Mix In New Cowboy Role Scores Hit

CAPITOL THEATRE PRESENTS TOM AND TONY IN STIRRING PIONEER TALE

Bringing Tom Mix before his multitude of admirers in a role that varies just enough from his cowboy characterizations to make it appealingly new and strikingly attractive, while affording him opportunity to display the artistic horsemanship that has made him world famous, "Son of the Golden West," his first FBO feature, opened last night at the Capitol Theatre.

"Son of the Golden West" is based upon an absorbing story of those picturesque days when the Rocky Mountain country and the vast region beyond it were being reclaimed from the wilderness by hardy pioneers and government agencies, prior to the coming of the railroads and presents Mix as a "pony express" rider. With his famous horse Tony, companion of most of his screen triumphs, Tom portrays the star role in sparkling style and shows much dramatic strength in the romantic scenes with Sharon Lynn, his capable leading lady.

Attempts of an outlaw band to interfere with the work of the United States Telegraph Survey and the checkmating of their schemes by the hero of the pony express route make up the thread of the story, climaxed by a thrilling rescue of "the girl" by Mix from the lair of the "bad men" and his destruction of their headquarters with the aid of a troop of cavalry.

Sharon Lynn is sympathetic and appealing in the quaint role of a girl of the sixties in crinolines and poke bonnets, and Fritzi Ridgeway, the only other woman in the cast, portrays a "vamp" of those early days most vividly.

The picture was directed by Eugene Forde, who has brought to the screen all the colorful and romantic atmosphere of the period and a carefully selected supporting cast includes Tom Lingham, Duke Lee, Mark Hamilton, Lee Shumway, Joie Ray and Wynn Mace.

In Memoriam

In fond and loving memory of Mrs. F. H. Campbell who died in California, March 8th, 1928.

Today reveals sad memories
Of a loved one gone to rest
And those that think of you today
Are those that loved you best.

There is some one who misses you sadly
And finds the time long since you went
There is someone who thinks of you always
And tries to be brave and content.

Gone is the face we loved so dear
Silent the voice we loved to hear
'Tis sad but true we wonder why
The best is always the first to die.

In my heart your memory lingers
Sweetly, tender, fond and true,
There is not a day dear Winnie
That I do not thing of you.

Inserted by her Twin Sister

In Memoriam

In loving remembrance of my dear husband, Mr. Walter E. Robertson, who departed this life March 8th, 1928.

One sad year has passed
Yes I remember well,
I stood beside your dying bed
To take a last farewell.

With aching heart I watched you
As your spirit took its flight
Away tothat home beyond the skies
Where there is never night.

Friends may think he is forgotten
That the wound is surely healed,
But they little know the sorrow
Lies within my heart concealed.

Oh Walter dear I miss you,
There is a vacant chair;
But I know we'll meet in Heaven
And there'll be no parting there.

Inserted by his Wife,

INTERESTING LECTURE—"Prince Charlie and Flora MacDonald," was the subject of an interesting lecture by Mr. A. A. MacLean, K.C., at the Caledonian Club last night. Despite the stormy weather there was a large attendance. Mr. James Paton presided. The lecturer gave a very graphic description of the events leading up to the '45 Rebellion and also a summary of the leading events of '45 and '46, as well as an outline and description of the characteristics of the different leaders on both sides. He described also the principal battles in which the Jacobites took part and concluded by giving an historic account of Flora MacDonald's connection with Prince Charlie and her subsequent history, including the part she played in the American Revolution when she and her husband supported the Hanoverian cause, her fate having been, as she herself said, to support two lost causes. A vote of thanks was proposed by the Rev. A.J. McIntyre, seconded by Mr. D. B. MacDonald, Bedeque, and unanimously endorsed.

C. W. L. AT HOPE RIVER — The regular monthly meeting of Hope River Sub-division of the C. W. L. was held on Sunday afternoon at 3 o'clock, the president, Mrs. Bolger, presiding. After the opening prayer, the Ode O Canada, was sung by the members. The minutes of the last regular meeting were read and adopted. A letter from the Diocesan president, Mrs. Casey, was also read. All the unfinished business left over from the last meeting was disposed of. Reference was made to the death of two very active members in C. W. L. work—Miss Guerin and Mrs. Armstrong, and the members present, after expressing their sincere regret, offered up special prayers for them. It was decided to have a concert after Easter, put on by the school children of the parish, and a committee was appointed to look after the details and prepare the program. After a nominating committee, in connection with the election of officers at the next meeting, which is the annual meeting, was appointed, the meeting closed with prayer by the Chaplain, Rev. W. V. MacDonald.

ALLIANCE HELD MEETING YESTERDAY

Mr. Thomas Moyse, Bedeque, Was Elected President for Ensuing Year.

The annual meeting of the Temperance Alliance was held in the Y. M. C. A. Hall yesterday and was fairly well attended. The President, Mr. George Brown, was in the chair. The executive committee in their report said that the work of the Alliance had been handicapped during the year for lack of funds, there being a debt at the beginning of the year of approximately one thousand dollars. The committee finally succeeded in paying off that debt. Today, after sending out two issues of the Bulletin the net indebtedness was $119.49. Appreciation was expressed for the service rendered by Rev. Mr. Eaton, Secretary and a member of the executive, and editor of the last two issues of the Bulletin. The committee, in seeking to promote the welfare of the Alliance, has kept in close touch with the government and have sought to co-operate with them in the oversight of the enforcement of the Prohibition Act.

Mr. Huggan in giving the treasurer's report stated that whereas a year ago today the indebtedness of the Alliance was over a thousand that today it is less than two hundred and there are still a number of pledges unpaid with others to come in on the fourth of April. This report which showed a favourable financial condition was on motion accepted.

Reference was made to the coming convention of the National Division of the Sons of Temperance which takes place in Charlottetown July 10th to 12th. As a consequence it was suggested that the executive committee of the Alliance and the committee appointed by the Sons of Temperance get together in order that the Alliance may benefit by speakers from away during the campaign previous to the plebiscite.

Mr. Brown, chairman of the Prohibition Commission informed the meeting that he is making an attempt to get closer co-operation between the police department and the commission in the enforcement of the liquor law. He said that to date very good results are being obtained and he hoped to see even better work in this direction in the future.

The following resolution was put to the meeting and unanimously carried:

"WHEREAS it has come to the notice of this alliance that sometimes, Excise Officers refuse to co-operate with provincial officers in the enforcement of the provincial liquor law. Therefore resolved, that we request that the Federal Excise department instruct their officers to co-operate with provincial officers in the enforcement of the Provincial and Federal Liquor Laws."

The following officers were elected for the ensuing year.

Hon. Presidents—Franklin Bovyer, Dunbury; J. A. Brace, Summerside.

President — Thomas Moyse, Bedeque.

Vice Presidents—Edgar Geddings, (Kings County); Isaac Carter, (Queens County); F. J. Lockerby, Hamilton, (Prince County).

Secretary—Rev. J. M. McLeod, city.

Secretary Treasurer—W. T. Huggan.

THE MARKETS

OTTAWA, Mar. 7—(Eggs)—Canadian egg markets continue nervous and unsettled today and some price declines are reported.

TORONTO—The local egg market is nervous and unchanged. Sales of Ontario graded eggs are being made here at extras 46, firsts 44 delivered. Dealers are quoting country shippers for ungraded eggs delivered, cases returned, extras 42-44, firsts 39-43, pullet extras 33-35, seconds 31-33

MONTREAL—There are some inquiries being made here for states eggs as it is probable that this market will be faced with a shortage of supplies this week end. A sale of a car from Vancouver is reported at 73c for extras F. O. B.

HALIFAX—While there have been no price changes on this market recently, the undertone is easier. The weather during the week has been very mild and it is expected that this will increase production materially altho owing to the incubation season having started it is not probable that there will be any surplus of eggs here for at least two weeks. The market at the present time is almost bare.

MONTREAL, Que., Mar. 7—There was an increased inquiry from the United Kingdom and the continent for grain here today, but owing to the reaction in prices at Winnipeg the volume of business was checked and local exporters only worked a few loads of Manitoba wheat for shipment in nearby positions. The only business of importance in the domestic cash grain market was the sales of a few loads of no. 3 northern wheat at 2 1-2c per bushel under the Winnipeg May option C.I.F. bay ports. In sympathy with the reaction in wheat futures at Winnipeg spot cash prices were marked up one cent per bushel. Manitoba no. 6 wheat sold at $1.06 and feed wheat at 99c per bushel. The tone of the flour market was steady but the trade in spring and winter wheat grades was quiet. A fair amount of business was done in all lines of millfeed and values were well maintained. A steady trade was done in standard grades of rolled oats at unchanged prices. An easier feeling developed in the market for fresh eggs and values were reduced one cent per dozen. Storage grades continued scarce with no extras offering. Receipts were 1,471 cases. The potato market was steady under a fair demand. P. E. I. green mountains sold at 78 and whites at 73c per 90 lbs. in bags. New Brunswick green mountains sold at 55 and whites at 50c per 90 lbs. in bulk. The trade in beans was quiet but values were firm. Canadian hand picked sold at $5.65 and yellow eyes at $4.30 per bushel. A steady feeling prevailed in the butter situation and the volume of business was fair. Receipts were 558 packages. Prices for all grades of cheese were firmly maintained under a fair inquiry. Receipts were 123 boxes.
