# Abbies Defeat Curranites 5-3 To Win Second Game In Junior Play-Offs

Young Ian Kennedy, who keeps improving with each appearance on the mound, hurled brilliant three-hit ball last night to send the Junior Abbies two games ahead in their provincial series with the Curran and Briggs Juniors of Summerside.

The Abbies turned back Ed Buckley and the Curranites under the lights at Memorial Field with the Charlotteville squad scoring the winning and insurance runs in the eighth inning.

The Randy Edwards coached Abbies led the best of seven series two games to none. The third game will be played in Summerside on Friday night.

Kennedy, pitching the finest game of his career, and Buckley hooked up in a great pitching duel. Neither boy allowed an earned run and the difference in the score was made possible through the superior fielding play of the winners.

The Abbies went into the last of the eighth inning trailing 3-2 and ended the frame leading 5-3 as the Curran and Briggs defenses cracked wide open behind Buckley. They committed six mistakes in the inning.

Hood led off the eighth with a hot grounder down to short. "Uncle Colin" Grady drew Cannon off the sack on the throw allowing Hood to reach base safely. Leady grounded out second to first but Don MacLeod brought Hood around to third when Whelan bobbled MacLeod's grounder allowing the Abbies shortstop a life.

Hood then scored when catcher Paul Schurman threw the ball into the outfield while attempting to nick MacLeod off first. Nell Walker in right field relayed the ball into left field as he attempted to cut down MacLeod going into second. MacLeod advanced to third on the play.

Forbes Kennedy next reached base on first baseman Maurice Cannon's error. MacLeod scored and Kennedy went in second when Schurman allowed a ball to go through him. Kennedy later scored on MacFadyen's sacrifice bunt.

Ian Kennedy bore down in the ninth to preserve the win. He struck out the lead-off batter Donnie Cameron but walked Grant Grady. He forced Paul Schurman to ground out and then ended the game by picking Johnny Whelan's grounder and running to first base for the out.

Kennedy struck out eight men and walked six while Buckley struck out 11 and walked two.

# Lady Stock Car Drivers At Summerside Raceway

The lady drivers who participated in the stock car races at Summerside on Saturday night climbed into stock cars after the above photo was taken and speeded onto the track to take part in the first ladies' stock car race to be held at the Summerside Raceway.

In true stock car tradition the girls clearly demonstrated their driving ability, battling all the way for positions and colliding with any other car that tended to impede progress.

In stock car racing, thrilling action and excitement is visible on every section of the track and collisions and upsets occur as fast and as frequently as the eye can observe.

Great skill and mechanical ability goes into the conversion and maintenance of these cars used in stock car races, and the severe driving they withstand is an indication of the care and workmanship that these cars have received.

Stock car racing has proven to be a big hit at the Summerside Raceway and the largest night crowds of the season have consistently flocked to the raceway on evenings when stock car racing is featured.

The girls, above, who are expected to make a return appearance in other stock car races at Summerside are (from left to right, kneeling):

# Brooklyn Scout Impressed With Ball Improvement

Bill O'Connor, the Brooklyn Dodgers scout, who has spent the past two days in the Province, noticed a vast improvement in the calibre of baseball being played by the younger players in Summerside and Charlottetown.

Bill was impressed with the way in which the younger players have been developed and suspects that there is potential professional baseball material among these players.

Mr. O'Connor yesterday spent the day at Memorial Field with Johnny Carroll and Randy Edwards giving instructions to all players from Little Leaguers up to juniors. On Monday he worked in Summerside.

He will leave the Province today and head for Halifax where he will spend a day or two before returning to Boston. He will work his way down to Brooklyn during September and be in Dogville in time for the World Series.

Mr. O'Connor commended the work of baseball coaches Johnny Carroll and Randy Edwards. He noted that both coaches had their players well disciplined and saw evidences to this effect in last night's game in the Park.

During this tour of the Maritimes Bill has uncovered one potential Big-League player and has signed the boy to a Brooklyn contract. The Brooklyn scout usually makes sure of his prospect before he signs him to a contract, as evidenced by the fact that six out of the seven players he signed last year remained with the Brooklyn chain.

He states that Billy Harris, the young New Brunswick pitcher in the Brooklyn organization, will be throwing for the Montreal Royals next year. Bill is doing well in Mobile, Alabama this year.
