PRINCE EDWARD ISLAND

And Its Attractions to Tourists.

Prince Edward Island's summer climate is delightful, and the scenery is beautiful and quietly picturesque.

Charlottetown has over 12,000 inhabitants, and is the capital. It has many great retail stores, besides a large wholesale trade.

Charlottetown is the principal of which is the new Park Boulevard, its attractive surroundings, pure water, and clear, cool and bracing air.

It is widely known as one of the healthiest cities in Canada. It has two hospitals, many churches and a large and elegant new Opera house.

It also has several fine public buildings and a market which is one of the chief sources of the citizens' pride.

It has one of the largest and best equipped pork-packing establishments in the Dominion.

On its west side is Victoria Park—a favorite summer resort—while on the east are the magnificent new Exhibition Buildings and Driving Park.

Chief among its public squares is Queen Square in the centre of the city, beautifully laid out with blooming plants of every description, fountains, and well arranged walks, and enlivened with a band of music during the summer evenings.

The rural scenery in the vicinity of Charlottetown is charming, and horses for driving are abundant at very low prices.

Boats can also be hired, and steamers run regularly on the bays and rivers, affording most pleasant excursions.

The principal hotels are Davies, Queen, and Reveré.

Summerside has about 4000 inhabitants. It is situated on beautiful Bedouque Bay. It has the largest and finest departmental store in the Maritime Provinces.

Georgetown and Souris have a population of about 1,000 each. In the former are the Aitken, and Tapper hotels and in Souris the Sea View.

At Cape Traverse, a very pleasant summer resort, is the Landsdowne hotel; in Alberton, the Albion Terrace and Wisner; in Tignish the Railway and Bellevue; in Kensington, Clark's and Commercial; in Montague, McDonald; and in Mount Stewart, Clark's and Manson's.

The following hotels open for the summer season: At Hampton, Pleasant View; at Stanhope, Mutch's and Cliff; at Brackley Point, Shaw's; at Rustico, Seaside; at Malpeque, North Shore; at Tracadie Beach, Acadia; at Alberton, Seaford; and at Pownal, Florida.

In addition to those already mentioned there are other towns and villages in the Province with hotel accommodation, while many farm houses prepare for the reception of tourists.

The rivers and streams teem with trout, the bays with mackerel, while game of every description abounds.

"DELAYS ARE DANGEROUS." A small pimple on the face may seem of little consequence, but it shows your blood is impure and impure blood is the cause of most of the diseases from which people suffer.

Better heed the warning given by the pimple and purify your blood at once by taking Hood's Sarsaparilla. This medicine cures all diseases due to bad blood, including scrofula and salt rheum.

The non-irritating cathartic—Hood's Pills. Queen's Boxes Here.

Halifax June 4.—The Queens chocolate packages from South Africa are in Halifax, but are detained pending a decision whether they are dutiable or not.

WITHOUT A DOCTOR'S EXAMINATION. You can find out if the kidneys are clogged, deranged and diseased. Have you backache or a weak, lame back? Do you have pain or difficulty in urinating or a too frequent desire to urinate?

Are there drops of like brick dust in the urine after it has stood for 24 hours? If you have any of these symptoms not a moment should be lost in obtaining Dr. Chase's Kidney-Liver Pills, the world's greatest kidney cure. One pill a dose, 25 cents a box.

Girl Messengers Now.

LONDON, July 2.—The messenger service of London has been carried on the last two months with the aid of girls, and girl messengers have now come to stay.

They have been introduced because of the dearth of boys, the greater difficulty experienced in keeping boys in order and superior reliability of girls. Their hours are from 9 a. m. to 5 p. m., and their pay is \$2.50.

FOR THE CONTINGENT.

Montreal Recruit to swell the ranks of cures by Dodd's Kidney Pills. Montreal, July 2.—Robert S. Thomson, employed at Auld's Cork Factory, 624 Langlois Street, is the latest recruit to the army who have endorsed Dodd's Kidney Pills in the city.

Gradually but surely all prejudiced persons are being won over to the side of the conqueror of Bright's Disease and Diabetes, the two former tyrants of the human race.

Mr. Thomson says: "I used several remedies and consulted some of Montreal's best doctors, but they could not give me any relief. I read of Dodd's Kidney Pills, bought a box, and tried them. Before this I could not sleep, having to get up so often, but now I am all right in this and every other respect."

Deadly Fever in Panama. Kingston, Jamaica, July 2.—Pernicious fever is prevailing on the Isthmus of Panama among the victims reported being the son of United States Consul Cobb.

A Popular Mistake.

Regarding Remedies for Dyspepsia add Indigestion.

The national disease of Americans is indigestion or in its chronic form, dyspepsia, and for every reason that it is so common many people neglect taking proper treatment for what they consider trifling stomach trouble.

When nearly every person you meet is afflicted with weak digestion it is not surprising that nearly every secret patent medicine on the market claims to be a cure for dyspepsia, as well as a score of other troubles.
