THE RIGHT WAY
The secret of SUCCESS in shopping lies in being able to LOOK at the garments before you pay for it. You not only LOOK at it. You try it on. You have the chance to try on several. If one does not suit, another WILL. If alterations are needed, the fitting can be done on the spot. There MAY be other ways to shop. But this is the only RIGHT way. This is the "trade-at-home" way. And it brings not only SUCCESS to you, but adds prosperity to your town as well. Every purchase you make in this way creates a permanent value in your community, apart from the value and pleasure YOU get out of it. And you become a community builder. Then why shop any other way? Keep this picture in mind and you will not fall in your duty to yourself and your town.
