

A UNION OF INTEREST TO WOMEN

Healthy Housewife--Happy Home

Lydia E. Pinkham's Vegetable Compound Has Helped Form Many

For the ailing, half-sick housewife a union is impossible. Often even the slightest form of housework cannot be accomplished. Yet the work must be done.

Many women struggle along for years suffering from some form of female trouble that makes their lives miserable and their homes far from happy.

Lydia E. Pinkham's Vegetable Compound has helped thousands of just such women regain their health and strength. Just give your thought to the following letters and remember that the women who wrote these letters knew how they felt before taking the Vegetable Compound and again afterwards. It helped them--let it help you.

Was a Total Wreck

Muscon, Ontario--"Before using Lydia E. Pinkham's Vegetable Compound I was a total wreck. I had terrible pains in my sides and was not regular. Finally I got so weak I could not go up stairs without stopping to rest half-way up. Saw your medicine advertised in the newspapers and gave it a trial. I took four bottles of the Vegetable Compound and was restored to health. I am married, am the mother of two children and do all my housework, and might even do a hired man's job and enjoy the best of health. I would recommend the Vegetable Compound to

great help for my weak back before my babies were born. I recommend it to all my friends." Mrs. HENRY JANKE.

Meaford, Ontario--"I was so weak I could hardly do anything and my back seemed the worst. I read so much about Lydia E. Pinkham's Vegetable Compound for women that I thought I would try it. I feel that it did help me. I am looking after my own home and seem quite strong again. Have recommended the Vegetable Compound to quite a few friends and you can use my name if you wish to do so." Mrs. H. PORTER, Box 440, Meaford, Ont.

Will Answer any Woman Who Writes

Montreal, Quebec--"I was a sufferer for three years, not able to do my housework. My husband was discouraged for I was no better and had had the doctor all this time. I was always sleepy, had no appetite and suffered with my left side. My mother in England recommended Lydia E. Pinkham's Vegetable Compound because it had helped my sister, so I have been taking it. I will tell anyone who writes to me what good it has done me. I am now able to do my housework and I cannot praise your Vegetable Compound too highly as I have great hopes for the future." Mrs. HENRY MASSON, St. Henry P.O., Montreal.

SULKINESS

Chapter 12
Dora found that there was a second person in the world to whom she could talk.

Her feelings about it can best be described in the words she used once when making an entry in her diary.

"Father used to say that a man can understand himself before he can really understand other people," she wrote. "And there is a proverb that says 'Know Thyself.' I am trying to do this. But the more I know myself, the more faults I find. I thought that if I could only find out why I have these queer feelings about people, I could get over them. I think 'these' is another proverb about self-knowledge being the first stepping stone to success, but I'm not sure."

own voice. I'm afraid of being laughed at, of being looked at, of the door opening with father and now it opens with M."

In that one entry, she came very close in analyzing her whole problem.

Morton came to the Nicholas house the Sunday before the dance. The girls were alone for Peter and Aunt Maude had driven away to spend the day with some friends and Jim had to go to the farm.

You Can Run This Car a Week at Cost of Two Theatre Tickets

Overland Special Sedan

If you are holding off buying a car under the impression that the cost of running it is too high for your pocket, you will be interested to know that:

For the price of two theatre tickets, a New Series Overland will give you 100 miles of motoring satisfaction. Some owners travel more, some less, than 5200 miles a year, but 100 miles a week is a fair average. For this distance, a fair average of outlay for operation has been shown to be:

Gasoline (4 gals)	\$1.46
Oil (1 pint)	.25
Distilled water for battery, and grease	.08
Tires	1.09
Incidentals	1.21
Total	\$4.00

Balance that \$4.00 against your weekly carfare and amusement expense! Gasoline expense is figured at the current price in Toronto and on the basis of 25 miles to the gallon. Many owners report 26 to over 30 miles. Tire depreciation is figured on between 6,000 and 6,500 miles to the set, though many owners report 10,000 and some as high as 13,000 miles to the original tires.

The saving in low first cost is only exceeded by the low cost of Overland upkeep. Remember, too, Overland is easy to operate as well as economical--if you don't drive we'll be glad to teach you. Now is the best time to see us.

Tomorrow--Problems

"Grandma got a sick headache and no one here to look after her but me," she said angrily.

"She worried me into a headache," the old lady protested tearfully. "Why didn't you go for a walk? No one has to stay with me."

"The do, too!" Gladys contradicted, furious at having her cause for grievance removed thus. "But I can't do everything--and if Dora will go out all Sunday and leave me alone--"

All Dora's sense of pleasure left her again.

MRS. HENRY SQUAREBRIGGS

The passing away of a much beloved wife and mother, in the person of Mrs. Henry Squarebriggs, 115 Weymouth St., city, removes from our midst a much respected and notable citizen.

A woman of the most sterling and Christian character, having been a loyal member of the past forty-seven years of the Methodist Church, her quiet unassuming yet charitable life has left its mark upon all who were acquainted with her.

A kind neighbour, a most devoted friend to all who came in contact with her, she leaves behind a large number of relatives and a host of friends who mourn their great loss.

Her great loss a beloved husband, six sons and one daughter, John T. of Charlottetown; William H. of Toronto; George H. of Waltham, Mass.; Richard B. of Toronto; Mrs. John A. Sterns, of Bridgetown; Charles H. Chatham, Ont.; Stewart S. of Lemberg, Sask.; Richard B. and Stewart S. were unable to be present at the funeral. Five years ago they celebrated their Golden Wedding and were the recipients of the warmest congratulations. For the past fifty years there has been no immediate death in this family.

The funeral service was conducted by Rev. G. W. F. Glendenning, of the first Methodist Church, prayer being offered by Adjutant Cranwell, of the Salvation Army. A very large attendance was present at the funeral service Sunday afternoon at two o'clock.

There were a large number of beautiful flowers and pillows and wreaths which covered the casket. The pallbearers were Geo. H. Taylor, Geo. E. Hughes, M.L.A., Geo. Raeham, William Pearson, Jas. C. Stevenson, Capt. John White.

These Eternal Meals

"WHAT to get for dinner?" "What to get for supper?" To-day, to-morrow, next day, every day in the week.

This is woman's problem and the source of almost endless worry.

True, there are times when most women take a pleasure and pride in cooking and baking, but when you are not feeling up to the mark it does get on your nerves and become a real worry--a nerve-exhausting worry.

Since meals are essential to life, the old problem of "what to eat" must endure, but need not be a worry

when your nerves are set right.

It is when you are tired--nerve tired--that such things become a source of worry. There is nothing like Dr. Chase's Nerve Food to combat this condition.

It is because Dr. Chase's Nerve Food is such a help under these very conditions that it has come to be relied upon by the great majority of Canadian women. Headaches, sleeplessness, tired, depressed feelings, lack of energy are some of the accompanying symptoms.

You can obtain Dr. Chase's Nerve Food from your dealer at 50 cents a box.
