CURED OF CONSTIPATION

Mr. Andrews praises Dr. Morse's Indian Root Pills.

Mr. George Andrews of Halifax, N.S., writes: "For many years I have been troubled with chronic Constipation. This ailment never comes single-handed, and I have been a victim to the many illnesses that constipation brings in its train. Medicine after medicine I have taken in order to find relief, but one and all left me in the same hopeless condition. It seemed that nothing would expel from me the one ailment that caused so much trouble, yet at last I read about these Indian Root Pills.

That was indeed a lucky day for me. That was so impressed with the statements made that I determined to give them a fair trial.

They have regulated my stomach and bowels. I am cured of constipation, and I claim they have no equal as a medicine.

For over half a century Dr. Morse's Indian Root Pills have been curing constipation and clogged, inactive kidneys, with all the ailments which result from them. They cleanse the whole system and purify the blood. Sold everywhere at 25c. a box.

EIGHT HOUR DAY BILL.

OTTAWA, Jan 17—Almost all day yesterday the House of Commons had under discussion the Verville Bill respecting the eight hour day on Public works. When the bill was given its second reading, it included almost every conceivable form of public works, but it has been so amended that only work on Public Buildings is now affected by it.

LEARN TO KNOW YOUR OWN HANDICAPS

The wise woman is she who is aware of her weak points and spares herself those things she knows she cannot stand.

For instance, the nervous woman will not choose her home among noisy surroundings, near an elevated road, where there is much piano playing going on, etc.

The woman with a weak back will not live where it is necessary to go up and down stairs a number of times a day.

She who suffers from indigestion will not live where it is necessary to go up and down stairs a number of times a day.

She who suffers from indigestion will not board where she has to eat what the others do, but will live on a special diet in her own home.

The woman who cannot sew will not try to. She will get along with fewer changes and buy her things ready made if she cannot afford a dress-maker.

The woman who is apt to be lonely will be wise enough to take a friend to live with her, realizing that in this way she will avoid some bad hours.

The nervous woman will have sense enough not to wear tight clothes, and most important of all, she will see that her shoes have even heels, for nothing is so bad for the nerves, as to walk lopsided, with the weight of the body thrown where it shouldn't be.

The quick-tempered woman will see to it that she has a quiet room where she can go to rest a part of the day. Even an hour of complete quiet will make a whole lot of difference in the way she feels if she only realizes it.

The woman who has weak eyesight will not choose as her home a ground-floor apartment where she either has to burn gas or guess where things are.

She will not try to earn her living either in any way which requires the constant use of her eyesight.

The woman who has a small appetite anyway will not try to do her own cooking.

The woman who is poor at housework will hire that poor and earn her living in some other way.

The race in this life is won not only by the woman who is cleverest, but who realizes most clearly her own handicaps and acts accordingly.

INVISIBLE INDIANS.

All Indians seem to have learned a wonderful way of walking unseen—making themselves invisible like certain spiders, which, in case of alarm, caused for example by a bird alighting on the bush their webs are spread

HOW SKIN-TROUBLES HAVE BEEN CURED

A Remarkable Record of Itching, Burning, Disfiguring Eruptions Successfully Treated.

That those who have suffered long and hopelessly from eczema and other torturing, disfiguring eruptions of the skin and scalp and who have lost faith in all manner of treatments, may learn that there is one way to find immediate relief, the following remarkable series of condensed testimonials is published:

W. H. White, 312 E. Cabot St., Philadelphia: "Knee to ankle a mass of eruption. Suffering simply indescribable for six long years. Had to scratch till blood ran and health was undermined from lack of sleep. Cuticura Remedies cured it without a mark."

Mrs. M. C. Matland, Jasper, Ont.: "Itchy rash on her baby's head when but three months old. It spread over entire body. Put mittens on him to prevent tearing skin. Reduced to a skeleton. One bath with Cuticura Soap and application of Cuticura Ointment soothed him to sleep. A single set cured him. Think child would have died but for Cuticura Remedies."

Mrs. Wm. Hunt, 259 Fairmount Ave., Newark, N. J.: "Whole body a mass of raw, torturing eczema. Agony was beyond words. Hair all fell out. A mass of crusts ready to drop off. Clothing would stick to bleeding flesh. Hoped death would soon end fearful suffering. Cuticura Remedies cooled the itching, bleeding skin at once and soon cured her."

Montre, J. B., Renard, 277, Mentana St., Chicago: "I suffered from eczema on leg. It peeled from knee down foot like raw flesh. Doctor advised cutting leg off. Decided to try Cuticura Remedies first. In two months' use of Cuticura Remedies skin was clear and healthy."

Mrs. Nora Emmott, 26, Lena Gardens, Brook Green, London: "Two little girls had dreadful scalp trouble that doctors called ringworm. Cried with intense itching. Hospital treatment gave frightful pain but did not succeed. Suffered three years, cured by three sets of Cuticura Soap and Ointment."

H. A. Krutskoff, 3714, Wabash Ave., Chicago: "Itching eruption spread from hands to body. Literally tore his skin off in shreds. Suffered for three years, cured by Cuticura Soap, Ointment and Pills in three weeks."

Frank G. Jones, 325 E. 43rd St., New York: "In twenty-four hours he became raw from head to foot with a dreadful burning itch. Suffered agonies and could not lie down or sit up. Cuticura Soap and Cuticura Ointment cured him in a single day."

Mrs. Kate Brogman, 200 Dewey St., Bennington, Vt.: "Rash came on her baby and soon turned to watery, crusted eczema over face, head and body. He was a fearful sight and all attempts at cure were fruitless. Used Cuticura Remedies for a week by use of Cuticura Soap, Ointment and Pills. In a few days the eczema was clear and healthy."

G. J. Dance, 27, New Road, Brentford, England: "Tortured for five years with bad skin disease. Attended hospitals and expensed without success. Covered with eruption. No sleep or rest. Fat like tearing himself to pieces with terrible itching. With first application of Cuticura Ointment was relieved and got good night's sleep. In a fortnight Cuticura Ointment cured him as if by magic."

Cuticura Soap, Cuticura Ointment, Cuticura Pills and Cuticura Remedies are sold by druggists everywhere. Send to Potter Drug & Chem. Co., Boston, Mass., for free 32-page Cuticura Book, Boston skin diseases.

upon, immediately bounce themselves up and down on their elastic threads so rapidly that only a blur is visible, says John Muir, in the Atlantic. The wild Indian power of escaping observation, even where there is little or no cover to hide it, was probably slowly acquired in hard hunting and fighting seasons while trying to approach game, take enemies by surprise, or get safely away when compelled to retreat. And this experience transmitted through many generations seems at length to have become what is vaguely called instinct.
