

WEDNESDAY

WEDDING LAST EVENING.—The marriage took place quietly at the Russ Hotel last evening of Miss Edith Simpson, daughter of the late Mr. Walter Simpson of Bay View to Mr. William LePage, son of Mr. William LePage, M.L.A., of Rustico. Rev. G. C. Taylor was the officiating clergyman, and the Russ drawing room was tastefully decorated for the occasion. The couple were unattended. The popular young couple leave this morning on a wedding trip to Boston and other American cities and upon their return will make their home in Charlottetown. The Guardian joins with many friends in extending best wishes.

ROBBERY AT HAZELBROOK.—The residence of Mr. George Wood, Hazelbrook was entered by some one the night of October 14th and the sum of \$39.00 was taken. \$15.00 of this amount was in gold consisting of three five dollar coins, the balance being in bills. This money was part of wedding gifts received by Mrs. Lawson Wood whose marriage had taken place a short time previously. A reception had been held later and the money and other gifts had not been removed from the room up to that time. The thief made entrance to the house by means of a ladder to an upstairs window and also made his exit the same way. Steps are being taken to bring the guilty party to justice.

THURSDAY

PASSED MEDICAL EXAMS.—The Registrar of the Medical Council of Canada has announced the results of the October examinations held during the last week at Montreal. The list includes the name of R. A. D. Gillis, Summerside.

GOING TO FLORIDA.—Rev. J. S. and Mrs. MacKay leave the Island next Tuesday the 28th for Gulfport, Florida, where they purpose residing for six months. They have a furnished house, a congregation, and the use of an auto awaiting them. The congregation of Tryon, Hampton and Bonshaw gave Mr. MacKay six months leave of absence.

POULTRY DEMONSTRATION.—Mr. Arthur F. Curran, Assistant Dominion Poultry representative, who was holding a demonstration at Commercial Cross, in the culling of poultry in conjunction with Mr. J. G. Morgan of the Experimental Farm returned to the city yesterday. Mr. Curran reports, the farmers in the various localities in the Eastern section of the Island are taking a deep interest in questions of poultry raising. The Record of Performance and trap-netting are subjects which are receiving much attention at present.

GEORGETOWN AND THE WAR LOAN.—It is pleasing to note that the citizens of Georgetown are already being active in anticipation of the coming War Loan campaign. Last year Georgetown was included in the district of Montague but in consideration of the generous donations received and the fact that as there is now a local bank it is to be made a district by itself in the forthcoming campaign. To judge from the spirit of enthusiasm which prevails and the business methods of those who are responsible for the local organization it is not a rash prediction to foretell for the movement unqualified success.—J.

LADIES AUXILIARY G. W. V. A.—The Ladies Auxiliary of the Georgetown branch of the G. W. V. A. held a meeting on Monday the 20th inst. As the president, who had been elected at the inauguration of the Society, found that owing to conflicting duties she would be unable to act in that capacity it was necessary to ballot for new candidates for the office, and Miss June Stewart was elected. After some discussion it was decided to divide the work of the society among several committees, according to the following committees were elected.

Working Committee.—Mrs. S. A. MacLean, Mrs. R. R. MacLean, Miss E. Atken and Miss M. Johnson.

Entertainment Committee.—Mrs. A. G. McGregor, Miss June Stewart, Miss Gerlie MacPhee and Miss Sybil Skinner.

Visiting Committee.—Mrs. Mary E. Stewart, Mrs. F. Conrad and Mrs. (Dr.) Barnes.

It was decided to call a meeting for Monday Oct. 27th, for the purpose of enrolling new members and getting the organization properly under way. The regular nights of meeting are to be the first and third Mondays of each month. It is splendid encouragement for the boys of the local branch to see the ladies devoting their unqualified support in this manner, and is a sufficient proof that their interest in their success did not come to an end with the termination of the war.

Any druggist can supply you with 2½ ounces of Pinex (50 cents worth). Pour this into a 10-oz. bottle and fill the bottle with plain granulated sugar syrup. THE NEW PERTH SCHOOL FAIR.—The New Perth School Fair held Tuesday, October 7th, was a decided success and was largely attended. The participating schools were Roseneath, Alberry Plains, Summerside, Union Road, Brudenell and New Perth. The exhibits, though not as numerous as they were last year, were of excellent quality except the livestock which was slightly inferior. The judges were Miss McKenna, Mr. McMillan and Mr. Cairns. Much credit is due to the teachers of the different schools and also to the president, secretary, treasurer and also to the pupils on the committees representing the different schools. After the sports, which were very much enjoyed, all returned to the Hall where a meeting opened with the Hon. President, J. A. Dewar in the chair. Speeches were made by the Hon. R. Burnett, Mr. C.H.B. Longworth, Provincial chairman and organizer; Mr. J. P. Gordon, Chairman Publicity Committee; Mr. F. J. Buote of L'Impartial and others. Mayne has recovered from a serious attack of illness. A new meat market has been opened by Mr. P. A. The cheese output this season is an average one.—A large number of men are still engaged in railroad work in the yard here, making ready for winter. A new station house and freight shed are promised for next season.

The Annual Thank Offering of W.M. S. of Zion Church was held in the school room last evening. After devotional exercises, Dr. Coffin gave an address on the work in Trinidad.

He began by saying that in order to give a correct view of the work he would answer a few questions he had been asked since he came home. The first question asked was how has the war affected conditions in the Mission Field. Trinidad has felt the influence of the war less than any other mission of the Presbyterian Church nevertheless we have felt the increased cost of living which as elsewhere has told most heavily on the laboring classes and those of limited salaries. Can we allow our native workers to suffer unduly for want of a living wage? Political movements in the West Indies and the prospect of closer relations with Canada, emphasize the need of Canadians bearing more of the White Man's Burden. The abandonment of East Indian immigration calls for more aggressive work than ever in the past to meet the new situation. As the connection between India and the West is cut off the East Indians lose their grip on ancient customs and either become indifferent to all religion, or become Christian.

A great drawback to our work is the low moral tone of the community but we have a bright side to the picture. The East Indian is industrious and ambitious. He has a great reverence for all religion and allows his children to attend school and study the scriptures because it is the Holy Book. Dr. Wilson of India gives as his opinion that the fact of King George while visiting India refusing to take part in hunting or other sports on Sabbath day and insisting on going to the native Christian Church, was a large factor in keeping India loyal during the war. The native church supports a missionary to their brethren in British Guiana. Educational work tends to the general uplift of the community and there is very little crime among East India youth. A recitation was given by Elaine Bennet and a duet was sweetly rendered by Misses Hilda Senter and

VICTORY LOAN 1919

"Every Dollar Spent in Canada"

Issued by Canada's Victory Loan Committee, in co-operation with the Minister of Finance of the Dominion of Canada.

Dora McDonald, Dr. Coffin was presented with an address and a life membership in the W. M. S. society by the ladies and Mr. Taylor on behalf of the congregation presented him with a well fitted travelling bag. The address from the society was as follows. Rev. Fulton J. Coffin, Ph. D. Dear Dr. Coffin. Once more we are called upon to bid you God speed as you leave us to return to the work you love so well

and have so faithfully performed for over a score of years. During this time hundreds of boys have come under your influence and have been instructed in the truth of God's word and the principles of righteousness. Many are today preachers of the Gospel to their fellow-countrymen in Trinidad. Some have gone back to their native country of India to tell of that Saviour whom they have learned to love, while others have engaged in various callings, all testifying to

the efficacy of the Gospel which is your power. As a slight appreciation of your wonderful work both in the home, church and in Trinidad among the East Indians we wish to make you a Life Member of our Women's Missionary Society (Eastern Division). The money to be devoted to any part of your work you wish. A member of our Society of Zion Church is making her daughter a Life member and our Society is also making our pastor Rev. G. C. Taylor a Life member, all

of which money is to be used for the Trinidad Mission. In conclusion we assure you we will follow you with our prayers and hope God, many long spare you to instruct the East Indian youth in the great truths of our religion. Dr. Coffin, who was taken completely by surprise made a fitting reply thanking the donors for their great kindness during his residence in Charlottetown and especially for the valuable gifts on this occasion.
