

MELBOURNE (Reuters)—After Jan. 1, 1957, all new Australian-made passenger planes will require backward-facing seats "as a safety measure," according to a new civil aviation department ruling.

by the light from automobile headlights.

They have been using as many as four combine harvesters in one field. The Canadian system was adopted to get the harvest in as it dried, instead of dispersing the harvesters. As a result of the concentrated work, it is expected final returns will show the harvest only about 10 per cent below normal. Some farmers worked all night

British Farmers Use Canadian Harvest Method

LONDON (CP)—Canadian methods of harvesting are being used in Britain to combat the effects of a rainy summer. Farmers in Hampshire are talking of the "Canadian harvest" in a race against time,

"The Best I've ever baked!" New Recipe BIX! Why are New Bix crackers the best? Try them today, and you'll taste why! An entirely new recipe baked with all the know-how and care that has made McCormick's products a symbol of good taste. Serve crisp, golden Bix crackers with that wonderful melt-in-your-mouth taste—and watch how everybody will be reaching for more. SO CRISP!—SO DAINTY! —AND YET SO EASY TO SPREAD! Besides being the ideal snack at all times, there are dozens of delicious ways to serve Bix on those special party occasions as a refreshingly different treat. Here's three novel, but easy to make canapè recipes you'll want to try! My cheap crisp, let it dry out, then chop it into fine pieces. Mix with peanut butter and spread on golden Bix crackers. It's delightful! Bix flaked crab meat and chopped hard boiled eggs with a chili sauce base. Add a dash of Worcestershire sauce, then spread on delicate Bix crackers. Add cottage cheese to red or black caviar. Then a dash of garlic. Marvellous when spread on luscious Bix crackers. Clip and Save McCormick's Good Taste in Biscuits You can buy NEW BIX Today!
