Child Had Bronchitis

Once people get acquainted with the wonderful control which Dr. Chase's Syrup of Lined and Turpentine exerts over bronchitis, whooping cough, croup and colds it is not easy to persuade them that anything else is "just as good." This is why the imitations never get very far.
 Dr. Chase's Syrup of Lined and Turpentine, King Street, Toronto, N. S., wrote as follows:
 "From an infant one of my children was troubled with bronchitis, and the least cold would aggravate the trouble. We could not get any thing to help him, and were often greatly alarmed. Hearing of Dr. Chase's Syrup of Lined and Turpentine as a treatment for bronchitis we used it, and are glad to state that it effected a complete cure. If any of the children take a cold or cough I give this medicine, and have never known it to fail to bring relief."
 Mrs. Har now writes that she has since proven this medicine to be a safe (Preserved) cure for whooping cough, and would not be without it in the house.

 "PULPIT EXCHANGE.—Rev. W. D. Wilson and Rev. H. Miller, Montague, will exchange pulpita Sunday next March 2nd. Mr. Miller will conduct services at Georgetown at 3 p. m. and Mr. Wilson at Sturgeon at 2.30 p. m., as well as the evening service at Montague at 7 o'clock.
 "A STANDARD BRED.—A. B. Brehaut and Dan McPherson, Montague, left yesterday to cross from Georgetown to Pictou where Mr. Brehaut will meet the standard bred stallion Bert Mac, 36006, which he recently purchased. This horse comes from India and weighs over 1,400 lbs and should be a valuable addition to the horse flesh of Kings County.
 (From Yesterday's Evening Guardian)
 "BUSY TIME.—With the good roads now prevailing much wood and lumber is being hauled which will lighten the summer's labor appreciably.
 "SOURIS.—Welden McLean is nursing a very severe cold this week. A marked improvement is noted. Milton Young, with his gasoline motor is the busiest man alive these days. The gasoline power for cross-cutting fire wood has superseded the old dog saw which is now almost obsolete. In the rural districts—Alfred Fraser has been advised from Maine that his son Elmer is seriously ill with pneumonia there. The recent auction sale of movables from the estate of the late John Pierce brought fairly high prices. Especially was this evidenced in the disposal of the horses and cattle which brought exceptionally high figures. The day was an ideal one and Leuchlin R. McDonald welded the hammer acceptably.—Mr. Jardine, Brookline, has disposed of his lobster factory at East Point, to L. B. McDonald, Campbell's Cove. The amount involved was a considerable one as there is a fine proposition from a lucrative point of view.

LATEST FROM THE THEATRE

NEW YORK HIPPODROME.
 Washington's birthday and the eight seeing throngs on holiday visits to New York made the week memorable in records at the New York Hippodrome.
 The dramatic spectacle "Gypsy Life," "The Plunging Horses" and the Mammoth New Circus the added features to the greatest of all spectacles "Under Many Flags" at the big playhouse have startled and amused thousands of patrons during the historic week.
 "Gypsy Life," is in three scenes. The first is an mountain pass in Hampshire, England, the second a country hillside showing a gypsy encampment and the third is a woodland path in the Hampshire hills. The hero of the spectacle is "Silver Heels," the favored horse of Mirza, queen of the gypsies. He is stolen for a circus and appears in the arena in the presence of the gypsies. They recognize the queen's steed and pursuit follows. The rider of "Silver Heels" in desperation plunges into the lake to escape to the other bank of the lake but not without a thrilling chase by the plunging horses ridden by the gypsies. This scene is one of the most picturesque and thrilling ever presented on the great Hippodrome stage and astounds the audience.
 In the great spectacular circus appears Jeannett's Elephants, Patrick and Françoise, the tumbling Haymakers, Holland and Doerkill, the world's cleverest equestrians, the Sylvanus Trio, European novelty-balancers, The Riders, novelty gymnasts, The Flying Weavers and Fred Gerner and company in a jumping competition with horses, dogs and man are big features. Then the Hippodrome closes for a holiday laugh with many of the circus scenes.
 "Under Many Flags" with all wondrous spectacles showing and picturesque people and countries are also presented. Washington and Annapolis from whence the journey is made to Britain, Berlin, and its summer gardens, Holland with its windmills and tulip markets, The Highlands of Scotland and the gathering of the clans and far of Persia and China are viewed in all their pleasing beauty.
 The "Flowers of all Nations," The Magic City of Golden Palms, the Silver Palace of Universal Peace with its Court of Crystal Fountains are shown in all their shimmering, glistening glory at the Hippodrome.

Cold Settled On Lungs.

LEFT THEM IN VERY WEAK STATE.
 A cold, however slight, should never be neglected, for if it is not treated in time it will, in all probability, lead to bronchitis, pneumonia, asthma, or some other serious throat or lung trouble.
 Obsolete coughs and colds yield to the grateful, soothing action of Dr. Wood's Norway Pine Syrup, containing as it does all the lung healing virtues of the Norway Pine tree.
 Mr. G. G. Rhynard, Mill Village, N.S., writes: "I have had occasion to use Dr. Wood's Norway Pine Syrup, and can say that it is certainly a good medicine. About a year ago I contracted a severe cold, which settled on my lungs, and left them in a very weak state. The cough racked me terribly, and I was in despair, until a friend advised Dr. Wood's Norway Pine Syrup. I took five bottles in all, and it cured me of my cough, and left my lungs strong and well."
 Price, 25 and 50 cents.
 "Be sure you get "Dr. Wood's" when you ask for it. See the three pine trees, the trade mark.

Try This Home-made Cough Remedy

Costs Little, But Does the Work Quickly, or Money Refunded.
 Mix two cups of granulated sugar with 1 cup of warm water, and stir for 2 minutes. Put 2 1/2 ounces of Pinex (fifty cents) in a 16-ounce bottle; then add the Sugar Syrup. Take a teaspoonful every one, two or three hours.
 You will find that this simple remedy takes hold of a cough more quickly than anything else ever used. Usually ends a deep-seated cough inside of 24 hours. Splendid, too, for whooping cough, croup, chest pain, bronchitis, and other throat troubles. It stimulates the appetite and is slightly laxative, which helps end a cough.
 This recipe makes more and better cough syrup than you could buy ready-made for \$2.00. It keeps perfectly and tastes pleasantly.
 Pinex is the most valuable concentrated compound of Norway white pine extract, and is rich in quinine and all the natural-saline elements, which are so healing to the membranes. Other preparations will not work in this formula.
 This plan of making cough syrup with Pinex and sugar syrup (or strained honey) has proven so popular throughout the United States and Canada that it is often imitated. But the old, successful formula has never been equalled.
 A guaranty of absolute satisfaction or money promptly refunded, goes with this recipe. Your druggist has Pinex or will get it for you. If not send to The Pinex Co., Toronto, Ont.
