dyspepsia." That doctor knew exactly that Indigestion is difficult to cure—that it poisons the blood, starves and weakens the body and nerves. But he didn't seem to know that Mother Seigel's Syrup has cured tens of thousands of cases of Indigestion. Simon Briand, Cape August P.O., Richmond Co., N.S., wrote us on January 27th last, saying: "For over 3 years I suffered from Stomach troubles. The little food I ate gave no nourishment to my body. Three months ago, I tried Mother Seigel's Syrup and two bottles of it completely cured me." He adds that it also cured a number of his friends.—Price 60 cts. per bottle. A. J. White & Co., Ltd., Montreal.
