New York Stocks
 NEW YORK (AP)—The stock market ran into a selling wave Friday but came out with only a few scratches. Prices at the close were thoroughly mixed and effects of the selling drive were hard to find.
 Steels displayed a lot of strength and they were aided by the railroads, utilities and a long list of individual issues. Leading motors and electrical equipments were lower. The Associated Press average of 60 stocks had a net loss of 30 cents. It was up \$1.60 Thursday.
 Jones and Laughlin topped the most active list again Friday with a gain of 1/2. Firestone, up 6 points Thursday, declined 3 Friday. Other losers included U. S. Steel off 3/4. General Motors 1/2. Admiral 1/4. International Telephone 1/4. General Electric 1/4. Liggett and Myers 1/4. New York Central 1/4 and Amerasia Petroleum 1/4.
 Canadian issues closed the day mixed. On the high side were McIntyre, up 1 at 65 1/2, and Hiram Walker, ahead 1 1/2 at 68 1/2. Canadian Pacific and International Nickel each dropped 3/4. Dome Mines and Distillers Seagram remained unchanged. Royal Canadian Giant Yellowknife and Royalite Oil both added 1/4 on the American stock exchange and Lake Shore remained unchanged.
