Army worms had been reported infesting approximately 100 acres of Prince Edward Island's grain fields, Mr. F. M. Cannon, in charge Dominion Entomological Laboratory, Charlottetown said last night. It was estimated that probably twice the acreage reported was infected to some extent. Damage ranged from 75 to almost 100 per cent in some cases, Mr. Cannon reported. So far no authentic reports of army worms had been received from Prince County but the Entomologist believed the insects would make an appearance there as they were found in some fields in that section last year.

—LEGION PICNIC — The Summerside branch of the Canadian Legion held their annual picnic on Wednesday afternoon at Carr's Shore, North St. Eleanors. There was a very large number of members present, with their wives and families. Mr. Brenton Clark and Major Travis very kindly provided motor boats and the whole party had a most enjoyable sail to one of the Islands which are in the bay. Supper was served in the wooded glen not far from the shore. Swimming was enjoyed by young and old. Rambles in the woods helped to make the outing an enjoyable one. S

VISITING OLD HOME — After an absence of thirty-two years from this province, James H. McKie with Mrs. McKie, a native of California, has returned to visit the scenes of his boyhood at Little River, and naturally notes many improvements, especially the paved roads, which were only cow paths when he left. Mr. McKie conducts a manufacturing plant in Los Angeles where he turns out glass coffee making equipment, the articles retailing at prices ranging from $15.00 to $480.00. Mr. McKie has a brother, John, residing on the old homestead, and remarked this visit has really taken the form of a re-union, as his two sisters, of Boston, who have a summer home at Annandale, together with a brother from Boston, are together for the first time in forty years. Mr. and Mrs. McKie expect to return to Los Angeles next week, travelling by train as far as Flint, Mich., where they will purchase a car, motoring the balance of the distance.

NICHOLSON- BELL — A very quiet but pretty wedding took place at the home of Mr. and Mrs. Rupert Nicholson, Belle River, on the evening of Wednesday, July 20th when Miss Christina Bell of Belle River was united in the holy bonds of matrimony with Mr. Allan M. Nicholson of Wood Islands. The ceremony was performed by Rev. R. Hensley Stavert, M.A. B.D., in the presence of quite a number of the immediate relatives and friends of the contracting parties. The bride, who was given away by her uncle, Captain D. J. Riley, was very becomingly attired in white satin and carried a beautiful bouquet of roses and maidenhair fern. The wedding march was played by Mrs. Neil Bell. The young couple were unattended. After the ceremony was over the guests sat down to a table which fairly groaned under the weight of the many tempting viands. To these, needless to say, all did ample justice. Scarcely was supper over when the sounds which came floating over the evening air made it evident that the chivarariers were near at hand. In due course a large crowd assembled and for some time they made the night hideous with the sounding of a fog-horn blending harmoniously (?) with the numerous automobile horns round about. After they had extended their hearty congratulations to the bride and groom and had received a generous treat they wended their way homeward in peace. Mr. and Mrs. Nicholson will reside in Wood Islands. The Guardian joins in wishing the young couple many years of happy wedded life.

The bride, who was unattended, was attired in blue crepe, with white accessories and wore a gold wrist watch, the gift of the groom. After the ceremony the young couple drove to the home of the groom's father where supper was served. The young couple have been given several showers and a reception at the groom's father's on July 15th, also a house-warming at their home on the Norwood Road where over two hundred people were present. The young couple received many beautiful and useful presents. After bouncing the groom and singing "For They Are Jolly Good Fellows" the people dispersed to their homes wishing the young couple many years of married life.
