PROMINENT CANADIAN OWES LIFE TO PE-RU-NA.
Suffered Ten Years—
Lost 100 Pounds in Flesh.

Mr. J. N. Latreille, the well known grocer and liquor dealer, of Montreal, Can., has been one of the leading business men of that city for thirty years. He writes as follows:
"I had catarrh of the head, throat and stomach for about ten years, and for the past two years had been growing worse."
"I felt exhausted and weak, and coughed continually. When in health my weight was 200 pounds, but I lost 100 pounds in a year. Catarrh had made me almost blind and deaf. I felt discouraged."
"Finally I tried Peruna, took three bottles, and now I must say that my health is much improved, and have gotten rid almost entirely of the effects of that dreaded disease."

A Card
To the Electors of the
City of Charlottetown

Having been presented with a largely signed requisition to become a candidate for the Mayoralty, after due consideration I have decided to do so.
For some years past I have had the honor of representing Ward 5, and during that period have served in several Committees, and for four years Chairman of the Street Committee.
Regarding the civic policy, in the future as in the past, I will devote my best energies and abilities to the advancement and improvement of the commercial interests and general welfare of the City.
While practicing the greatest economy commensurate with a fair measure of progress, I purpose if elected to continue the good work that has marked the regime of the outgoing Council. In common with my fellow citizens, residing and doing business here, it shall be my duty to the utmost of my ability, to promote the welfare of all and safe-guard the various departments of civic activities.
Earnestly soliciting your support,
I am yours respectfully,
JAMES PATON.

Only those can compete for the bells that have not thoroughly track-trained horses, decision as to horses eligible to compete to be left for Ernest Gay, W. S. Newsom and F. Wright to decide.

At Tryon on Wednesday afternoon, in response to an invitation from the Women's Missionary Auxiliary a large gathering of ladies from the Baptist and Presbyterian churches met at the Methodist Church for a Union Missionary Meeting. The meeting was presided over by the Pres. of the Auxiliary Mrs. Stebbins, in her graceful manner. Mrs. A. E. Vanning presided at the organ. Reports were given from the different societies represented as follows—Baptist Ladies Aid Society by Mrs. G. Oakes; Presbyterian Missions by Mrs. Wm. Morrison, Tryon; Methodist Auxiliary by Miss Leard, Grand; Methodist Auxiliary by Mrs. D. S. McQuarrie, and Victoria Methodist Auxiliary by Mrs. Jas. Inman. Other pleasing features of the program were a duet by Mrs. John Howatt and Hiram Lee, a reading by Mrs. Bruce Howatt, and a solo by Mrs. Richard Lord. The program closed with the hearty singing of "Blest be the tie that binds." All were then invited into the school room of the church where an ample supper was served, the ministers of the three different churches and a few other gentlemen responding to an invitation to be present on this occasion. Upwards of one hundred were served and a pleasant social time was enjoyed. A vote of thanks which was moved by Rev. Mr. Tiner and seconded by Rev. A. D. MacDonald was extended to the Methodist ladies for their kind hospitality. Rev. Mr. Stebbins replied on behalf of the ladies of his congregation. A warm feeling of good fellowship prevailed—a foretaste of the union which is predicted. The majority of those present remained for the Union Prayer-meeting in the evening, when the spacious audience-room of the church was well filled.

No More Premiums to Pay
Charlottetown, P. E. Island, April 3rd, 1905.
W. K. Rogers, Manager P. E. I. Branch, Canada Life Assurance Co., Charlottetown, P. E. I.
DEAR SIR:—I am just in receipt of a notice from the Canada Life advising me that the premium on my policy is more than covered for the balance of my life time by the profits just declared for the last five years.
My policy is for \$2000 on the straight life plan, annual premium \$46.00 with profits taken every five years in permanent reduction on premium. It was taken out in April 1870 and every five years since then, without a single exception, my premium has been reduced. From 1900 to 1905 I was asked to pay \$5.18 per year on the \$2000 and now the Company advise me that for the balance of my life they will pay me \$2.82 per year beside paying my premium for me, and this amount to be paid me will be further increased every five years as long as I live. It is needless to add that I am well pleased with such excellent results and liberal treatment and I wish the Company the success it merits.
