CAESAR MISSING, QUEEN MOTHER DELAYED TRIP

LONDON, April 3—Coincidentally with the announcement that Queen Alexandra's plans of departure for the continent had been changed from today to Wednesday, it became known that Caesar, King Edward's Irish carrier, which followed the monarch's coffin and which has since been in possession of Queen Alexandra, had strayed from Marlborough House. It was not stated how long the dog was missing, but his absence caused the Queen Mother great concern. Caesar still wears the collar engraved "I am the king's dog" and by this he was identified.

YOU ARE GROWING YOUNGER MOTHER

BANISH THOSE GRAY HAIRS!

Kill the Dandruff Germs—Stop Hair Falling

Thousands of mothers are looking younger.—Their gray hairs are gone. The natural color has come back, and with it a new growth of soft, glossy, luxuriant hair. Why should you look old before your time, when you can look years younger by using

WYETH'S SAGE AND SULPHUR HAIR REMEDY

Dandruff Cured

Three applications removed all the dandruff and left my scalp clean, white and smooth. Wm. Croak, Rochester, N. Y.

Restores Gray Hair to Natural Color

If other "so-called" Restorers have failed, don't give up hope, but give WYETH'S SAGE AND SULPHUR HAIR REMEDY a trial. You run no risk... If it is not exactly as represented, your money will be refunded.

PROFIT BY OTHERS' EXPERIENCE

Gray Hair Restored
My hair was getting quite gray and falling out rapidly and I was troubled with a terrible itching of the scalp. My head was full of dandruff, which fell upon my clothes and kept me continually brushing it off. While on a visit to Rochester I heard of your Sage and Sulphur for the hair. I got a bottle and used it. A few applications relieved the itching, my hair stopped falling out and gradually came back to its natural color. It is now a nice dark brown color, soft, glossy and pliable. Several of my friends want to use it, and I want to know what you will charge me for six bottles of it.

MISS E. A. ROSS,
Sharon, Mercer Co., Pa.

Grew Hair on a Bald Head
For two or three years my hair had been falling out and getting quite thin until the top of my head was entirely bald. About four months ago I commenced using Sage and Sulphur. The first bottle seemed to do some good and I kept using it regularly until now I have used four bottles. The whole top of my head is fairly covered and keeps coming in thicker. I shall keep on using it a while longer, as I notice a constant improvement.
