

Why Beauty Fades so Early.

The American "rush" habit is largely responsible for the advancement of the American female beauty. Ignorance of the laws of health, and carelessness bear the rest of the burden. Nine-tenths of our women are in the bilious anaemic condition, which produces sallowness, freckles, moth patches and that accompanying sense of weariness which sometimes amounts to exhaustion, yet they will not take time to attend to their health. Their motto is, "By and by." Some are slaves to household work—their carpets and the wash tub are killing them. Others are slaves to fashion and frivolous pleasures; none of them will give an hour to serious meditation. If they did, they would realize whether they are traveling. Pills and cosmetic powder will not mend matters. These women need inward cleansing; that alone will make their complexion clear as a baby's. *Clover extracts and clover tea* did the work for our grandmothers. *Karl's Clover Root Tea* will do it for you. It is even more efficacious, for it contains other herbal ingredients which increase its marvelous alterative powers. Why not try it this Spring? We guarantee to refund your money if you are not cured or satisfied. Ask any druggist for a sample package, or write to S. C. Wells & Co., 55 Colburn Street, Toronto, Ont., and they will mail you a package free of charge. Sold throughout United States and Canada, etc. and in England at 1s. 6d. and 2s.

THE death occurred yesterday morning of Mrs. Arch. McIntosh of this town, after a lingering illness. Deceased who was most highly esteemed by all who knew her, was 63 years of age and leaves a husband, three daughters and two sons, one of whom is Rev. Major McIntosh of Cavendish.

SOME changes made a few days ago among the outbuildings and fences in connection with the manse at North Bedeque add very much to the appearance of this pretty country residence. About a dozen of the parishioners who are justly proud of their manse and never lose an opportunity of improving it, turned out and effected the changes in an afternoon, the pastor also rendering valuable assistance and showing pretty conclusively that the physical strength of the congregation is not confined to the pew.
