Is Money Worth Saving \$4,000 Worth of Furs Must Be Cleared Out This Month. A Manufacturer's Samples? No! A Bankrupt Stock? No!!! A Season's Clean Up? No!!! A Maker's Surplus? No!!! None of these ordinary, antiquated moth-eaten reasons for offering these beautiful Furs at about half of what you would be asked elsewhere in this vicinity. When a good manufacturer and a wide-awake retailer get their heads together something is liable to happen. The reason for this sale does not interest you, but the values we are giving certainly should. IT TAKES TWO FACTS to make this Fur sale great. FIRST—The furs are fine and new and made in all the latest styles. SECOND—We are selling them at very much less than you can buy them elsewhere.
