Adults Attending Education Classes

KENSINGTON — Kensington Regional High School is a hive of activity on Tuesday nights when parents and grandparents, husbands and wives return to school, each intent on gaining information on the subject in which he or she is most interested. Ninety-six adults have registered for nine subjects in a ten week course at the Kensington area — community school, where many of the instructors are volunteers living in the area. In charge of the project, under the direction of Rudi Dalenbacher are: George Howatt, Jacques Berard and James Brammer and the secretary, Mrs. Justin MacLellan.

In General Agriculture, a series of speakers are instructing the class in the following subjects: live stock efficiency, Stanhope Moore; crop rotation, David Smith; farm financing, David MacLean and Keith Langille; livestock breeding, Wayne Dickieson.

On March 15 Rudi Dalenbacher will be the instructor on the subject, "adjusting to Changed Conditions"; on March 22 soil management and fertility will be the

IN MEMORIAM

LAWSON — In loving memory of our father and mother, Mr. and Mrs. Isaac Lawson, father who passed away March 8, 1963 and mother who passed away March 17, 1957.

This month is here with deep regrets it brings back days we'll never forget.

Lovingly remembered by the family.

KELLY — In loving memory of Charles E. Kelly, who passed away March 13th, 1961.

What we would give if we could say, Hello, Dad, in the same old way.

To hear your voice, see your smile, To sit with you and chat awhile, So you who have a father, Cherish him with care.

For you'll never know the heartache Till you see his vacant chair.

Inscribed by wife and family.

HOWATT — In loving memory of James Cook Howatt who passed away March 14th, 1964.

There is a road called remembrance Where thoughts and wishes meet, We take that road in thought today, For the one we cannot greet.

It's lonely here without you, We miss your helping hand, And why you had to go so soon Saddy missed and always remembered by wife and family.

This will mark the first venture in general adult education in the Kensington area. The pleasure of learning something new or more advanced, and the satisfaction of spending an evening with others interested in the similar activities are only two of the extra advantages offered by the Community School.

TERRAN, Fran (AP)—A team of Canadian mineralogists has arrived in Tehran to start the first comprehensive study of the Iranian crown jewels, a central bank spokesman said here Saturday. The team is headed by Dr. V. B. Meeen, chief mineralogist of the Royal Ontario Museum, Toronto. The jewels are reputed to be the world's richest and largest collection and experts so far have been unable to estimate their value.
