George's Butter for sale at George Carter's (april 16, 31 eod)

The Northern Light broke the ice into the wharf at Georgetown on Saturday.

Some young men from Breadalbane arrived in the city to-day en route for the West.

It is said John I. Sullivan, the celebrated pugilist, will visit St. John before making his proposed trip to England.

Some birds entered the residence of John Summerside, Esq., Summerside, on Saturday night and stole a hind quarter of beef.

The ice in Hillsborough Bay is going fast, the channel of the river is open, and we are expecting navigation to commence.

James H. Fletcher, Esq., who has been spending the winter at home, left this evening for Colorado, via Dakota. We wish him success.

The "Northern Light" express left the city at 10:30 a. m. The steamer left Georgetown at the usual time this morning and will return this evening.

Military.—The members of No. 2 Battery of Artillery are requested to meet in the Drill Hall on to-morrow, Tuesday evening, at 8 o'clock. A full attendance requested.

The schooner "Darling," Capt. Donette, arrived at Port Mulgrave, from Rustico, on the 12th inst. She is the first vessel which reached the Gut from the Island this spring.

The steamer "Princess of Wales" will leave Charlottetown for Pictou on or about Saturday next, the 19th instant, ice permitting. Freight will be taken charge of on Friday.

The School of Cookery opens to-morrow. Admission only 15 cents. The High School course begins on Tuesday, at 10:30. All who wish to attend, also all who intend to become cooks.

The Sacred Song in Zion Church to-morrow evening, will be quite a musical treat. The programme embraces a number of magnificent selections which will be rendered by the best musical talent in the city. Don't fail to attend.

We trust that Mr. L. H. Davies will not look down under the tremendous strain that he is under in the Rustico Bank Bill, in its passage through the House of Commons, must be installed on that gentleman! Such an arduous task has seldom ever been placed upon a man's shoulders.

We regret that a mistake was made in the figures recently published regarding the correct figures are Liabilities, \$17,134; assets (good) \$12,404. The figures given in the Examiner were taken from a St. John paper.

A DRUNKEN Indian was arrested on Saturday evening. He was hailed by a party regarding the sum of ten dollars, but did not appear at Court this morning. The City Jail is therefore in possession of a handsome man, while the man who gave poor Lo! to which "made him glad," escapes a handsome penalty.

RECENT.—Some boys on passing through a field at Kensington on Saturday, discovered a horseshoe nail box buried in the ground. They raised it to the surface and on opening it found the mangled body of an infant. The police were notified but found no marks of identification. The infant was, to a great extent, decomposed. No inquest was held. The remains were interred by the police last evening.

Wise by the Toronto Globe that Dr. Robertson stated before the election committee at Ottawa that "so far as he knew there was no notice given to electors that he was ineligible." The statement must certainly be received with a large grain of allowance when it is remembered that previous to Dr. Robertson's election in the EXAMINER, time and again, drew attention to Dr. Robertson's disqualification, and named the electors of King's County of the list.

STUDENT DEATHS.—Mr. Donald McDonald, charge Master of the Depot in this city, died suddenly on Saturday. He had been ailing for a week, and on Saturday fell seriously ill and expired in the evening. The deceased was an attentive officer and much respected by all those with whom he was acquainted.

Mrs. Kelly, wife of Mr. Michael Kelly, King Street, died very suddenly this morning. Although in delicate health Mrs. Kelly was always able to attend to her household duties. We learn that she rose in her usual health this morning, and was attending to her work until a short time previous to her death. Mrs. Kelly was an old resident of this city, and was deservedly respected by all who knew her.

DEAR SIR,—In your issue of April 6th, there appeared a mistake in one of the names of the vigilance committee belonging to Chesapeake. It should be Anselm H. McDonald instead of Allan H., as was in the report. I wish this correction to be made public as some of those committee men are so jealous of their rights and privileges, and so true to the cause they have taken in hand that they do not wish the public to labor under a misunderstanding respecting their right names.

Yours truly, F. J. HALEY, Secretary. Little Harbor, April 11, 1883.

To the Editor of the Examiner. DEAR SIR,—Mr. Martin, the member for Bell, is reported to have said in his place in the House of Assembly, that "If, as we have a right to infer, there is a deficit in the Treasury, that is a sign that there is no property in the Province."

If the above statement be true, and sufficient evidence of unprosperous times; then, deplorable indeed! must have been the state of the country under Grip misrule, who added the country with the enormous deficit of seventy-three thousand dollars; and so relentless was their progeny (the taxpayers) in his demand for more money that even the dead had to be released from their grasp by paying the demand made on them for carpets, register grates, etc.

I think if those Grits would endeavor to reform themselves as to the true state of the

country they would find that the hard times they talk so much about have no place on this Island (generally speaking) except in their own morbid imagination. True, some people have had enough times to make and meet, but it has been always so and likely be so, yet all kinds of farm produce in good demand at good prices, from the fat porker down to the good old sheep, which reward their owners annually, with the product of her back and spends her days in replenishing his flock, were sought for at paying prices last fall. But, Mr. Editor, there is no doubt but the people of this Province had hard times of late, as you know by experience, but it was in keeping the "Grits" off the Treasury Benches which they so eagerly sought to possess.

Mrs. S. A. Allen's Hair Restorer IS PERFECTION! Public Benefactress. Mrs. S. A. ALLEN has justly earned this title, and thousands are this day rejoicing over a fine head of hair produced by her unexcelled preparation for restoring, invigorating, and beautifying the Hair. Her World's Hair Restorer quickly cleanses the scalp, removing Dandruff, and arrests the fall; the hair, if gray, is changed to its natural color, giving it the same vitality and luxuriant quantity as in youth.

COMPLIMENTARY. "My hair is now restored to its youthful color; I have not a gray hair left. I am satisfied that the preparation is not a dye, but acts on the secretions. My hair ceases to fall, which is certainly an advantage to me, who was in danger of becoming bald." This is the testimony of all who use Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER. "One Bottle did it." There is the expression of many who have had their gray hair restored to its natural color, and their bald spots covered with hair, after using one bottle of Mrs. S. A. ALLEN'S WORLD'S HAIR RESTORER. It is not a dye.
