Rovers Chalk Up Third Straight Victory Behind Hurling Of Young Rookie

Chalking up their third straight league victory behind the sensational hurling of a young rookie pitcher, Henry Gauthier, Rovers last night defeated the Indians 10 to 8 to take undisputed possession of first place in the City Softball League.

Scoring three runs in their first turn at the plate only to have their opponents come back with four the winners added a like number in the second canto and from then on Indians could not catch up to them. Rovers added four more runs in the fourth to complete their scoring but the best the losers could do with the offerings of Gauthier was add a single counter in the fourth and three in the seventh, the only frame from the first that he was in difficulties.

Gauthier limited the Indians to eight hits over the full distance while Rovers were nicking the offerings of Pete Kelly for eleven, the majority o. them coming in the first four frames. After that Pete held his opponents scoreless for the last five frames of the game.

Gord Drillon Hurls Stars To 12-6 Victory

Gordon Drillon, leading sniper of the N. H. L. displayed his versatility in another branch of sport yesterday afternoon when he pitched and batted the All-Stars to a 12-6 victory over the Rovers in an exhibition softball game played at the Park diamond.

Witnessed by the largest crowd ever to see local softball teams perform the game failed to produce the best brand of ball either team are capable of playing but nevertheless was interesting all the way. Rovers went into the lead in the second inning as they punched across a single tally but two damaging errors in the third gave the winners two runs and from here on they were never headed. Coming to bat with two on in the fourth Drillon slammed out a mighty triple to make the count 5-1. Two more errors and a single hit gave the All-Stars 3 counters in the fifth. Rovers snapped out of their scoring slump in the sixth driving in another counter on the strength of two doubles but Drillon got that one back in the same inning with a home run to deep left. Finally getting to Drillon, Rovers piled across four runs on as many hits in the eighth only to have the winners complete the scoring of the game with a like number two of them again coming from Drillon as he walloped his second four baser with a mate aboard.

Drillon showing blazing speed in the pinches and delivering the ball from the port side proved a smart hurler limiting his opponents to 10 hits but keeping them scattered except in the eighth. Ray Stull on the Rover's mound was also his usual self but once again was the victim of erratic support. All-Stars nicked him for 11 hits but out of their 12 runs only six of them were of the earned variety and that itself tells the story of the game. Only one of the Rovers runs was unearned.

Somerville Advances Into Third Round Of Golf Title Play As Upsets Occur

TROON, Scotland, May 24—(CP)—Canada's lone threat for the title advanced with one British Walker Cup star into the third round of the British Amateur Golf Championship today as three of the United States Walker Cup Team were eliminated, two of them by fellow team members. Other British Waker Cup men won first round matches.

C. Ross Somerville of London, Ont., continued his exceptionally steady play to trounce his South African opponent, A. W. Ogilvie, by 7 and 6. Ogilvie won only one hole.

Somerville plays Bob Rutherford of England tomorrow and as the top quarter of the draw lacks any terrific competition the Canadian titleholder and 1932 Amateur Champion of the United States is regarded an odds-on bet to reach the semi-final.

Charey Yates of Atlanta, Ga., a frequent entry in Canada's Amateur title event, putted with a magic touch to defeat Johnny Fischer of Cincinnati, the tournament's second favorite after Johnny Goodman, Omaha, Current U. S. Amateur Champion. Yates won on a stymie on the 19th hole in their first-round match to lead six Americans into the third day of competition.

Yates' victory took the spotlight for the Americans from the second round encounter between Goodman and Ray Billows, Poughkeepsie, N. Y., won by Goodman with unexpected ease, 4 and 2. A year ago Goodman defeated Billows two up in the 36-hole final of the U. S. Amateur.

The former west of Ireland Champion, Albert W. Briscoe, accounted for the third American Walker Cup Team man to lose. He defeated Marvin Ward of Olympia, Wash., a 1937 American amateur semi-finalist, in the second round, one up on the 20th green.

Gordon Peters, Scottish internationalist also reached the third round with a 6 and 4 victory over Victor Finlayson, Great Britain. But the home forces lost Dr. William Tweddell, the 1936 Walker Cup Team Captain, and finalist to Lawson Little in the 1935 British Amateur.

Francis Ouimet, Boston's grand veteran of the links, accounted for Dr. Tweddell in a second round game 4 and 3. Ouimet approached exceptionally well through a high wind to build up a three-hole margin on the first nine.

Two British Walker Cup players won first round matches. Hector Thomson, the 1936 champion, defeated veteran J. L. C. Jenkins, titleholder in 1914, 4 and 3; and Leonard Crawley, who was English Amateur Champion in 1931, eliminated Captain W. L. Steel 2 and 1.

Fred Haas of New Orleans, a former Canadian Amateur Champion, swamped A. J. Ashworth, Great Britain, 7 and 6, in a first round match, and Charles Kocsis of Detroit, like Haas a Walker Cupper, defeated William Peacock, Britain 3 and 2 in the second round. Reynolds Smith, the remaining American Walker Cupper in the tournament, will play his second round match tomorrow. Tony Torrence, veteran internationalist, won his first round match from Dr. A. R. McCallum 3 and 1.

Today's play reduced the field to 96. By tomorrow night, when the rest of the second round and all of the third will have been played, only 32 will be left. They will be reduced to the two finalists for Saturday's 36-hold climax.

Averill Plays Major Part In Tribe Victory

NEW YORK, May 24—(AP)—Earl Averill's big bat boomed today, as Cleveland Indians walloped New York Yankees 9-5.

Averill slapped out a homer with two on in the third and an inning later tripled with the bases loaded to help end Lefty Gomez's stay on the mound for the Yankees. It was Gomez' fifth defeat of the season.

Johnny Allen, ex-Yankee, earned his fifth victory of the year. The Champions got to him for two in the second on a double by Lou Gehrig, who played a full game despite a lame back, and a home run by Bill Dickey. The Yanks scored two more in the sixth and got one in the ninth before Allen quelled the rally.

In Detroit, Robert Moses (Lefty) Grove won his eighth consecutive pitching triumph of the season as Boston Red Sox nosed out the Tigers 5-4 in a loosely played game. The win enabled Boston to take undisputed possession of second place behind Cleveland Indians.

Grove, wild from the start, issued eight passes and allowed eight hits but was effective in the pinches as Detroit left 13 runners stranded. A seventh inning homer by Jimmy Foxx with Joe Vosmik on base provided the winning Red Sox margin.

Monty Stratton, Chicago White Sox' ace right-hander who previously had pitched only one inning since hurting his throwing arm in training, returned to regular duty and his mates celebrated the occasion with a 16-hit bombardment that routed Washington 10-3.

The triumph swept the two-game series for the Sox and gave them four victories in their last five games.

In St. Louis, Philadelphia Athletics bunched 10 of their 11 hits in four innings to gain a 6-1 victory over St. Louis Browns and a sweep of their rain-shortened series.

Lynn Nelson, hurling steady ball, allowed the lowly Browns only five safe blows.

Canadiens Comeback Exhibition Stage Great To Capture Game 6-5

Freddie McCabe's Junior Canadiens last evening continued their winning streak in exhibition baseball encounters by downing a combined squad of Charlottetown and Summerside players 6 to 5. But it was a close call the snappy junior squad had yesterday.

Taking a liking to the offerings of Emmet Murphy, Canadiens' hurler Sun-Glos batted home five counters in the first four frames while blanking their opponents. Breezing along behind the fast ball hurling of Len Connolly of St. Dunstan's University the big lead looked to be more than sufficient. But the tide of battle began to shift in the last half of the fourth. Murphy who had been banged around considerably in the opening frames suddenly found all his stuff and for the last five innings hurled scoreless and practically hitless ball as he continuously sent batters back to the bench after missed third strikes.

Canadiens first counter came in the fourth; they were held from the plate in the fifth but meeting Connolly's smoke ball consistently the winners added a brace of tallies in the sixth, one more in the seventh and pushed home the tying and winning runs with another brace of counters in the eighth.

The lineups:

Canadiens: Ryan c, Murphy p, Harper 1b, J. Roach 2b, Kennedy 3b, Howatt ss, F. Gallant cf, P. Roach rf, J. Gallant lf.

Sun-Glos: C. Hogan c, Connolly p, J. Wedge 1b, Gillis 2b, J. Hogan 3b, McDougall ss, Boates cf, Kirwin rf, A. Gallant lf.

Red Wings And Royals Split Doubleheader

MONTREAL, May 24—(CP)—Rochester Red Wings and Montreal Royals divided a Victoria Day doubleheader today before 7,000 International League fans. Royals winning the opener with a two-run rally in the ninth, 4-3, and dropping the seven-inning nightcap 7-3.

Veteran Harry Smythe, in as relief pitcher, won his own game in the opener as he cracked out a single in the ninth with the bases loaded and two out. The drive brought in the tying and winning runs.

Wildness offset John Berley's stinginess with base hits as Buffalo Bisons took a 6-5 victory in the afternoon part of a Victoria Day doubleheader against Toronto Maple Leafs.

Berley walked two Bisons in the third with two out, wild-pitched them into scoring position and they came home on Oglesby's single—the lone hit of the inning. In the fifth, another walk and two attempted sacrifice bunts which went for hits on his slow fielding, gave the herd another pair of runs.

SAINT JOHN, N. B., May 24—(CP)—In their annual track and field meet with Rothesay Collegiate School at Rothesay today King's Collegiate School of Windsor, N. S., won for the first time in 16 years, defeating Rothesay 44 points to 36. A cold drizzle prevented any record-breaking.

JOHN PAUL WINS MARATHON

NEW GLASGOW, N. S., May 24—(CP)—John Paul, Springhill, N. S., marathoner, won the annual New Glasgow Evening News ten-mile run today in 57 minutes 27 1-5 seconds. Dick Beazley, of Hantsport, crossed the line a second behind Paul.

IN THIS CORNER

Favored with fine weather yesterday's sporting activities were one of the best in years. From early morning fishermen were on their way to ponds and streams and last night many were the stories heard of the "big one" that got away. In the city two softball games and a hardball encounter saw the largest crowds in several seasons attend with the exhibition game in the afternoon featuring Gordon Drillon, setting a new high mark for local attendance at a softball fixture.

* * * *

In the other two games played Junior Canadiens showed conclusively they have a powerful squad this year when they downed a combined team from the City and Summerside 6 to 5, making a sensational comeback after the losers had apparently tied the contest up with a five run outburst in the first four innings.

* * * *

In softball Ev. McNeill's Rovers also let it be known that they are going to be hard to dethrone from Island supremacy when they downed their arch rivals the Indians, to chalk up their third straight league win without a defeat. Rovers won last night's game mainly on the brilliant performance of a midget player.

* * * *

The midget in question was young Henry Gauthier. Hen, going to the mound when Art Mollins, Rovers' regular hurler could not be present, limited the hard-hitting Indian team to eight bingles, was in trouble on only two occasions and was only scored upon in three of the nine frames. Quite a performance for a kid who only last year led a midget team to the city title and is still eligible for the midget ranks.

* * * *

The appearance of Drillon on the mound was the highlight. Better known for his feats on the steel blades Drillon yesterday showed he was quite at home in softball circles. Possessor of a blazing fast ball that chalked up quite a number of strikeouts the Moncton boy also proved handy with the willow as he drove in six of his team's 12 runs with two mighty home runs and a triple out of four times at the plate.

* * * *

Ken McInnis, local hockeyist who has been playing with Reserve in the Cape Breton League the past season, leaves this morning for Sydney after a short vacation spent in the city. Ken had a fine season with the Reserve team and was loud in his praise of the treatment accorded him and all the other Island boys who were playing there.

* * * *

Quizzed as to his plans for next year Ken was rather reticent on the subject but finally admitted that he might go to Kansas City for a tryout with the pro team there, he having already heard from officials of the club. It is likely that Ken will make the trip and his Island friends will wish him luck once he leaves for his tryout in the monied ranks.

* * * *

The New York Giants have commenced to learn that the way to another baseball pennant isn't the wide-open road that they embarked on when the season got under way. Right in their own Polo Grounds where such things weren't supposed to happen the Giants have taken it squarely on the chin in three of four starts.

* * * *

First it was the Cubs who came in and set them back on their ears, twice out of a three-game series. The Cubs showed themselves no respecters of persons as they chased Cliff Melton off the mound and then set Carl Hubbell down for his first defeat of the year. The Cubs were receiving a lot of sympathy when their new acquisition, the great if eccentric Dizzy Dean, went bad on them but they're doing nicely without his assistance. If Dean's arm responds to treatment and he can yet come up with 20 winning ball games, Chicago will make it very tough for the National League champions.

* * * *

Particularly, while they show themselves human and vulnerable to such clubs as the Cincinnati Reds who trimmed them three times this season.

* * * *

Jimmy Foxx has a unique explanation of the hot batting pace he is setting this season. Back in 1931 when he was with the Athletics, he had an attack of sinus and his batting dropped to .291. And this is what happened the next year: (1) Foxx led the American league home run derby with 58 circuit smashes; (2) he drove in the most runs, 169; (3) he scored the most runs, 151; (4) he had the most total bases, 438; (5) he came within three percentage points of winning the league batting crown; (6) he did win the league's most valuable player award. "Now," Foxx explained, "here's what I mean when I say that I hope history repeats itself. Last year I had another sinus attack. And you know what happened. Worst season I ever had in my 12 years in the big leagues. Batted only .285. And this year I am off to a pretty good start."

* * * *

Henry McLemore, the U.P. writer, is inclined to think the unconditional release handed elderly Waite Hoyt by Brooklyn was due to some extent to his magazine article belittling the National League. It is true Hoyt lost all three starts this season, but Mac says the pitcher was in bad all around the circuit and his appearance on the mound meant the opposition put in special efforts to score a victory.

New Dionne Film Plans Underway

CHICAGO, Ill., May 23—It was disclosed here today that there is now in preparation a new screen version of the life of the Dionne quintuplets. To aid in this enterprise an advance party of screen experts left Chicago today by the Maple Leaf of the Canadian National Railways, bound for Callander, Ont. This group includes Jean Hersholt who has been the "Doctor Dafoe" of previous screen stories of these children.

Others in the party are Herbert I. Leeds, director for the Fox Film Corporation, Mrs. Leeds, Ray Moore, location manager and several writers.

This group was accommodated in a special sleeper which followed the route of the Maple Leaf to Toronto, thence to North Bay and Callander.

Castleman On Mound As Giants Defeat Cards 9-4

NEW YORK, May 24 — Slick Castleman, "problem child" of New York Giants' pitching staff, pitched and won his first game of the season today. Castleman beat St. Louis Cardinals 9-4 aided by an 11-hit attack against three Card hurlers.

Castleman, who has been out with a bad back since last season, was in command all the way. He allowed only eight hits, three of them coming in the ninth when the Cards scored two of their runs.

Jimmy Ripple went four for four and batted in two runs to pace the Giant attack.

Paced by Ripper Collins and Augie Galan, Chicago Cubs slammed the great Van Mungo and two other Brooklyn pitchers around to hand the Dodgers a 10-4 defeat.

Tex Carleton hurled a well paced game for the Cubs. Except for two runs in the first and two more in the ninth, he shut them out with two hits.

Mungo breezed along until the fourth when Galan and Collins walloped home runs. The former's came with the bases loaded.

In Boston, the Bees wiped out a 9-1 lead with three late rallies to defeat Cincinnati Reds 10-9 and oust them from third place.

Five pitchers went into action for the Bees, and the Reds were forced to call upon four of their flingers during the exciting game. Much of the Bees' success resulted from the splendid relief pitching of Billy Weir and Dick Errickson.

Dodgers Blank Saint John Nine

SAINT JOHN, N. B., May 24—Slamming out 12 hits and making them count for as many runs, New Waterford Dodgers of the Cape Breton Colliery Professional League smothered Saint John's new senior amateur team under a 12-0 score this afternoon in an unexciting six-inning exhibition baseball contest.

The visitors, in fairly good condition against the poorly-conditioned locals, tagged five of their hits for extra bases.

Calhoun, on option to Dodgers from Toronto Maple Leafs of the International League, set the Saint John Club back with four scant hits. Titus started on the mound for Saint John, gave way to masters, who retired in favor of Burgess and Masters went in again for the last trick.

Pioneers Win From Granites

Playing under perfect weather conditions and before a very good crowd the Summerside Pioneers and the Kensington Granites opened the local baseball season at the formers' home grounds in an exhibition holiday fixture yesterday. The Pioneers came out on the long end of an 11-4 count but piled up most of their runs in the dying frames after scoring five runs in the first inning. Kensington had out this lead down to one run by the sixth but the Pioneer artillery went to work at that stage and put the game safely away.

Lidstone and Crossman were the heavy batters for the victors while Joe Ready supplied most of the punch for the losers.

Great Guy Wins Feature Race At North Sydney

NORTH SYDNEY, N. S., May 24—The Great Guy, owned by Jake Bonaviski and driven by Johnny McDonald defeated Braden Custer, property of Bert Doyle and handled by Charlie Sweet, in three straight heats in the feature match of the opening card in the Cape Breton harness racing season's opening race here today.

In the other match race, Aliset dropped the first two heats to Frank Hanover, and was drawn for the third heat.

The big free-for-all was won by Royal Hanover, owned by Matt McAdam of Glace Bay and teamed by Steen Purves. The Hanover horse placed first in the first two heats and fourth in the third to nose out Dermat's two-three-two defeat.

Purves made it a perfect day in the sulky, piloting Lucky B. home in front in the named race, open to horses of a 2.20 class. The victory came only after a spirited fourth heat, when Lucky B. nosed out Teddy Boy Grattan and Jerry Bars.

Only one mishap marred the day's events. Scoring for the second heat in the free-for-all, Royal Hanover started to fuss at the distance flag post, and reared up, throwing driver Purves flat on the track, and falling on top of him. Driver and horse escaped injury, and the racing gear was undamaged.

Early forenoon rain made the track heavy and going at the pole was treacherous. Many of the horses appeared to have a little too much edge on, as it was their first race of the season, and gave Starter Sam McKenzie plenty of trouble at the post.
